P125.00 DAGDAG-SAHOD AT BENEFISYO NG BARANGAY WORKERS ISINULONG NA NI REVILLA

Ikinagalak ng mga manggagawa nang magtungo si Sen. Ramon Bong Revilla, Jr. sa Senado upang isumite ang mga panukalang batas na kaniyang ipinangako bago maghalalan.

Una sa kaniyang

mga isinumite ay ang dagdag-sahod na P125.00 daily across-the-board para sa mga empleyado at mga manggagawa sa pribadong sektor.

Sinabi ni Revilla na ito ay dahil sa inflation at sitwasyon

ng ekonomiya na hindi na akma ang kinikita ng mga manggagawa sa kasalukuyang gastusin. Lubhang napakababa na nang tinatanggap na sahod ng mga manggagawa kumpara sa

CAVITE HELPS RAISE AWARENESS ON HEMOPHILIA

Medical practitioners in Cavite including city and municipal health officers, doctors and dentists from public hospitals, nurses from the rural health units, members of the PWD federation, employees of the provincial government mainly from the Provincial Health Office (PHO), Provincial Social Welfare and Development Office (PSWDO), Provincial Information and Community Affairs Department (PICAD) and some members of the Hemophilia Advocates Philippines (HAP) convened at the Cavite

Collaboration Center for Public Health Auditorium in Trece Martires City on July 9, 2019 for the first Hemophilia Awareness Symposium in the province.

With the noticeable low level of public awareness and even of some hospital personnel

on hemophilia, the HAP-Cavite Chapter led by Ms. Lota N. Madamba tapped the provincial government through Provincial Health Officer Dr. Gilbert Ilog and Epidemiologist Dr. Nelson Soriano for the conduct of the one-day activity that encompassed talks about the bleeding disorder, its history and how it affects children and female patients. The organization aimed to raise social and political awareness for them to lobby their advocacy and seek legislative measures that will address the hemophilia medical condition.

Dr. Soriano who delivered a message on behalf of Dr. Ilog highlighted the importance of having a Hemophilia Treatment Directory and identification cards of PWH which can be presented to healthcare providers in availing medical and dental services. Likewise, Dr. Soriano underscored the value of the activity, believing in the principle that one must know the enemy in order to defeat it. Education is still the key along with proper information dissemination. He also thanked the attendees for their time and hoped that hemophilia be included in the Universal Health Care Bill.

Provincial Administrator for

Community Affairs Dr. Alvin Mojica visited the activity on behalf of Governor Jonvic Remulla signifying support to the advocacy which gave more hope and strength to HAP-Cavite.

Participants showed much interest to the topics presented, thanking pediatric hematologist from the Korean-Philippines Friendship Hospital and a hemophilia advocate Dr. Melissa Montoya, for sharing significant inputs on pediatric bleeding disorder and a few tips on how to manage cases in children.

Dr. Montoya also shared the vital application of the acronym RICE for patients with hemophilia, which stands for Rest, Ice Packs, Compress and Elevate; while hemophilia in female patients was tackled by Dr. Jayson Dadural, an adult hematologist of Emilio Aguinaldo Medical Center. He said that bruising and other symptoms of hemophilia must be taken seriously and should be consulted immediately to doctors.

In addition, Dr. Montoya told audience that she already recommended to the Department of Health (DOH) for the allocation of Factor 8 (F8) concentrate to the Gen. Emilio Aguinaldo Memorial Hospital (GEAMH). Clotting

PAANO BA AYUSIN?

