DTI 4-A INTENSIFIES ITS MONITORING OF STEEL BARS IN LAGUNA

Due to the reports received that substandard products proliferate in markets especially in areas outside the Metro Manila, the Department of Trade and Industry Region 4-A conducted simultaneous monitoring of steel bars on 05 July

2019 in the province of Laguna.

24 establishments in Cabuyao City, Binan City, and Sta. Rosa City were monitored. The DTI 4-A validated logos and product marking requirements, checking the coverage specified in each

approved logo to identify the scope of manufacturer's license.

"We are intensifying our monitoring activities all throughout the region because we want to protect our consumers by eliminating uncertified, inferior, or substandard products in the market," said DTI 4-A Director

Marilou Q. Toledo.

With the Department's goal to enable a better marketplace and protect consumers from unfair trade practices, the DTI 4-A regularly monitors products to establishments to ensure that the Price Act (Republic Act No. 7581), Price Tag (Republic Act No. 71),

Product Standards (Republic Act No. 4109), Labeling (Article 77 of Republic Act No. 7394 or the Consumer Act of the Philippines), Service and Repair Shops (Presidential Decree 1572), and other Fair Trade Laws are strictly enforced and observed in the market. **MIA CORTEZ**

RECOGNIZING CAVITEÑO YOUNG ACHIEVERS

Governor Jonvic C. Remulla recognized 5 Caviteño young achievers for their outstanding accomplishments in various fields of study which brought pride and honor to the province during the provincial government's flag-raising ceremony on July 15, 2019 at the Provincial Gymnasium in Trece Martires City. The awardees include Maria Aubreanna Beatriz B. Salazar and Juliana Mari V. Legaspi of Tagaytay City Science National School who bagged the gold medal for their study

on Hypoglycemic Activity of Robusta Coffee (Coffea Canephora Pierre Ex. A. Froehner) Silverskin Ethanolic Extract on Alloxan- Induced Type 1 Diabetes in Swiss Webster Mice (Mus Musculus L) in the International Science and Invention Fair 2019 in Bali, Indonesia on June 21-25, 2019. Daniel Jan D.J. Cortez from De La Salle College of Saint Benilde also won the Best Paper Award for his research entitled Investigating the Indirect Effect of Autonomy in the Relationship of Microman-

agement and Creativity during the 9th Annual International Research Exchange and Faculty Development Conference on April 22-23, 2019 at Moscow, Russia. Meanwhile, Jardine Dave V. Ambrocio and Julius Matthew P. Lim, students of Saint Francis of Assisi College won a silver medal in the Math Without Borders (MWB) Winter Round held on February 2, 2019 at Makati Hope Christian School and bronze medal in the 2019 Singapore and Asian Schools Math Olympiad (SASMO 2019) on April 6, 2019 at Amore Academy- Trece Martires City. Governor Remulla congratulated the students for their excellent performance and encouraged them to use the achievement as inspiration for the coming school years. --PICAD

PROVIDING CONDUCTIVE BUSINESS ENVIRONMENT TO CAVITE MSMEs

Cavite entrepreneurs who successfully completed the BIZ iCREATE - Cavite's Responsible Entrepreneurs Aiming Toward Economic Sustainability program were given the opportunity to promote their business products at the #taraCAVITetayo Trade Fair and Exhibit which was sponsored by the Union Bank (UB). The event which was conceptualized after the recently held 2019 Cavite Business Expo in Tagaytay City opened on July 15, 2019 at The Ark by Union

Bank at the Ground Floor of Insular Life Building in Ayala Avenue, Makati City.

Exhibitors were provided a five-day run to showcase their products with the assistance of the Provincial Cooperative Livelihood and Entrepreneurial Development Office (PCLEDO) under its Officer-in-Charge, Atty. Khervy Reyes. The activity is also part of the continuous business guidance from PCLEDO in order to enhance their knowledge in managing the business for economic

sustainability.

Union Bank took the initiative to support MSME development and offered a perfect venue for a conducive business environment. During the first day of exhibit, the entrepreneurs, organizers and guests were welcomed by UB-Dasmariñas Branch Manager Mr. Alvin Ferrer and by PCLEDO Entrepreneurial Division Head Ms. Liza C. Gabatan.

