ROSARIO LOCAL CONTENT CREATORS', PUMARANGAL SA PAGPAPAKILALA NG KULTURA AT TRADISYON

ROSARIO, Cavite — Binigyang-pugay ng lokal na pamahalaan ang mga content creator na nagsisilbing makabagong tagapagkuwento ng kultura, kasaysayan at pag-kakakilanlan ng Rosario, kasabay ng paggunita sa kaarawan ng yumaong dating Mayor Nonong Ricafrente Jr. noong Nobyembre 3, 2026.

Pinangunahan nina Mayor Jose Voltaire V. Ricafrente at Vice Mayor Joanne Michelle B. Gonzales ang paggawad ng pagkilala sa mga lokal na content creator na nag-ambag sa pagpapakilala ng bayan, partikular sa 181st Founding Anniversary at ika-20 Tinapang Salinas Festival.

Sa pamamagitan ng kanilang mga larawan, video at malikhaing digital content, naging katuwang ang mga ito sa pagpapalaganap ng kagandahan, kultura at mga tradisyon ng Rosario sa mas malawak na komunidad.

Hindi lamang simpleng libangan ang kanilang mga likha kundi nagsisilbi ring instrumento sa pagpapalaganap ng lokal na turismo at pagpapanatili ng pagkakakilanlan ng bayan. Sa panahon ng makabagong teknolohiya, nagiging mahalagang tulay ang social media upang maipakilala sa mga kabataan, turista at mga Rosarian na nasa ibang lugar ang mayamang kasaysayan at natatanging tradisyon ng kanilang pinagmulan.

Lalong naging makahulugan ang pagkilala dahil isinabay ito sa paggunita sa kaarawan ni dating Mayor Nonong Ricafrente Jr., na naging bahagi ng kasaysayan at pamamahala ng Rosario.

Nagsilbi itong paalala sa kahalagahan ng pagbibigay-pugay sa mga dating lider habang kinikilala rin ang bagong henerasyon na patuloy na nag-aambag sa pag-unlad ng bayan.

Sa pagkilala sa mga content creator, binigyang-diin ng lokal na pamahalaan ang mahalagang papel ng mga mamamayang may malasakit sa kultura at kasaysayan. Sa Rosario, ang mga lokal na content creator ay maituturing na makabagong tagapagkuwento ng bayan na tumutulong upang manatiling buhay ang pamana ng nakaraan habang ipinakikilala ang makulay na kasalukuyan ng komunidad.

SSS backs government push for one-stop digital services; Digital MySSS Card, other key services to be on eGovPH superapp soon

QUEZON CITY, 4 November 2026 – The Social Security System (SSS) supports the government's push for more connected and accessible public services by bringing the MySSS Card's front-facing ID feature and selected member services to the eGovPH superapp

The SSS and the Department of Information and Communications Technology (DICT) signed a data-sharing agreement on 21 October 2026 in Quezon City to enable the integration. The agreement was signed by DICT Secretary Robert Joseph M. de Claro and SSS President and Chief Executive Officer Victor Alfonso A. Limlingan.

The partnership comes shortly after de Claro's appointment as DICT Secretary, following his tenure as SSS President and Chief Executive Officer, and advances collaboration between the two agencies.

"This partnership marks a major step in making SSS services more accessible and convenient for our members. By integrating the digital MySSS Card and key services into the eGovPH superapp, we are bringing social security closer to every Filipino—right at their fingertips," Limlingan said.

Once integrated, members will be able to access the front-facing digital representation of their MySSS Card as one of the IDs available through the eGovPH superapp. They will also be able to view their contribution history, total number of contributions, latest membership type, and most recent employer information.

These services will help members check whether contributions have been posted and verify their membership and employer information through a shared government platform.

Limlingan emphasized that the integration reflects the SSS' commitment to digital transformation and member convenience.

"Our members should not have to visit multiple offices or use multiple applications just to access basic services. Through eGovPH superapp, we are making it easier for Filipinos to check their contributions, verify their membership status, and access their MySSS Card—all in one place," he said.

The move is part of the government's broader digital transformation agenda, which seeks to connect agencies' services through a shared digital platform that unifies government services in one application.

DICT and SSS said the partnership is also intended to expand social-protection access for digital workers, including freelancers and online professionals, by making SSS services easier to find and use online.

While members can already access their membership and contribution records through the MySSS mobile app, the integration will provide another convenient way to view these records, together with the MySSS Card ID feature, alongside other government services.

Limlingan said the agreement signals that the SSS will be among the government agencies feeding services into eGovPH superapp, supporting the administration's goal of integrating all government services into the platform.

"We are proud to be part of this national effort to unify government services. The SSS remains committed to leveraging technology to deliver faster, more secure, and more member-centered service," Limlingan said. #

DENR pledges support for Bacoor City's Waste-to-Energy project

challenges.

Last October 21, DENR Acting Secretary Juan Miguel Cuna assured the city government that the DENR will provide the much-needed technical assistance to ensure that the project will meet environmental standards.

Cuna also advised the city government to consult with the Department of Science and Technology (DOST) and the Department of Energy (DOE) to determine the most viable and safe technology for the facility.

"May capability na naman tayo sa DENR Central Office para macheck 'yung dioxins. Pero ang suggestion ko, kausapin ninyo ang DOST para masigurong puwede ang technology dito, and of course the DOE regarding the power aspect [of the project]."

Mayor Strike Revilla said that the city has long pursued a WTE facility as a sustainable solid waste management solution.

"From the start, basura na talaga ang problema namin. Kaya simula pa lang, naghahanap na ako ng puwedeng waste-to-energy [facility]. Gusto namin na maresolbahan na may pakinabang pa tayo na protektado ang ating environment."

