GO VOWS TO HELP EXPAND LENDING PROGRAMS FOR MSMES

MANILA – Former Special Assistant to the President (SAP) Christopher Lawrence “Bong” Go on Tuesday vowed to help the government expand its lending program for micro, small, and medium enterprises (MSMEs).

“Isusulong ko ang pagpapalawig ng kasalukuyang Pondo sa Pagbabago at Pag-asenso o P3 ng DTI para magkaroon ng isang mas malaking MSME Fund na

magbibigay ng puhunan sa mababang interes,” Go said during the “Mentor Me on Wheels” event held at SM Megamall in Mandaluyong.

Implemented by the Department of Trade and Industry, P3 is a lending program worth PHP1 billion that aims to help MSMEs.

The interest rate for amounts lent to MSMEs via P3 is at 2.5 percent per month only.

Cavite LGU leaders vow to sustain Manila Bay rehab

GENERAL TRIAS CITY, Cavite -- Around 33 village leaders here have pledged to sustain the Manila Bay rehabilitation program

as they continued on Saturday their cleanup drive on esteros, rivers and streams that flow into said body of water.

City Mayor Antonio

Ferrer said their continuous clean-up campaign and awareness drive are in compliance with President Rodrigo Duterte’s directive to

restore and rehabilitate the much-polluted Manila Bay which stretches from Ternate to Bacoor City.

Ferrer said Cavite’s 23 city and town mayors

have each scheduled their cleanup through their respective City and Municipal Environment and Natural Resources Office (CENRO/MENRO)

in compliance with the orders of Department of Environment and Natural Resources Secretary Roy Cimatu and Department

(cont. P.3)

Go vows to help expand lending... (from p. 1)

“Importante po na mabigyan ng puhunan ang maliliit na mga negosyante para hindi sila kumapit sa mga 5-6 na loansharks. Hangarin po natin na mabigyan ng mas maraming oportunidad ang mga Pilipino na mapalago ang sarili nilang kabuhayan,” he added.

“Mentor Me on Wheels” is a free one-on-one mentoring activity on business franchising.

It is under Go Negosyo, the advocacy arm of the Philippine Center for Entrepreneurship, a non-stock, non-profit organization.

More than 100 franchise owners and more than 500 mentees participated in the event.

“Sa Davao, noong nakaraang taon,

nagkaroon na din ng Mentor Me on Wheels. Sa totoo lang, maganda ang programang ito para mapaunlad ang maliliit na negosyo sa tulong ng mga payo at diskarte mula sa mga successful businessmen,” Go told event attendees.

The former presidential aide also shared his other plans for entrepreneurs.

“Sisikapin kong magtatag ng shared manufacturing machineries at processing facilities para mapababa ang operation expenses ng mga maliliit na nagnenegosyo,” Go told event attendees.

“Palalawigin ko rin ang pagkakaroon ng mga libreng training at seminar kagaya ng Mentor Me on Wheels na magtuturo

ng mas epektibong pamamaraan sa branding, packaging, marketing, at iba pa. Marami tayong mga produktong sariling-atin na “world class” kaya pag-aaralan ko kung papaano matutulungan ang mga gumagawa nito para lalong tangkilikin ang mga produkto nila, hindi lang sa ating bansa kung di pati na rin sa iba’t ibang panig ng mundo,” Go added.

Go, who is running for senator in the 2019 elections, noted that the administration of President Rodrigo Duterte has paved the way for an improved business climate in the country.

Among others, he cited the passage of the Ease of Doing Business Act, the launch of the 8888-hotline for complaints against fixers, scalawags, corruption or poor government service, as well as Malacanang’s order requiring government offices to respond to all public requests and concerns with 15 days from receipt.

Go noted that Duterte’s moves against red tape are meant to make it easy for ordinary people to start their own businesses.

Go also noted that Duterte is unrelenting in his campaign against corruption that the Chief Executive had fired several officials who are close to him or helped him in his presidential campaign because of

alleged corruption.

“Ayaw na ayaw niya po ng corruption. Galit si Pangulo sa mga corrupt sa gobyerno at ayaw na ayaw niya yung ng may kinikikilan lalong lalo na yung pagproseso ng mga business permits,” said Go, who vowed to support the administration’s programs against drugs, crime, and corruption.

Go also revealed that he came from a family of small entrepreneurs.

He reiterated the importance of having a clean government in order to pave an economic environment conducive in doing business and in providing jobs to other Filipinos.