1. Kapag may problema'y paano ayusin?
Iyan yaong paksa na tatalakayin,
Problema'y paglayo sa normal na tingin,
At sa normal ano ang dapat na gawin.
2. Alamin kung anong bagay ang nagbago,
Sukatin ang layo sa normal na gusto,
Hanapin kung saan naliko nang husto.
Sino ang lumikha at nagkaganito?
3. Matapos makita ang tao at lugar
Na pinanggalingan nitong hindi normal
Suriin ang tao at bigyan ng aral,
At ang lugar naman ayusing mainam.
4. Sa paglutas nitong isang suliranin,
Marapat totoo lahat ay hanapin,
Pumili ng taong doon ay magaling,
At siya'y ilagay sa kanyang tungkulin.
5. Mula sa simulang liko ang proseso,
Doon pasimulang gawin ang trabaho,
Ang taong nangulo sa paglutas nito,
Bigyan nitong utos magreport sa iyo.
6. Wala namang bagay na napakahirap
Na hindi makaya ng taong tutupad,
Bigyan ng suporta at tamang paglingap
Ang ganyang simula ay may tamang sipat.
7. Sapagka't problema ay likas sa atin,
Ito ang pagsubok na kakabakahin,
Sa temang ganito tao'y sinasalang,
At pinatitibay sa kanyang landasin.
8. Hanapin ang tao na nagtatagumpay,
Suriin ang lahat nitong kanyang buhay,
Paano inayos niya ang liko at lumbay,
Doon niya kinuha tagumpay sa kamay.

factor concentrate prophylaxis aims to preserve joint function by converting severe hemophilia (factor VIII or IX less than 1%) into a clinically milder form of the disease. This news provided more hope to PWH given the fact that very few hospitals have the capacity to handle patients with bleeding disorders.

On the other hand, PWHs in Cavite gave testimonials on the challenges they face day by day, from pain levels, to hospital bills, transportation, down to stories of being refused by healthcare providers whenever being informed of their case. To assist them, Social Welfare Officer III Brendalyn Salazar of PSWDO discussed the simplified procedure

and requirements on seeking financial/medical assistance, as well as on requesting for wheelchairs to the Office of the Provincial Governor. She also pledged that their office will lobby for PWH patients to be included in the special cases like chemotherapy and dialysis patients who are qualified to receive financial assistance from the provincial government on a regular term. The statement uplifted the spirits of hemophilia advocates, patients and their families, knowing that their needs are also being addressed by the government.

In closing, PHO's National Blood Program Coordinator Ralph Laurence Figueroa, acknowledged the organizers and

Mayor Lubigan who ran for mayor to continue the work and legacy of her slain husband, city vice mayor Alex Lubigan vowed to deliver services to Treceños and promote transparent leadership. Aware of the huge expectations on her new

task, she gave assurance to the Treceños that she will love the city people, not the position given to her.

Incoming Governor Jonvic Remulla in his short speech thanked all the people behind Mayor Gemma’s victory. He reiterated that if Vice Mayor Alex sacrificed his life, these people sacrificed their time and effort for the new mayor and the city. “Huwag nating sayangin ang

pagkakataong ito”, he stressed. He ended his speech by laying out the plans for the new Trece Martires City.

Other guests who attended the ceremony were newly elected 7th District Board Member Ping Remulla, barangay officials, city government employees, department heads, NGOs, pastors of different religion and other stakeholders. PICAD

konserbatibong pananaw ng pamahalaan para makaraos ang isang pamilya sa kasalukuyang sitwasyon ng ekonomiya.

Ayon sa isang pag-aaral, umaabot na sa P1,200 ang pang-araw-araw na gastusin ng isang pamilya na binubuo ng anim na miyembro na halos doble na ng kasalukuyang minimum wage na P537.00 kada araw sa NCR.

Naghain din ng panukala si Revilla na

magbibigay ng retirement benefit sa mga opisyal ng barangay, kabilang ang tanod, lupon ng tagapamayapa, health workers at day-care workers.

Ayon kay Revilla ang mga opisyal ng barangay ay siyang naghahatid ng serbisyo hanggang sa pinakamababang antas ng lipunan at itinataya na ang kanilang buhay maihatid lamang ang mga pangunahing serbisyo at katarungan para sa mga

Pinoy.

Sa kabila umano nito ay lubhang napakaliit ng benepisyo/honoraria ang tinatanggap ng mga ito gayung sila ang unang kinukonsulta sa halos lahat ng plano, polisiya, programa, proyekto at iba pang aktibidades sa komunidad.