According to UB Manager Ferrer, the exhibit set-up was initially geared to have MSMEs use the QR platform or cashless transaction. However, seeing that they are not that adept to the technology, they opted to do over the counter and machine deposits. Since alternative sources of financing for business-startups and expansion are very vital to MSMEs, UB will also get the chance to promote their business development products and services to clients and would-be entrepreneurs throughout the event.

Meanwhile, Ms. Gabatan of PCLEDO

thanked the kind assistance of Union Bank, as well as the cooperation of MSMEs, on behalf of Cavite Governor Jonvic Remulla and their OIC Atty. Reyes. She wished for further success of the BIZ iCREATE graduates and for stronger ties among private stakeholders that can champion MSMEs globally. She also lauded the support of the Provincial Tourism and Cultural Affairs Office headed by Provincial Tourism Officer Ms. Rozelle Sangalang through provision of various promotional and media collaterals, which added life and colors to the exhibit.

Among the exhibitors who have maximized their potential in business through the trade fair which will run until July 19, 2019 are Ms. Ma. Isabel Punzalan of Delfa's Food Products, Inc.; Ms. Susan Tenorio of San Lit Spread; Ms. Ruby Jimeno of RTJ Enterprise; Ms. Angelica Chongco of Mayumi Organics; Ms. Gina de Gala of Flowers and Vase Event Styling, and Mr.

PAG-ASA

1. Ang isang pag-asa'y pinakamainam,
Sa lahat ng virtue na napag-aralan,
Virtue ay ang budhi't gawang kalinisan,
Magandang batayan nitong katauhan.
2. Pito yaong Virtues na hantad sa atin,
Faith Hope at Charity, Temperance at Prudence,
Fortitude at Justice, pito na magaling.
Sila'y pitong Virtue ng taong butihin.
3. Kung ang pananalig natin ay mawala,
Timpi at talino, tatag, kawanggawa,
At saka hustisya ay mawala din nga,
Pag-asang natira'y magandang simula.
4. Pag-asa ay parang araw na sisikat,
Matapos ang dilim ng mga bagabag,
Sa haba ng gabi, tao na naghirap,
Alam na pag-asa'y darating sa pugad.
5. Habang may buhay pa ay merong pag-asa,
Ito'y kasabihan na ating minana,
Tama naman ito sa lahat ng porma,
At dapat na dito ay maniwala ka.
6. Subali't mahirap na paniwalaan,
Ng taong gulapay sa kapighatian,
Na may pag-asa pa sa kinabukasan,
Maliban may tulong na maaasahan.
7. Kaya ang NGO ay naging pag-asa,
Ng mga nilalang na pawang nagbata,
Lipunang malawak nanood sa dusa,
Nguni't tulong nila ay hindi nakita.
8. Pag-asa ay huing pagkapit sa buhay,
Kahit halos wala yaong mga suhay,
Datapwa't sa diwa'y nakita ang silay,
Na may pag-asa pang tatapos sa lumbay.

Royette Candanido of Royette's Ice Cream Mfg. These entrepreneurs are beyond grateful to the provincial government of Cavite, PCLEDO and Union Bank for the

assistance to them from the beginning - from positively transforming their mindset up to linking them to different platforms that will boost their business.--PICAD

Tagaytay, 10 Cavite towns now drug cleared

IMUS CITY, Cavite -- Tagaytay City and 10 other Cavite towns are among local government units (LGUs) that have been cleared of illegal drugs since the provincial police office has pursued its campaign against drugs, an official said Thursday. In a report, Col. William Segun, Cavite Provincial Police Director, said 11 of the 23 Cavite towns and cities made their way to the list. "We are still in the process and continue

to conduct operations against illegal drugs in our province. I have day-to-day monitoring on each police station," Segun said in an interview. The 10 towns include Naic, Alfonso, Indang, Amadeo, Bailen, Magallanes, Maragondon, Mendez, Ternate and Noveleta. Cavite City has only 36 out of its 84 barangays, while Rosario has seven out of 20 barangays that are cleared of the illegal drugs.