“Kapag walang korapsyon, mas madali magnegosyo at mas lalago ang kabuhayan ng bawat Pilipino. Ganyan po kami sa Davao City, at iyan rin ang pinaglalaban namin ni Pangulong Duterte para sa buong bansa,” he said.

An aspiring senator in the 2019 elections, Go has a legislative agenda that covers agriculture, housing, improved delivery of healthcare services, education, long-term sports development, fire protection and prevention, localized peace talks, anti-drugs and criminality drive, anti-corruption drive, barangay welfare, the creation of a Department of OFWs, and improved benefits for senior citizens. (PNA)

ANG BULAKLAK

1. Iisa ang pakay ng isang bulaklak, Ito ay lumikha ng buto sa pugad, Sa dahilang ito ay maikakalat, At nang dumami na ang lahi ng pangkat.
2. Nectar insentibo sa mga insekto, Nang sila’y lumapit at sumipsip nito, Ang lalakeng punlay ililipat dito, Sa babaeng sangkap, tawag ay ovario.
3. Mula sa naghalong babae’t lalake, Magiging prutas na ang ganyang nasabi, May buto sa loob konti o marami, Depende sa pakay ng Isang Mabuti.
4. Prutas insentibo sa pangkat ng tao, Upang maikalat ang maraming buto, Kung wala ang prutas, buto lamang ito, Ibon ang kakain kakalat sa mundo.
5. May mga bulaklak mabango’t makulay, Sila ang pang-akit sa insektong abay, Pollination yaong ninais sa buhay, Kaya ang proseso ay nagtatagumpay.
6. Kung walang bulaklak, lahi’y ikakalat, Sa saging ay suwe yaong masisipat, Labong sa kawayan yaong matatambad, Sa kamote’y baging na maraming ugat.
7. May mga bulaklak na sabi’y kaiba, Babaeng bulaklak may sariling porma, Lalakeng bulaklak iba ang hugis niya, Tao at insekto, gamit mapag-isa.
8. Ang pollination lang ang puwedeng gamitin, Upang ang bulaklak mabuntis sa turing, Buntis na bulaklak ay pagpapalain, Doon may susunod na lahing magiting.

Mayor Ony Ferrer is the lone representative from the Philippines attending the Forum: Cities and Regions for Development Cooperation organized by the European Committee of the Regions in Brussels, Belgium.

The said forum, participated by 650 representatives, aims to showcase the good practices, initiatives and projects of both the EU and partner-countries.

PCOO chief vows comprehensive coverage of 'Wagayway Festival'

MANILA - Presidential Communications Operations Office (PCOO) Secretary Martin Andanar said government media will conduct comprehensive coverage of the "Wagayway Festival" in Imus, Cavite in May this year.

Speaking to members of the Cavite Province Publishers League, Inc. (CPPLI) on Thursday, Andanar said he had discussed the matter with Imus City Mayor Emmanuel Maliksi and vowed to utilize the PCOO agencies to cover the annual event.

"I promised the mayor that the government media this year will be 100 percent behind the celebration of Wagayway sapagkat ito po ay history

ng bansa natin, napakahalaga po nito (because this is a significant part of our country's history) and he just gave me a very good presentation kung ano yung ginagawa sa Imus including the branding, ako'y bumilib (of what is being done in Imus, including the branding, I was impressed)," he said.

Andanar said he has been going around the country to personally meet and listen to the sentiments of the local chief executives and media practitioners.

"You only get all these lessons if you engage, if you go down the regions, the provinces," he said.

Andanar, a former media practitioner, said his lifelong advocacies are strengthening media in-

terests through policies, media engagement, and media solutions.

The first Philippine flag was raised and waved by the Filipino revolutionaries during the "Battle of Alapan" on May 28, 1898 in Imus, making it the "Flag Capital" of the country.

In the same meeting with CPPLI, Andanar also vouched for the integrity of four senatorial bets -- reelectionist Senator Aquilino 'Koko' Pimentel, former Special Assistant to the President Christopher Lawrence "Bong" Go, former Philippine National Police chief Ronald "Bato" dela Rosa, and former Presidential Political Affairs Adviser Francis Tolentino. Cavite LGU leaders vow to sustain... (from p. 1)

of the Interior and Local Government Secretary Eduardo Año for all LGUs to take part in the massive Manila Bay rehabilitation program.

The project has three phases -- the massive cleanup of esteros, rivers and streams connecting to the Bay area; resettlement of informal settlers and removal of illegal structures; and massive information dissemination.

