ANTI-TERROR BILL TO PROTECT PH PEACE, SOVEREIGNTY: DILG

MANILA – The Department of the Interior and Local Government (DILG) on Wednesday said the new anti-terrorism bill certified as urgent by President Rodrigo Duterte will preserve the country's sovereignty and promote peace.

"The intention of the Anti-Terrorism Bill of 2020 is to preserve our

sovereignty, promote peace, and ensure the safety of our people. Once the bill is passed into law, our government will become more capable and more earnest in seeking out individuals and groups that threaten our peaceful way of life, and put them all to justice," said Interior Secretary Eduardo Año in a statement sent to the

Philippine News Agency.

He added that the proposed law has more teeth to curb terror threats and acts and adequate measures to prevent abuse.

"We witnessed how acts of terrorism cultivated oppression and birthed injustices throughout the archipelago. We saw how it caused indefinite delays in the development

of infrastructures that should have stimulated the local economy, and disrupted programs which were intended to provide for the basic needs of peace-loving Filipinos," he said.

He assured that the proposed measure "will never be a threat to our human rights" and would only address the problem

Donasyong lupa ni Gov. Remulla sa bayan ng Alfonso, ginawang taniman

Ayon kay Alfonso Mayor Randy Salamat, ang dalawang ektaryang lupa na donasyon ni Governor Jonvic Remulla ay ginawang farm ng bayan upang makatulong sa mga mamamayan nito.

Ginawa muna itong taniman ng Pamahalaang Bayan ng Alfonso upa-

ng mapakinabangan ng mga residente ang ani na makukuha rito.

"Ito ang 2 hectares na lupa sa Mangas 2 na donasyon ng ating magiting na Gov. Jonvic Remulla sa Pamahalaang Bayan ng Alfonso." ani Salamat.

Dagdag ng alkalde, sa nasabing lupa in planong

itayo ang bagong munisipyo ng bayan.

"Ginawa muna natin itong farm upang mapakinabangan muna ang ani nito ng ating mga mahal na kababayan at dito din itatayo ang ating pangarap

na bagong munisipyo."

of terrorism.

Año, meanwhile, slammed some groups for propagating twisted and negative perceptions about the bill to entice public disapproval.

"Allow me to assure all of you now, that there is not a single article or section in this bill that diminishes the constitutionally-granted right to free speech and expression, or the right to a free press," Año said.

He said the current version of this bill is a product of countless deliberations and thorough study to ensure that the Filipino people will be able to "sleep soundly at night" and that the country will be protected and preserved.

"Thus, the passage of this law will strengthen the foundations of a more peaceful and progressive Philippines, not only for us but the future generations as well," he said.

In February, the Senate passed Senate Bill

1038 or proposed Anti-Terrorism Act of 2020 on third and final reading.

Two committees at the House of Representatives approved their version of the measure, which is similar to the Senate version on May 29. The chamber passed the measure on second reading on Tuesday.

Under the bill, persons who voluntarily and knowingly join any organization, association, or group of persons knowing that such is a terrorist organization, shall suffer imprisonment of 12 years.

Suspected persons can be detained for 14 days without a warrant of arrest with an allowable 10-day extension.

A 60-day surveillance on suspected terrorists can also be conducted by the police or the military, with an allowable 30-day extension.

4. Itong service sector bigay ay serbisyo, At alaga nito'y ang nais ng tao, Restawran, sinehan, sasakyan, merkado, Para sa local at dayuhang turismo.
5. Lumalago tayo sa dami ng luwas, Humihina tayo pag tao'y umiwas Sa gawaing bukid at sa aking watas Nagtungo sa lunsod at yaman ang hanap.
6. Humihina tayo pag ang graduate natin Hindi makakuha ng tamang gawain At kahit na D.H. ay nais na kunin, Kulang lagi tayo sa trabahong angkin.
7. Nagluluwas tayo ng ating produkto, Mga raw material sa bansang modern, Maliit ang kita sa gawaing ganito, Mataas sana kung finished product ito.
8. Paglago'y mahirap pag bansang mayaman, Tayo'y dinadaig kung may pagalingan, Paghina'y palagi nating agam-agam, Tayo'y sinisiklot nitong pamilyan.