"Sa tingin ko ay puwede itong pag-aralan ng national agencies. At kung maaprubahan n'yo kami, willing kaming i-push ito. Dapat talaga ay mayroong magawa kami sa LGU, talagang mag-i-invest kami dito."

In a statement, the city government underscored that the WTE project has been a top priority as a solution to a nearly two-decade old public health and environmental protection challenge for the city.

Data from the Philippine Statistics Authority (PSA) show that Bacoor City is Cavite's most densely populated city in the entire province with 661,381 residents—the second-highest population in the entire province.

NOVEMBER 2, 9, & 16, 2026

TRB approves collection of second-tranche toll rates for CAVITEX R1 Expressway Extension

The Toll Regulatory Board (TRB) has approved the collection of the second-tranche toll rates under the approved 2020 and 2023 toll petitions filed by CAVITEX Infrastructure Corporation (CIC) and Philippine Reclamation Authority (PRA) for the CAVITEX R1 Expressway Extension, covering the Zapote, Las Piñas to Kawit, Cavite segment, effective October 28, 2026.

Starting October 28, motorists using the seven-kilometer CAVITEX R1 Extension will be charged P103 for Class 1, P207 for Class 2, and P310 for Class 3 vehicles.

The 2020 and 2023 toll petitions covered periodic toll adjustments due for implementation in 2021 and 2024, respectively. To help cushion the impact on motorists, the approved toll adjustments were divided into two tranches. The first tranche was implemented in October 2025, while the second tranche will be collected starting October 28, 2026.

Serving more than 50,000 motorists daily, the CAVITEX R1 Expressway Extension is a key economic corridor connecting Metro Manila to Cavite and Southern Luzon. Motorists will also experience faster travel time in the Southern Luzon corridor to Metro Manila as CAVITEX will soon connect to CALAX via the CAVITEX-CALAX Link (CCLink).

Measures to support motorists and key sectors

In previous months, various toll relief measures were implemented to support public transportation and the movement of people and goods. These included exemptions for accredited Class 2 public utility buses (PUBs) and public utility vehicles (PUVs), as well as toll rebates for Class 3 vehicles and accredited vehicles transporting agricultural products.

In line with the implementation of the adjusted toll rates, the ABANTE Program, a toll reprieve initiative for public utility vehicle (PUV) operators, will be reactivated effective October 28, 2026. For 60 days from this date, ABANTE-accredited traditional and modern jeepneys, UV Express units, and buses with authorized routes using the CAVITEX R-1 Expressway Extension (Kawit) will be eligible for toll rebates. Meanwhile, the toll rebate for vehicles transporting agricultural products will remain in effect until November 30, 2026, to support the movement of agricultural goods.

Continued investments in CAVITEX

The joint venture partners continue to invest in infrastructure and technology upgrades along CAVITEX, even prior to the approval of toll petitions, including:

•Expansion joint replacement at bridges along the Parañaque segment and Imus Viaduct to improve ride comfort and structural reliability;

•RFID system upgrades and Automatic License Plate Recognition (ALPR) technology to enable faster, more seamless transactions; and

•Pavement rehabilitation in critical portions of the Kawit and Parañaque segments.

These investments, together with the toll adjustment, will support the continued delivery of reliable, safe, and efficient expressway services.

CIC and PRA, and its operator PEA Tollway Corporation (PEATC), reaffirm their commitment to providing infrastructure that strengthens connectivity and economic activity across Southern Luzon.

Cavite Mayor Announces P1000 Educational Allowance for Students From Public and Private Schools

"Rich or poor, public or private school, all Tanza students to receive ₱1,000 allowance."

Students in Tanza, Cavite, are set to benefit from an educational assistance initiative as Mayor Archangelo "SM" Matro announces plans to provide ₱1,000 in financial support to students, regardless of their family's economic status or whether they attend public or private schools.

The initiative aims to make educational assistance more accessible to young Tanzeños, recognizing that school-related expenses affect families across different income groups.

On October 22, 2026, a local announcement confirmed that students from daycare through Grade 10 in Barangay Santol were among those scheduled to receive the ₱1,000 allowance.

The program includes learners enrolled in both public and private educational institutions, reflecting the local government's intention to extend assistance beyond a single school sector.

Mayor Matro also acknowledged the support of barangay officials, council members, and the Sangguniang Kabataan in implementing the initiative.

He emphasized that public assistance should not be treated as a personal favor from elected officials, but as part of the government's responsibility to deliver services to its constituents.

The mayor likewise expressed appreciation to taxpayers, whose contributions help fund public programs and educational assistance.

The initiative follows earlier distributions of financial assistance to senior high school students in Tanza, including payouts conducted in several barangays in August and September 2026.

For students and their families, the ₱1,000 assistance can help cover everyday educational needs, including school supplies, transportation, and other learning expenses.

As the program continues, students and parents are encouraged to follow announcements from the Municipal Government of Tanza for confirmed eligibility requirements, distribution schedules, and claiming procedures.

CAVITE HIGHLIGHTS

Eduardo Camerino-

May mga author na nagsabi na siya ay si Casimiro, Camerino. Siya ay tinawag na tulisan ng mga Prayle at ipinahuhuli. Noong magkaroon ng liberalisasyon sa Espanya ay ginawaran siya ng pardon at ginawang pinuno ng batalyon ng Guias de la Provincia de Cavite. Nang maubos na ang mga tulisang kanyang tinugis ay idinawit siya sa Cavite Mutiny of 1872. Siya ay pinatay sa garrote o bigti.
