SEOUL - Stronger bilateral relations between the Philippines (PH) and Republic of Korea (ROK) is expected as Department of Trade and Industry (DTI) Secretary Ramon Lopez and Minister for Trade, Industry, and Energy Yoo Myung-hee officially launched the negotiations of the PH-ROK Free Trade Agreement (FTA) on 3 June 2019. During the launch,

Provincial Government of Cavite SANTACRUZAN 2019

In observance of the religious Filipino tradition honoring the Blessed Virgin Mary, the Workplace Organization Committee of the Provincial Government of Cavite led the annual celebration of Santacruzan on May 31, 2019 at the Provincial Capitol Compound in Trece

Martires City. The parade which commemorates the finding of the Holy Cross by Queen Helena was headed by eight little girls in white dresses, each of

them holding a letter of the words "AVE MARIA". They were followed by muses from different offices clad in gowns and representing biblical Queens and their attributes. Ms. Jasmine S. Nacilla of Sangguniang

Panalawigan was this year's Reyna Elena while Ms. Nina Salazar of the Provincial Legal Office was the Hermana Mayor 2019. After the procession, offering of flowers and prayers to Virgin Mary,

the mother of Jesus Christ was held at the Provincial Gymnasium. Ms. Yolanda Manganaan of the Office of the Provincial Governor was named as the next Hermana Mayor for the year 2020. -- (PICAD)

business and investment opportunities.”

“Today’s event was borne on the back of a number of meetings between our Leaders and officials that had served to convey our mutual interest for an FTA. For the Philippines, the FTA means we can achieve improved market access for our agriculture products such as banana, pineapple, and mangoes, as well as industrial products and other services. We are working on better reciprocity of tariff rates and market access of our agricultural and industrial products to improve the balance of trade with South Korea,” said Sec. Lopez.

“These include movement of natural persons and more investment opportunities that could lead to job generation. These also include greater collaboration in innovation, as well as R&D that will support the implementation of our inclusive innovation and industrial strategy,” the trade chief added.

Minister Yoo conveyed that the FTA is a significant step forward to a stronger economic partnership between the two countries. The Minister also noted that PH is very a important trade and investment partner for ROK.

Both ministers

committed to conclude the negotiation of a “comprehensive and future-oriented FTA” by November 2019. The FTA will create favorable conditions for exporters, investors, industries, work force, as well as the micro, small, and medium enterprises (MSME) of both countries.

At the sidelines of the launch of the FTA negotiations, the first meeting of the PH-ROK Joint Commission on Trade and Economic Cooperation (JCTEC) also took place. PH was represented by DTI Undersecretary and

Board of Investments Managing Head Ceferino Rodolfo.

“The JCTEC is equally important as it will tackle a broader perspective of economic cooperation between the two countries,” said Sec. Lopez.

Meanwhile, the DTI chief is set to conduct a roundtable meeting with high-level South Korean business executives from various industries such as construction and infrastructure, tool and die; as well as energy to discuss opportunities in locating and expanding their operations in PH.

Bayer Fund and Gawad Kalinga build feeding kitchens in Bulacan and Isabela

To help address the problem of hunger and malnutrition of a growing number of public school children in Norzagaray, Bulacan and Echague, Isabela, Bayer Fund partners with Gawad Kalinga to build feeding kitchens in the said areas. The central kitchens are expected to produce up to 3,000 vegetable-based meals daily which can help address the hunger and malnutrition of at least 3,000 students.

“It is important that our school children are not hungry when they attend school so that they can concentrate better on

their studies,” said Chat Garrido-Ocampo, Legacy Monsanto Corporate Affairs Head and acting focal person for Bayer Fund. “we expect that school attendance and performance will improve by doing this project and that’s how we can sustainably support public school children to fare better in life.

The feeding kitchens will be built and operated close to the schools and will provide at least 3,000 meals for 220 days. The kitchen will also use locally produced crops which will help local farmers and other small businesses.

MAY TADHANA BA?

1. Ang sabi ng isa ay walang tadhana, Ang tao daw lamang may kontrol sa lupa, Ang nais ng tao, sa sikap at likha, Kaya na daw kamtin ang lahat sa gawa.
2. Ang tanong ko naman, “Paano kung kulang?”
‘Eh di manalangin ang kulang dagdagan.’
Ito ang malimit nilang ikatwiran,
At doon di sila iilag man lamang.
3. Ang ibig sabihin tadhana’y wala pa, Ang sabi ko naman, tadhana’y gawa na.
At ngayon tadhana’y aking ibibida,
Ipapaliwanag, tadhana ay Kanya.
4. Ikaw ba pumili ng iyong magulang?
Kung hindi ay Siya ang pumili niyan.
Ikaw ba pumili ng kilalang pinsan.
Ang Diyos din pumili ng kamag-anakan.
5. Ibig kong sabihin tadhana’y likha Niya, Ang lindol ang bagyo ang baha at sigwa,
Ang tao ay walang papel sa ganyan pa,
Tao’y co-creator sa mga gawa na.
6. Halimbawa dito: Kung nais baguhin,
Ang bato, at nais na ito’y gamitin,
Kongkreto ay likha ng tao sa piling
Co-creator tayo, ibig kong sabihin.
7. Subali’t akala ng maraming tao,
Dahil tayo’y merong nalikha nang plano,
Dahil sa tayo rin ang nagsikap dito,
Likha ay tadhana pag natupad ito.
8. Kung sa unang yugto nitong ating buhay,
Ang tadhana natin ay Diyos ang nagbigay,
Sa hinaharap man gayon din ang tunay,
Atin lang talaga’y pagsunod, pagsuwat.

“We are very pleased to do another project with Gawad Kalinga which not only helps local farmers

ensures the project’s success and sustainability, Ocampo said.

Meantime, Mark Lawrence Cruz, GK Project Head, noted that GK usually gets support for producing meals but not for expanding or building kitchens to produce these meals. “We are happy that we are able to get support from Bayer Fund to build central kitchen facilities so we can expand and improve our operations and reach out to more school children who will exponentially benefit from this project,” Cruz said.

Bayer Fund and Gawad Kalinga will launch the project soon after classes start in June.