Segun said other towns are still striving to be drug-cleared, including Carmona where its eight villages have been 57.14 percent drug-free. Cities of Bacoor, Cavite, Dasmariñas, General Trias, Imus and Trece Martires; while towns of Rosario, Silang, Tanza, Carmona, Kawit and General Mariano Alvarez (GMA) remain as drug-affected localities. Based on the provincial police record, around 382 out of 829 barangays in the province are cleared of illegal drugs. (PNA)

Gardenia in Pampanga - a distribution gateway to the North Luzon region

Mabalacat, Pampanga - Gardenia president Jun Umali highly assures Gardenia is bringing the future of breadmaking here in Central Luzon and excited to embrace the limitless possibilities in the North Luzon region as they officially open a completely new and automated bread plant in Pampanga.

Gardenia Bakeries inaugurates a fully-automated bread manufacturing facility inside TECO industrial estate in Mabalacat, Pampanga strategically situated near two major expressways, the North Luzon Expressway (NLEX) and the Subic-Clark-Tarlac Expressway (SCTEX). It offers an efficient trade and distribution gateway to the North Luzon region all the way to Ilocos and Cagayan Valley as well as Central Luzon provinces.

Umali explained the plant inauguration's theme 'Bake to the Future 2.0'. "For the first time in Gardenia's history in the Philippines, Gardenia Bakeries opens two huge factories with sophisticated technologies in a span of four months. This is truly a significant milestone for Gardenia in its 21 years in the Philippine bakery industry," Umali stresses.

He also described how Gardenia applied the best technologies on its new production line. "The whole plant is computer-controlled starting from the use of an upgraded concept in the ingredient handling and makeup systems, proofing, use of robotics in handling baking pans and a unique technology in the depanning process which promises to be gentle to the bread, completely untouched by human hands,"

Gardenia in Pampanga Ribbon Cutting led by its President Jun "Simplicio" Umali with Ms. Tina Domondon the Gen. Manager of Vita Food Products Inc., in charge of bread production and Marketing Manager Nestor Constancia of Gardenia Bakeries Philippines ensures the marketing and distribution of finished Gardenia products all over the nation. (Photo by Lito Ochotorena/NSD-PAPI)

Umali said.

"The use of tumbler to check all four sides of the loaf bread and the presence of tornado cleaner to ensure all baking pans are clean and free of crumbs were also incorporated in the process," Umali added.

The oven baking system will continue to use environment-friendly liquefied petroleum gas (LPG) like in the other Gardenia factories.

Umali highlighted, "all equipment, machines and baking technologies are sourced from the best baking equipment suppliers from all over the world including Germany, the Netherlands, Japan and the USA. We also added new equipment suppliers that will enhance the whole baking process."

"The expertise in making advanced equipment from different sources operates as one integrated and a fully automated system is a proprietary technical capability developed by Gardenia in its factories in Asia. This fusion of technology differentiates us from the competition," Umali asserted.

The sophisticated technology partnered with

a proprietary manufacturing process and combined with premium and finest ingredients all contribute to the freshly-baked aroma, softness and delicious taste of world class Gardenia breads Filipinos love.

Umali also shared that the plant is designed to allow consumers to visit and witness the modern baking process through a catwalk plant tour especially for consumers from North Luzon.

Wide array of high quality breads

Umali further noted that the new plant will be Gardenia's second largest facility, next to its Laguna plant. "This new factory has a white loaf production line, a flavored loaf line, a bun and pandesal line and a snack toast line. With these four new production lines, the Pampanga factory will be able to produce nearly 400,000 loaves and buns every day ready for delivery to supermarkets, groceries and convenience stores," he said.

Vitabread Food Products Inc handles bread manufacturing for the North and Central Luzon bread needs, and support Metro Manila markets;

while Gardenia Bakeries Philippines ensures the marketing and distribution of finished Gardenia products.

Tina Domondon, Vitabread General Manager, explained that wide selection of Gardenia products will be produced in the Pampanga bread facility, including white breads, health bread selections, flavored loaf offerings, buns or pandesal, and Neubake loaf and bread rolls.

Strategic bread factory location

The P 2-billion plant is located adjacent to major transportation hubs of Subic Sea Port, Clark International Airport and the newest business district, Clark Global City. Umali explained that the new [bread] plant is accessible for direct logistics connections, "All of our plants are strategically located. For instance, in case of breakdowns or natural disasters, our plant in Pampanga can supply Metro Manila up to South Luzon. Same is true for our bread factories in Cebu and Cagayan de Oro. Our Cagayan de Oro manufacturing facility can serve the Visayas market, or the Cebu plant can be a backup for the Mindanao plant, in case of unforeseen events."

