DTI SEEKS INITIAL P300-M FUND TO BANKROLL INNOVATION LAW

**DEPARTMENT OF
TRADE & INDUSTRY
PHILIPPINES**

MANILA -- The Department of Trade and Industry (DTI) is seeking an initial PHP200 million to PHP300-million revolving fund for the implementation next year

of a new law supporting the innovation activities especially of micro, small and medium enterprises (MSMEs) and enable them to become part of the global market.

DTI Secretary Ramon Lopez said the law, the Philippine Innovation Act, provides a revolving grants fund of PHP1 billion sourced from the General Appropriations Act (GAA), and will be administered by the National Innovation Council (NIC).

"We are making an appeal to Congress, the Senate as we deliberate on the budget to include this part (revolving fund)

that is included in the law but was not included yet (in the budget) kasi halos sabay, bagong labas yung law at the same time nagde deliberate na sa budget for 2020 (the new law was just recently signed while the 2020 budget is being deliberated)," he told reporters Monday on the sidelines of inclusive innovation conference.

Lopez said the amount will be used to support industries that shift into digital transformation, and businesses undertaking innovation activities.

He pointed out the law declares innovation as a vital component

of national development and sustainable economic growth.

The Trade chief further said the implementing rules and regulations (IRR) for the Philippine Innovation Act, as well as of the Innovative Startup Act, another landmark law on innovation, are currently being formulated and are expected to be out by next month.

Meanwhile, Lopez also bared they are looking for the establishment of startup ecozones nationwide as provided by the Innovative Startup Act.

"Right now, we

Trade Secretary Ramon Lopez

are looking at ecozones for startups, not the usual PEZA (Philippine Economic Zone Authority) ecozone... it could still be under BOI (Board of Investments) but could be separate kasi (because) this is under the law," he said.

The law also creates under each lead host agency a startup grant fund to provide initial and supplemental grants-in-aid for startups/ startup enablers. It also calls for the creation of startup visas.

The DTI, Department of Science and Technology

(DOST), and Department of Information and Communications Technology (DICT) are lead host agencies to promulgate appropriate policies and guidelines for the coordinated implementation of the program.

"It can be a co-working space type, as long as the other enablers and support, digital infrastructures, internet are there to support their operations (to) lower their cost. Practically, those are the usual needs (of startups)," Lopez added. (PNA)

Kakailanganin na itigil pansamantala ang operasyon ng PWTP2 sa loob ng 10 araw para maisagawa ang aktibidad na ito.

Dahil dito, pansamantala ng mawawalan ng tubig ng ilang oras kada araw

ang ilang lugar sa aming concession area simula Setyembre 27, 2019 (Biyernes) hanggang Oktubre 7, 2019 (Lunes). Nakasaad sa ibaba ang mga apektadong lugar at ang kani-kanilang water supply interruption schedules.

Matapos ang nasabing proyekto, mapapalakas ang water production output ng Maynilad treatment facilities sa may Laguna Lake area. Mula sa kasalukuyang 250 MLD, aabot na sa 300 MLD ang sinusupply na tubig ng

PAGKAKAPANTAY-PANTAY

1. Ang pagkakapantay saka kalayaan,
Sila ang dalawang ating karapatan,
Kasama ng ibang may kahalagahan,
Bigay nitong Langit at Batas ng bayan.
2. Subali't pantay ba kung ating suriin?
Dukha ba't mayaman pantay ba sa turing?
Sa batas pantay raw at dapat purihin.
Subali't sa ibang bagay ay hindi rin.
3. Pantay dapat yaong karapatang banggit,
Dukha dapat merong karapatang giit,
Subali't ang dukha ay laging maliit,
Mayama'y malaki, mahirap ay daig.
4. Sa pagkuha nitong gustong edukasyon,
Siyempre ang mayaman ay nauna doon,
Kulang sa salapi ang dukha ng nasyon
Pantay sa salita, sa gawa di gayon.
5. Itong patakarang nagbago sa bayan,
Libre matrikula mga pamantasan,
Ng ating estado sa lahat ng lunan,
Dukha'y nakasunod sa mga mayaman.
6. Subali't ang bansang tulad ng sa atin,
Na ang mamamayan D.H. sa gawain,
Sa bansang mayaman sila dadaigin,
Marami na tayong nakitang sinaling.
7. Kaya ang marapat tayo ay magsikap,
Kunin yaong dunong na ating pangarap,
Sikap mag-impok at saka magtatag
Manatili, tayo sa sariling pugad.
8. Pagka't sa malayong bayan pag nagtungo,
At tayo'y tumanggap ng isang trabaho,
Laluna't mababa ang nakuhang suweldo,

Sen. Revilla to DBM: Find funds for gov't salary increase

The Senate Committee on Civil Service, Government Reorganization and Professional Regulation on Tuesday explored all possibilities of implementing salary increase for government workers, especially rank and file employees who are

in "financial trouble." Led by Committee Chairman Sen. Bong Revilla, the public hearing focused on Salary Standardization Law V, Salary Increase and Granting of Additional Benefits for Teachers. In his opening statement, Sen. Revilla said

that he is aware of the urgent need to implement a viable and fair salary increase for all government employees to help augment their source of income and provide a decent living for their families.

He ordered representatives of the Department of Budget and Management (DBM) to find funds to implement the said increase.

He also emphasized that the "green light" for the salary increase was given by no less than Pres. Rodrigo Duterte during his 4th State of the Nation Address last July 22.

During the hearing, invited panellists hailing from Civil Service Commission (CSC), Department of Budget and Management (DBM), as well as various government and labor sectors and groups,

raised their personal concerns surrounding the implementation of salary increase for gov't workers.

It was revealed that some government employees are forced to pawn their ATM cards as collateral for loans. Other employees even face the trouble of being arrested because of their failure to pay their loans on time.

Sen. Bong Revilla stressed the importance of

the salary increase for gov't workers so that they will no longer fall prey into loan sharks and other lenders who would pressure them if they fail to follow their payment schedule.

He also asked all concerned parties to submit their position paper, and confirmed that he will create a technical working committee to scrutinize the matter.###