Mayor Aguinaldo, nagsalita ukol sa pagkakahuli ng balita sa nasawing Covid-19 patient

Kawit Mayor Angelo Aguinaldo

Nagbigay ng pormal na pahayag si Kawit Mayor Angelo Aguinaldo nitong Sabado, ukol sa pagkakaantala sa pag-aanunsyo ng unang nasawing coronavirus disease (COVID-19) patient mula sa Kawit.

Ayon sa alkalde, "Dumating po sa ating tanggapan ang ulat tung-

kol sa pinakaunang kaso ng pagkamatay bunsod ng COVID-19 sa ating bayan. Nagulat po tayo dahil base sa naging imbestigasyon at iniulat sa atin ng ating RHU, noong ika-11 ng Abril pa inatake ng alta-presyon ang pasyente kung kaya't dali-dali itong nagpa-konsulta sa isang ospital sa Las Pinas.

Sa araw din pong iyon, ay dumaan ito sa isang swab test sa parehong ospital. Ngunit sa kasamaang palad, pumanaw po ito 4:00am noong April 11, 2020."

"Lumabas ang resulta ng kanyang swab test noong April 17, 2020. Samakatuwid, noong isang buwan pa ho ang kasong ito, ngunit naipahatid po ito sa atin noong lamang May 11, 2020." dagdag pa niya.

Dahil rito ay humingi ng kaukulang ekplanasyon si Mayor Aguinaldo hinggil sa pagkaka-delay ng balita. Agad umano sumulat ang Kawit Rural Health Unit sa Provincial Epidemiological Surveillance

also passed the Proficiency Test conducted by the DOH and the RITM last May 29, 2020. From this test, the capacity of a testing facility is measured to produce the correct results on the swab samples undergoing testing.

The Real Time-Polymerase Chain Reaction (RT-PCR) technique is used which is considered the 'Golden Standard' for testing.

Under the Public Health sector, the facility therefore will be managed by the City Health Office in partnership with the Ospital ng Imus.

The City Engineering Office supervised the completion of the construction of the two-story building that was finished by the end of May.

On June 4, 2020 the City of Imus Molecular Laboratory was officially accredited as a COVID-19 Testing Facility and awarded with a License to Operate by the DOH.

"With this accreditation, the city government could now conduct more tests, isolate the positive cases and patients will be given the proper attention and treatment until

they fully recover from the disease. Eventually, the economy could start again safely with employees and workers going back to work cleared from the COVID-19 infection," Mayor Maliksi said.

The city government led by Mayor Emmanuel L. Maliksi, Vice-Mayor Ony Cantimbuhan along with 3rd district of Cavite Representative Alex L. Advincula, Cavite Mayors League President, Frederick A. Vida and Department of Health IV-A Regional Director Eduardo C. Janairo attended .(RF/PIA)

SAP beneficiaries in GenTri return P2.1M cash aid

GENERAL TRIAS CITY, Cavite --Some 330 of the 44,373 beneficiaries of the Department of Social Welfare and Development (DSWD) Social Amelioration Program

(SAP) returned the P6,500 cash aid they received.

City Social Welfare & Development Officer Rebecca Generoso reported that their office received more

or less Php2,145,000.00 returned SAP payout under the partial list of the SAP aid report released Wednesday, June 3, 2020.

"Every day, there are people coming to our office to return the money from the SAP payout, because according to them they already received their SSS assistance and that they don't want to be charged or penalized for keeping the money," Generoso explained.

Further investigation revealed some of the people who returned the SAP aid were either unqualified beneficiaries or already

received assistance from the national government like subsidies from the Department of Labor and Employment (DOLE), and Social Security System (SSS).

"Di pa po final count ito, every day may nagsosoli po ng SAP, we re-evaluate again for the new set of beneficiaries, yun pong mga qualified na hindi nabigyan sa first tranche," Generoso added.