This city's village chiefs led the cleaning of the Malabon Grande River from Javalera,

Biclatan, Manggahan, San Francisco, Buenavista, Pasong Kawayan, Tapia, Pinagtipunan, Prinza, GenTri Proper, Dulong Bayan, Bacao and the Ilang-Ilang River which crosses Barangay San Antonio in nearby Noveleta town.

Also, scores of barangay volunteers retrieved piles of garbage and plastics from the rivers such as Ilang-Ilang River in Noveleta, Tanza River which connects Barangay San Juan and Tejero in this city from Barangay Biwas in Tanza town.

Meanwhile, Noveleta town Mayor Dino Reyes Chua and other officials joined hundreds of volunteers in Saturday's cleanup drive along Ilang-Ilang River up to Barangay San Rafael and the Long Beach which stretches from Barangay San Rafael III to San Rafael IV.

In Bacoor City, the CENRO headed by Rolly Bocalan continued their clearing and cleaning operations at the informal settlement in Barangay Zapote and the coastal villages. (Dennis Abrina/PNA)

PhilAAST holds 2019 S&T Caravan in Cavite

Dr. Alexander Madrigal, Regional Director of DOST-CALABARZON, and Mayor Lani Mercado-Revilla tours Secretary Fortunato T. de la Peña at the Bacoor Mussel Depuration Facility.

Secretary Fortunato T. de la Peña and Dr. Alexander Madrigal, Regional Director of DOST-CALABARZON tours the Dragon Fruit plantation of Silan AgriFarm

The Philippine Association for the Advancement of Science and Technology (PhilAAST) conducted this year's first S&T Caravan at Cavite State University, Indang, Cavite on February 1, 2019.

The S&T Caravan paved way for the induction of new PhilAAST members. It was graced

by the presence of Engr. Lydia Tansinsin, Dr. Teddy F. Tepora, Dr. Reynaldo V. Eborra, Director of Philippine Council for Agriculture Aquatic and Natural Resources Research and Development (PCAARRD), Dr. Hernando D. Robles, President of Cavite State University, Dr. Alexander R. Madrigal, Regional

Director of Department of Science and Technology-CALABARZON, Dr. Jaime C. Montoya, Executive Director of Philippine Council for Health Research and Development (PCHRD) and President of PhilAAST, Sec. Fortunato T. de la Peña, Secretary of the Department of Science and Technology and Adviser of PhilAAST.

Other members of PhilAAST were also present in the event.

Dr. Jaime C. Montoya oriented the new members on the activities of PhilAAST. He expressed his gratitude towards the new members and assured them that "[PhilAAST] will be able to do more with the participation of passionate people. Meanwhile, Sec. Fortunato T. de la Peña presented the major programs of DOST.

After the morning

program, the guests were toured by Dr. Ruel M. Mojica, Vice President for Research and Extension of CvSU, at CvSU's Coffee Quality Processing Center, Agriculture and Food Technology Business Incubator Production Area and Coffee Genebank, and SciCAT for the Convergence of Agriculture and Tourism (SciCAT) Site where CvSU showcased the aid of Science and Technology in the development of commercialized products.

In the afternoon, Dr. Alexander R. Madrigal, joined by Bacoor Mayor Lani Mercado-Revilla, toured Sec. Fortunato T. de la Peña and the guests at L.A. Machineries Corporation, Bacoor Mussel Depuration Facility, and Bacoor Food Processing Center, where they showcased Bacoor's main product, mussels/tahong. The tour also paved way for the brainstorming for future projects and S&T interventions in Cavite. (Myrrh Caithlin Gutierrez)

Sen. JV Ejercito's bill seeks to grant civil service eligibility to SK kagawads

SENATOR JV Ejercito is pushing for an amendment to the Sangguniang Kabataan Reform Act of 2015 (Republic Act No. 10742), or the SK Reform law, so that SK kagawads can be granted Civil Service Eligibility.

He filed Senate Bill No. 2185 as he noted that SK kagawads are not included in the list of Elective Barangay

Officials to be provided or granted with first level eligibility under the Civil Service Rules.

Based on the Civil Service Rules, a Barangay Official Eligibility, which is equivalent to Career Service Sub-professional Eligibility, is a privilege granted to barangay officials, including SK chairpersons.

"The proposed bill seeks to grant

the same, if not more fitting privilege to SK kagawads, recognizing them also as barangay elected officials," Ejercito said.

Career Service Sub-professional Eligibility is suitable for first level positions in government or job positions, which involve clerical, trades, crafts, and custodial service.

Assistant Secretary

Victor A. del Rosario, commissioner of the National Youth Commission expressed support for the bill.