Meanwhile, Domondon revealed current logistics and distribution capabilities, "Gardenia is reaching Benguet, Ifugao, Mountain Province, Isabela, Kalinga and as far as Cagayan. With Vitabread

Gardenia President Jun Umali shows how their Pampanga plant operates all equipment, machines and baking technologies as sourced to enhance their whole baking process, coming from the best baking equipment suppliers from all over the world including Germany, the Netherlands, Japan and the USA. (Photo Courtesy of Media Blitz)

in place, we will be able to reach even the smallest stores in these regions and nearby areas. Gardenia bread in every corner of the community, we will make it possible," she said.

When asked about the pollution effect of the coal-fired power plant where TECO is one and the recent home of Gardenia in Central Luzon, Umali explained prior entering into contract with TECO, Gardenia Philippines visited the entire area within the plant to inspect any leak of emission the plant might exposed. Fortunately TECO is a compliant of all the permits needed to operate particularly the ECC from the DENR. And their location is almost 2km away from the TECO plant compound.

Increased bread supply all over the country

"With the two new bread factories, the Mindanao and the North Luzon plants, Gardenia now has a combined capacity of producing more than 1.8 million loaves and buns

per day, serving the bread requirements of Filipino consumers nationwide. The increased production capability and expanded operations require more extensive market saturation, new area penetration and wider distribution coverage to reach more Filipino consumers in the farthest north and farthest south of the Philippines," Umali explained.

Filipinos are now assured of increased and sufficient supply of freshly baked Gardenia products every day and especially during peak demand seasons like Christmas and New Year.

"As the market leader in the industry with more than 60% market share, we can contribute in ensuring food security and continuous supply of breads, not only during long weekends or when there are special occasions, but also even when there are typhoons, flooding or earthquakes," Umali asserted.

Umali also cited the

DOST Showcases Solutions to UN Sustainable Development Goals in Science Fair

This year's exhibit of the Department of Science and Technology (DOST) in celebration of the 2019 National Science and Technology Week will be especially relevant as the country transitions into what has been termed as the Fourth Industrial Revolution.

Scheduled to be held on July 17 to 21, 2019 at the World Trade Center in Pasay City, the 2019 NSTW carries the theme "Enabling Technologies for Sustainable Development", and will showcase how science and technology is addressing the United Nations' Sustainable Development Goals (SDGs) which aim to end global poverty, protect the planet, and ensure peace and prosperity for all.

There will be multiple displays put up by the different DOST agencies highlighting the S & T solutions for each of the 17 SDGs. The Regional Offices (ROs) booth, for example, will showcase

three (3) of these goals, namely: No Poverty (SDG 1), Decent Work and Economic Growth (SDG 8), and Peace, Justice and Strong Institutions (SDG 16).

For the No Poverty exhibit, DOST will show how the Community Empowerment through Science and Technology (CEST) program has contributed to poverty alleviation in the countryside. To increase the public's awareness about the assistance of DOST to MSMEs and communities, success stories of beneficiaries assisted by the different DOST Regional Offices will be presented in dioramas. Majority of those stories will focus on CEST beneficiaries especially the Best CEST Awardees. CEST products will also be on display, such as bags and candles from Barangay Poblacion, Muntinlupa City, a DOST-NCR-assisted community.

The Decent Work

and Economic Growth exhibit will focus on making micro, small, and medium enterprises (MSMEs) SMARTER – Socially Responsive, Market-Oriented, Agile, Resource-Efficient, Technology-Intensive, Environment Friendly, and Resilient – through the Small Enterprise Technology Upgrading Program (SETUP) 2.0, with technology demonstrations featuring equipment of SETUP beneficiaries such as CNC laser marking machine, 3D printing machine and form fill seal machine. The concept will show how DOST's SETUP helps in increasing the capability and productivity of MSMEs and subsequently contribute to the country's economic growth.

Lastly, the Peace, Justice and Strong Institutions booth will highlight the S&T initiatives in Marawi's Rehabilitation such as livelihood and innovation system support projects, scholarship, and complementary feeding programs for Maranaos who have been displaced by the Marawi Conflict. These are but a few of the DOST assistance that helped the affected residents to start their lives anew.