"This is not the final count yet, everyday there are people that come to the office and return the SAP, we re-evaluate again for the new

set of beneficiaries, those included in the first tranche of who are qualified but were not the SAP payout." (PIA)

"Patuloy po ang pag-papadala ng mensahe ng ating mga kinatawan mula sa Kawit RHU particular na ang ating Disease Surveillance Officer (DSO) sa PESU upang humingi ng paliwanag," pahayag ni Aguinaldo.

"Ngunit, patapos na ang buwan, wala pa rin silang nakukuhang sagot. Kung kaya't noong ika-29 ng Mayo, kahit wala pa mang paliwanag mula sa PESU, ay minarapat kong ipahayag ang unang kaso ng COVID-19 related death sa ating bayan." dagdag pa niya. (gocavite)

Dual citizenship means double allegiance

CONG. PIDI BARZAGA

Cavite Rep. Elpidio Barzaga on Monday said having dual citizenship means having dual loyalties and allegiances, which could pose threats to national interest and

security. During the House hearing on media giant ABS-CBN's franchise issue, Barzaga cited a constitutional provision stating that "dual

allegiance of citizens is inimical to the national interest and shall be dealt with by law".

He was referring to the dual citizenship of ABS-CBN chairman emeritus Eugenio "Gabby" Lopez III that has been one of the major issues surrounding the network's franchise application.

"Pag ikaw ay dual citizen meron kang dual allegiance. Ang katapatan mo ay sa dalawang bansa. Katulad ni Mr. Lopez, ang katapatan niya ay sa bansang Pilipinas at

sa bansang America (If you are a dual citizen, you have dual allegiance. Your loyalty lies with two countries. Just like Mr. Lopez, his loyalty both lies with the Philippines and America)," Barzaga said.

He further cited

then Constitutional Commissioner Blas Ople, who said: "in dual allegiance, there can be malice or an insidious threat to our sovereignty and security".

Barzaga stressed that every citizen has a duty of loyalty to only one country.

"Obligasyon ng bawat mamayan na kinakailangan na isa lamang ang kanyang katapatan sa isang bansa at sa ating mga Filipino citizens ang ating katapatan ay dapat lamang sa bansang Pilipinas at hindi dapat sa ibang bansa (It is the obligation of every citizen to show loyalty to only one country and Filipino citizens owe their allegiance to the Philippines and to not any other country)," he said.

He also reiterated Article 16, Section 11 of the 1987 Constitution requiring that ownership and management of mass media shall be limited to citizens of the Philippines, or corporations, cooperatives or associations, wholly-owned and managed by these citizens.

He argued that 100 percent Filipino ownership is required in the operation of telecommunications and mass media because these involve national interest and security.

During the same hearing, Lopez said he has no allegiance with the United States despite his dual citizenship, maintaining that he is "100 percent Filipino". (PNA)

EDITORIAL

Ang mga Pilipino ay malikhain. Mag-ing sa larangan ng pagkukumpuni ay mahusay din ang Pilipino, subali't ang ating magagandang katangiang ito ay hindi nagagamit sa pagbuo ng isang bansang patungo sa mabilis na industriyalisasyon.

Ang mga kumpanyang dumating sa atin sa mga Export Processing Zone ay ginagamit ang ating labor force upang magawa ang mga produktong iluluwas na muli.

Dapat pagtuunan natin ng pansin ang mga hakbang patungo sa industriyalisasyon ng bansa kahit pansariling gamit muna. Saka na isipin ang pagluwas.

General Artemio Ricarte was an Ilocano teacher who involved himself in the fight against the abuses of the Spaniards in Cavite. He was in the Battle of Dalahican where the superior Spanish force was defeated. He fought in Southern Luzon against the Americans but was captured and deported to Guam. He came back to Manila after two years of exile but when he refused to swear the oath of allegiance to America, he was deported to HongKong. He secretly returned to Manila but was re-captured in Bataan. He was imprisoned for six years and was again deported to HongKong. Eventually, he went to Yokohama, Japan with his family. During the Second World War, he joined the Japanese Army when it retreated to the Mountain Province where he died. President Marcos ordered the burial of his remains in the Libingan ng mga Bayani.