"As always, we view Sen. JV Ejercito as our 'youth champion' in the Senate and we thank him again, particularly for this bill that recognizes the hard work and commitment of our SK officials," he said. #####

SM CITY CALAMBA'S 3 DAY SALE ON FEB 15, 16, & 17!

SM Santa Rosa celebrates Year of the Pig with Peppa

SM SANTA ROSA CITY, Laguna--Each year, Filipinos and the Chinese community celebrate Chinese New Year starting on February 5th and ending on January 24th, 2020. The Pig occupies the last or 12th position in the Chinese Zodiac. According to Chinese astrology, 2019 is a great year to make money or to invest.

Here's a sneak peek on how 2019 will be for each of the 12 animals of the Chinese zodiac:

RAT - A year full of

happiness and prosperity!

Ox - A good year for Ox. A time with good opportunities to make money.

TIGER - Born in a strong and independent zodiac sign, as a general rule, you do what you please. This year through, you will need to learn how to come to terms with others.

RABBIT - An excellent year is waiting for you! A bit less wary than usual, you will easily get close to others and make new friends.

DRAGON - For you, the impact of the Pig's calmness will mean a year of reconsiderations.

SNAKE - This year you'll have to be combative and persuasive

HORSE - The year of the Pig 2019 is going to be more auspicious than the Dog Year 2018!

GOAT - A 2019 year under the mark of chance, when all your ambitions will be fulfilled.

MONKEY - A year under the influence of chance.

ROOSTER - This year you need to actually pay attention to the quality of your relationships with others, if you want to succeed.

DOG - This year count only on your own efforts in order to suc-

ceed. **PIG** - The year 2019 is yours, right? Start by setting your priorities and then get to work: once you start moving, you will start seeing results.

At SM City Santa Rosa shoppers can celebrate the Year of the Pig with one of the most well-loved animated series for children, Peppa Pig. The show revolves around Peppa, a female pig

with human traits and characters, and her family and friends. Each episode features everyday activities for kids such as attending playgroup, going swimming, visiting their grandparents, cousins, going to the playground or riding their bikes.

Aside from the Chinese zodiac forecasts exhibited at the mall, shoppers can also purchase Peppa

Pig merchandise like schoolbags, t-shirts, lunchboxes and a lot more.

So come and visit SM City Santa Rosa's Peppa Pig Chinese New Year centerpiece and find out what's in store for you this year!

The Peppa Pig Chinese New Year centerpiece is located at the activity grounds, GF near SM Supermarket. **(PAMELA P. BAUN/RMM)**

Health Benefits...

10 Super Health benefit of Kakawate Leaves

Kakawate is commonly grown in South Tagalog. The leaves fall in December and bloom in February and March. Kakawate is a tree as high as 3-10 m. Has a longleaf measuring 15-25 cm. The flowers are pink with a size of 2 cm. Usually, kakawate is grown as an ornamental tree because of its beautiful flowers. In addition to being used as an ornamental plant, kakawate leaves proved to have a good nutritional content for human health, such as: • Tanin • Methylsepiol • Medicarpin • hexa d e c a n o i c acid • coumarin • protein • fiber • sodium • magnesium • manganese Based on the content of these nutrients, then the benefits you can get if consuming kakawate leaves are: 1. Heals dermatitis and itchy skin Kakawate leaves have a function to treat dermatitis and skin itching because of insect bites or allergies. You can make

herbs cheap and easy with this leaf. the way is to boil the leaves or make it into juice. Then apply on the problem skin. Or try benefits of coconut oil for skin 2. As a mosquito repellent Mosquito bites may carry dangerous diseases such as dengue fever. Steps to prevent it is by using anti-mosquito lotion. Now, you can make a lotion naturally with kakawate leaves. Apply fresh leaves on the skin, mosquitoes will not dare to approach. 3. For rheumatism, sprains, and broken bones covered R h e u m a t i s m in health benefits of kakawate leaves, sprains, and closed bone guards are serious problems that need to be handled appropriately. you can spend a lot of money to seek treatment at the hospital. however, with this leaves, you can make your own herb with a cheap price and of course natural. Puree the leaves, then apply 4. Heals the wounds