The Regional Offices' exhibit will also have a Gamezone area featuring interactive activities for kids, an Innovation Lounge to provide a venue for sharing of innovation best practices, training series, and technical consultancies, a Wellness

Garden introducing the vertical helophyte technology used in water filtration and a Souvenir Shoppe by OneStore where visitors can buy souvenir items produced by DOST beneficiaries.

NSTW is celebrated every third week of July by virtue of Proclamation No. 169 of 1993, to highlight the significant contributions of science and technology to national development. It has also become a platform for heralding S&T advocacy in the country.

As in previous years, DOST-NCR has taken the lead role in the execution of the ROs exhibit booth.

Admission to the 2019 NSTW is free and the exhibits will be open from 1PM to 6PM on July 17, and 8AM to 6PM on July 18-21. For more details and information about the different exhibits, forums, and activities during the National Science and Technology Week 2019, please log on to nstw.dost.gov.ph###

EDITORIAL

Ang ating kalupaan ay mga pulo. Pagdating ng ulan, ang yaman ng lupa ay madaling anurin sa ilog patungo sa dagat, kaya ang ating lupa ay madaling mawalan ng pataba. Ito rin ang dahilan kaya ang ating mga dagat ay mayaman sa mga pagkain. Kung ito ay lubos nating mapag-aaralan at malulutas ay malaking bagay na sa pag-unlad at sa pagsisikap na maiayos lahat ang ating mga problema.

Gardenia...

(from p. 1)

importance of its logistics and distribution capabilities to ensure wider reach and market coverage. "As we bring our fresh, great-tasting quality products to more and more Filipinos, we will definitely expand our fleet of trucks all over Luzon and Metro Manila to distribute across various distribution channels," Umali said.

Gardenia's rapid sales growth makes it necessary

to add more plant facilities to cater to the increasing bread demand in the Philippines.

"While we are a rice-eating country but due to lifestyle changes and increased health consciousness of Filipinos, bread consumption is growing," he explained. Umali added that the Philippines' consumption of bread per person is still lower compared to

its neighbouring countries like Malaysia and Singapore, which is about three to five times more per capita. With increased supply and availability of quality and great-tasting bread, consumption is expected to grow faster.

Also Umali happily announced their office is willing to coordinate with government and non-government agencies when it comes to the aspect of their community social services.

Funnside Ningnangan... (from p. 2)

founded to cater to the meticulous palates of the Filipinos is about to rise. Expect that it would start operating this coming July 27, Saturday.

What is Funnside Ningnangan? Funnside Ninangnangan originated from Apalit, Pampanga. As we all know, Kapampangan dishes are to die for. It all started with the small grill resto owned by Mrs. Librada G. Manlapaz. With her love and passion for cooking, she decided to put up a catering business. In line with this was her intention to provide jobs to her relatives and neighbors. Unexpectedly, her small resto and her catering business could not meet the demands of the clients and customers, so she felt it was time to move up to the next level.

Meanwhile, Mrs. Manlapaz used to have a regular customer in the person of Architect Jhong F. Naguit. Being a native of Sto. Tomas and a brother of the town mayor, he

envisioned Sto. Tomas to be not just a pottery and casket making center of the province but also a haven of delicious food and good place to eat. Thus, with the collaboration of two individuals, Funnside Ningnangan was born. Its name was derived from Mrs. Manlapaz's resto FUNNSIDE where Architect Naguit added NINGNANGAN, a Kapampangan word which means, IHAWAN or GRILL.

Their first Funnside Ningnangan baby was born on September 09, 2011 at San Matias. They started simple but later on, customers could not get enough so after ten months of operation, they expanded. From a 15, Funnside San Matias now has 500 seating capacity. Ten months after, Funnside Ningnangan Angeles City was opened. The resto of Mrs. Manlapaz in Apalit was converted to Funnside Ningnangan, Apalit with 430 seating capacity.

That's where it all

started. At present, they now have branches in San Matias, Apalit, Angeles, San Fernando, Guagua, Mexico, Gapan, Pulilan, Sta. Maria, Guiguinto, Marilao, Caloocan, and Dinalupihan. Thirteen branches all in all in just a matter of 8 years. Funnside Ninangan is soon to operate in Kawit starting July 27, 2019. Another site is currently under construction in Bacoor, Cavite. It's vision of growing from 7 to 20 stores by the year 2020.