Dahil dito tiniyak na Revilla na panahon na para kilalanin naman ang pagpupursige ng mga nagseserbisyo sa barangay.

participants who made the event possible, underlining the significance of equitable distribution of resources, giving priorities to indigents in the province, since majority of Filipinos with bleeding disorders

live below poverty line as per study of HAP.

Hemophilia is a genetically-inherited bleeding disorder in which the person’s blood does not clot normally. People with hemophilia can experience spontaneous

bleeds with no known cause, internal bleeding and painful swollen joints. Medical scientists have not found a cure yet for what is termed a Royal Disease. Symptoms of hemophilia may include nosebleeds, bruising, bleeding for no reason, blood in urine and stool, nonstop bleeding after a cut, tooth extraction or circumcision or a heavy prolonged menstruation. Understanding hemophilia is a great first leap towards achieving the “Right to Live” campaign of HAP.

There are about 10, 000 Filipinos with hemophilia and about a million others with von Willebrand disease and other bleeding disorders in the Philippines, but only about 1,500 have been registered with the Philippine Hemophilia Foundation.

In Cavite, as of June 2019, according to HAP-Cavite Chapter there are 28 registered patients in their organization while others are yet to be identified. ----PICAD

Foreign Investments Act, Fiscal Regime for the Mining Industry, Real Property Valuation and Assessment; National Transportation Act, Capital Income and Financial Taxes Reform, Excise Tax Rates on Alcohol, National Competition Policy Act, Productivity Incentives, National Innovation and Policy Act, Public Schools of the Future bill (PSOFT), Collective Investment Scheme, New NEDA Law, PNR Authority and PNR Corps, Compensation for SK Kagawads and officers, SKOK or Special eligibility for SK Officers, Moving Barangay and SK elections to 2021, Proof of Parking, National Land Use Act, FinLit Law, Scam Finder Act, Mandatory Reserve Officers' Training Corps (ROTC), and Lowering of Age of Criminal Liability.

Ayon kay Salceda na nanalo ng walang kalaban sa katapos na halalan, tiyak na maaasahan ang malawakan at

makabuluhang mga repormang 'economic, social and political' ng pamunuang Duterte sa susunod na tatlong taon dahil sa 'supermajority win' ng mga kaalyado ng administration sa Senado at Kamara.

Ang panukalang Department of Disaster Resilience ang magiging pangunahing ahensiya ng pamahalaan sa pamumuno, pangangasiwa, at pag-uugnay-ugnay ng mga inisyatibo sa pagtugon sa mga banta ng kalamidad, rehabilitasyon matapos itong manalasa, at patuloy na pagsulong. Sa nakaraang tatlong taon, paulit-ulit na nanawagan si Pangulong Duterte na pumasa ng batas na lilikha nito. Ang TRABAHO bill naman ang ikalawang balangkas ng mga reporma sa buwis ng pamahalaan na magbibigay din ng maraming benepisyo sa mga mamumuhunan.

Layunin ng 'Housewives

Compensation Act' ang pasahurin ang kababaehang itinuturing na "walang pakinabang" bunga ng hindi nila pagtatrabaho sa labas dahil naglilingkod nga sila sa kanilang mga asawa at anak. Lilinawin naman ng amyenda sa 'Public Service Act' ang konsepto ng "public utilities" upang mapalawak ang mga industriyang maaaring pamuhunan ng mga 'investors.' Layunin naman ng 'Public Schools of the Future' (PSOFT) na maging haligi ito ng 'Philippine education' at "ihanda ang mga

magaaral sa mga hamon ng teknolohiya sa naiibang daigdig ng trabaho at ekonomiya sa hinaharap."

Mahaalagang benepisyo rin ang alay ng iba pang panukalang batas ni Salceda, kasama ang 'Internet Speed and Connectivity Emergency Act,' ang '35-hour Work-week for Public and Private Employees, Last Mile Schools Act, Science for Change Program, Mandatory Overpass for Students Safety, and Public-Private Partnership (PPP) Modernization Act,' at iba pa. ###