This leaf can also heal various kinds of injuries. The content of this leaf can accelerate the process of healing the wound on the body like health benefits of ashitaba leaves 5. Treat scabies A study concluded that kakawate had the same effect as sulfur. This leaves can treat scabies naturally like sulfur because of its content. or try health benefits of lemongrass 6. Fight against bacterial infections and protozoa The benefits of this one have been known for a long time in Guatemala. The people there, use these leaves to fight bacterial infections and protozoa that exist in the body. because according to research, this leaf can serve as an antiseptic 7. O v e r c o m i n g skin diseases The Guatemalan community also uses this leaf to treat skin diseases in a natural way. 8. Accelerate the healing of burns While the benefits of kakawate

leaves as healing burns, already known by the people in Panama. When they experience burns, they immediately make a herbal concoction of this leaf 9. Headache A headache can have many causes. Pain so sharp will make the activity becomes disturbed. Take advantage of kakawate

leaves to heal your headaches 10. Coughs and colds The content of this leaf can also relieve symptoms of a cough and colds in stages. PGC'S HEALTH AND WELFARE ASSISTANCE

The Provincial Government of Cavite (PGC) thru the combined efforts of Provincial Social Welfare and Development Office (PSWDO) and Provincial Treasurer's Office (PTO) facilitated the distribution of welfare assistance to indigent residents of Cavite on January 21, 2019 at the Provincial Gymnasium in Trece Martires City. A total of P 3,061,000.00 was distributed to 864 locals - 684 of whom are recipients of burial assistance, 78

for medical assistance, 54 children with special needs, 23 indigent families, 16 recipients of reintegration assistance to OFWs and 9 for assistance to Out-of-School-Youths. Governor Boying C. Remulla reiterated the local government's willingness to extend help to those who are in need and echoed his commitment in line with his advocacy "Mula sa Bayan, Para sa Bayan". OIC-PCLEDO and Supervising Cooperative Development Specialist Atty. Khervy Reyes and OIC-PSWDO Ms. Daryl Avila were also in attendance during the program. (PICAD)

KALINGA SA KALIKASAN IN CARMONA: Residents of fourteen (14) barangays in Carmona joined the clean-up drive in their barangays in participation to the Provincial Government's Kalinga sa Kalikasan project led by Governor Boying Remulla in Carmona Municipal Plaza on January 31, 2019. The environmental event was also attended by Mayor Dahlia Loyola, Vice Mayor Cesar Ines, Jr., Sanggunian Bayan members and Barangay Captains. They were also joined by Board Member Ivey Jane Reyes and Former General Mariano Alvarez Vice Mayor Perci Cabuhat. -- (PICAD)

HEALTH CARE SERVICES FOR TANZA RESIDENTS: A total of five hundred ninety seven (597) patients were served during the medical and dental mission sponsored by the Provincial Government of Cavite thru the Provincial Health Office and the OPG-Extension Office on February 2, 2019 at the Municipal Annex Bldg., Barangay Bagtas, Tanza, Cavite. The outreach project provided free pediatric and adult consultations to 327 children, 157 adult

and 75 senior citizens and dental extraction to 38 patients. They were also given medicines and vitamins. Volunteers to the event were doctors from Tanza Rural Health Unit led by Dr. Ruth Punzalan, dentists and technical staff from General Emilio Aguinaldo Memorial Hospital (GEAMH). Barangay officials led by Barangay Captain Emmanuel "Boyeth" Mintu were very grateful for the program and expressed their appreciation to Indang Municipal Councilor Ping Remulla who visited them during the mission. Tanza Municipal Councilor Aicel Morales and Association of Barangay Chairman Federation President Simon "SM" Matro were also present to support the activity. -- (PICAD)

Almost 700 Imuseños residing at Golden City Subdivision in Barangay Anabu II-F received free healthcare services on another leg of medical and dental mission by the provincial government of Cavite. On February 4, 2019, Imus City Councilors AJ Advincula and Tito Monzon joined their constituents during the outreach event, thanking Governor Boying Remulla and Congressman Alex "AA" Advincula for the partnership that made the event possible. -- (PICAD)

TRECEÑOS RECEIVE HEALTH CARE ASSISTANCE: As part of its intensive effort to put into service the provincial government's public health programs, the Provincial Health Office in partnership with OPG-Extension conducted another medical and dental mission in Southville II in Brgy. Aguado, Trece Martires City on February 1, 2019. More than 600 Treceños were treated by the medical and dental team of Gen. Emilio Aguinaldo Memorial Hospital. Aside from the health outreach Brgy. Aguado also received (1) unit of ambulance for medical emergencies from the provincial government. Indang Municipal Councilor Ping Remulla, on behalf of Gov. Boying Remulla, handed the key to Barangay Captain Jaime Sierra and other barangay officials. The local leaders and residents expressed gratefulness for the assistance they have received from the provincial government and from the Remulla administration. Other guests present at the event were Tanza Municipal Councilor Lito Langit and Trece Martires City Sangguniang Panlungsod members. -- (PICAD)