What makes it different from any other Kapampangan restaurants? Funnside Ningnangan, is sure to offer fresh and quality food served in a nipa hut with cooling ambiance and they also have a team of people who make sure you get excellent customer satisfaction beyond your expectations. That is why there is the fun side of Kawit and its neighboring towns. This is something to look forward to, so beat it, Kawit!

Emergency Preparedness Forum at SM Center Muntinlupa

(from left to right): Marlo Niko Alvarez, Mall Manager SM Center Muntinlupa; Johanna Melissa Rupisan, SAVP for Operations; Dr. Ted Esguerra together with his son; Jeffrey Perez; Karren Yenko, Assistant Mall Manager SM Center Muntinlupa, and John Brian Tarnate – Regional Operations Manager – Central 5

SM Center Muntinlupa, through its socio-civic arm SM Cares, hosted the recently held Emergency Preparedness Forum 2019. This program aims to strengthen SM's commitment to promote awareness and provide a safe and barrier-free environment for the elderly and persons with

disabilities.

Invited speakers were Mr. Jeffrey Perez, Supervising Science Research Specialist of Philippine Institute of Volcanology and Seismology (PHIVOLCS) and Dr. Ted Esguerra who is an active member of numerous emergency preparedness and disaster response units.

A total of 250 attendees from the Office of the Senior Citizens Affair (OSCA) Muntinlupa and Muntinlupa Federation of Persons with Determination actively participated during the event.

"We want to ensure that SM is indeed a place

for all, and it is thru these seminars and orientations that we get to prepare and protect the elders and PWDs from the harm of natural disasters, such as earthquakes. For more exciting events like and follow SM Center Muntinlupa on Facebook and Instagram or call 862-5873. KCHT

HIV-AIDS AWARENESS CAMPAIGN

To raise awareness and educate the young generation about Human Immunodeficiency Syndrome (HIV-AIDS), the Provincial Health Office conducted the

first leg of the awareness campaign led by Ms. Haydelisa Maderazo, provincial HIV-AIDS coordinator in cooperation with Trece Martires City Health Office at Granby Colleges of Science and Technology in Naic, Cavite on July 12, 2019. Other topics included in the campaign were Understanding Drug Use and Addiction and Tuberculosis Awareness discussed by TMCHO staff Anna Diomela Bragais and Baby Reden Erni, respectively. Almost 150 senior high school students of GCST participated attentively and asked questions regarding the topics during the lecture.--PICAD

AMADEO FOLKS GET FREE MEDICAL ASSISTANCE

Almost 500 Amadeo folks get free medical assistance from the health outreach program spearheaded by the OPG-Extension Office and the Provincial Health Office thru the request of Municipal Tourism Office on July 15, 2019 at the Municipal Covered Court. Doctors and dentists from PHO and its satellite hospitals provided free check-up, consultation and dental services in partnership with Amadeo Municipal Health Office together with barangay health workers and nutrition scholars who voluntarily assisted in the activity. Mayor Redel John Dionisio along with 7th District Board Members Ping Remulla and Lito Langit welcomed the mission team and expressed gratefulness to the provincial government for giving priority to public health programs for all Caviteños.--PICAD

PETITION FOR THE ADOPTION OF MINOR SOPHIA JAMELLA MONTON ESGUERRA AND CHANGE OF NAME FROM "SOPHIA JAMELLA MONTON ESGUERRA" TO "SOPHIA JAMELLA MONTON BALBUENA"

SP. PROC. NO. NC-2019-10
For: Adoption

SPOUSES KARLO ANGELO T. BALBUENA AND VANESSA MONTON BALBUENA,
Petitioners,
X-----X

ORDER

A petition has been filed by SPS. KARLO ANGELO T. BALBUENA AND VANESSA MONTON BALBUENA, respectfully praying that after due notice and hearing, a decision be rendered granting the petition issuing the decree of adoption to retroact to the date of the filing of the instant petition; declaring the minor SOPHIA JAMELLA MONTON ESGUERRA as the legitimate child of SPOUSES KARLO ANGELO T. BALBUENA and VANESSA NUESTRO MONTON for all intents and purposes; declaring that the minor is released from the care, custody and parental authority of her natural father, JEFFREY TAN ESGUERRA; ordering the Clerk of Court to issue to the adopter a certificate of finality upon expiration of the 15-day reglementary period; ordering the adopter to submit a certified true copy of the decree of adoption and certificate of finality to the Local Civil Registrar of Trece Martires City, Province of Cavite within 30 days from receipt of the certificate of finality; ordering the appropriate Local Civil Registrar to change the name of the minor "SOPHIA JAMELLA MONTON ESGUERRA" TO "SOPHIA JAMELLA MONTON BALBUENA", ANNOTATE ALL THE NECESSARY DOCUMENTS UNDER ITS Office to reflect the Decree of Adoption and comply with any and all requirements as may be provided by law.

Notice is hereby given that the petition has been set for haring on **August 14, 2019 at 1:00 in the afternoon in the Regional Trial Court Branch 15, Naic, Cavite**, on which date, hour and place, interested parties may appear and show cause why the petition should not be granted.

Let copies of this Order and petition be furnished to the Office of the Solicitor General and the Department of Social Welfare and Development. The latter is hereby directed to conduct a case study of the petitioners and the minor to be adopted, and submit a report to this Court as soon as possible.

Let this Order be published once a week for three (3) consecutive weeks in a newspaper of general circulation in the Province of Cavite and in the Philippines.

SO ORDERED.
Naic, Cavite, June 7, 2019.

50 couples exchange 'I Dos' in mass wedding

GENERAL TRIAS CITY, Cavite -- A total of 50 couples sealed their vows during a civil wedding ceremony at the General Trias Convention Center here Friday.

Mayor Antonio Ferrer solemnized the wedding rites, offered by the city government free of charge, to legalize the couples' live-in union. Vice Mayor Morit Sison and city councilors stood as godparents.

"We do this yearly to help unmarried couples who have been in partnership and convenient union, get their marriage legalized for free, as their (marriage) contracts are required by their children as a school requirement," Ferrer said.

The city government shouldered the expenses for the "Kasalang Bayan" (mass wedding) that benefitted the 50 couples, 25 of whom were members of the Pantawid Pamilyang Pilipino Program (4Ps) and could thus not afford church or civil nuptial rites.

"I also advice the newlyweds to settle any misunderstanding within the day, and never leave it (till) tomorrow -- any rift (that) could affect the family relationship," the mayor said.

In an interview,

KASALANG BAYAN. A total of 50 couples exchange vows at the "Kasalang Bayan" hosted by the city government at the convention center in Barangay Sampalukan, Gen. Trias City, Cavite on Friday (July 12, 2019). The city government sponsors the annual mass wedding to legitimize live-in partnerships and help provide these couples a marriage contract, which is a requirement when their children attend school. (Photo by Dennis Abrina)

City Civil Registrar Arlyn Bugtong said the city government shouldered the processing of the documentary requirements and the wedding reception.

"With this matrimonial rite, the now married couples could legitimize the status of their children. (The) process could take only less than a month, pursuant to the Family Code of the Philippines that eases the legalization process," Bugtong said.

To spice up the wedding reception, the local government presented awards to the Early Bird Couple; Best in Wedding Gown; Best Groom Suit; the couple who lived together the longest; Oldest Bride and Groom; Youngest Bride and Groom; and the Pregnant Bride. (PNA)

Relief goods are being distributed by Red Cross Cavite, Bacoor Vice Mayor Karen Sarino Evaristo, Provincial Board Member Aba Gawaran, and Bacoor City Councilors to the families affected by the recent fire.

The City Government of Bacoor recently launched *Alagang Ate Lani: First 1000 Days*. An initiative aimed at eradicating malnutrition in the City of Bacoor, it includes health and nutrition programs for pregnant women and their children.

Bacoor City Mayor Lani Mercado Revilla attended the launch alongside Councilor Alde Pagulayan, Regional Nutrition Program Coordinator Carina Santiago, Provincial Nutrition Program Coordinator Angeles Peñalba, Nutrition Officer III

Ma. Lourdes Orongan, and members of the City Nutrition Council. The activity was facilitated by the City Social Welfare and Development Office headed by Emiliana DR Ugalde and City Nutrition Action Officer Cristina Elalto.

Nanumpa sa tungkulin ang mga bagong halal na opisyal ang ilang samahan sa lungsod na pinangunahan ni Mayor ELM at VM Ony.
