Quezon attended the online launching.

During his Welcome Statement, Bureau of Small and Medium Enterprise Development Director Jerry Clavesillas encouraged the mentees to work hard in attending all the online mentoring sessions as it will help them become more competitive in their business and will establish business linkages.

DTI CALABARZON Director Marilou Q. Toledo emphasized the importance of constantly learning and looking for new and better ways to improve a service or product despite the pandemic.

"We hope that our micro, small, and medium enterprises will be inspired to adapt their business strategies in responding to the challenges of the new normal business environment," said Toledo.

The program for the New Normal is bannered by the fusion of the Money and Market Encounter (MME) and the KMME. A blended KMME Program is developed as a practical delivery mechanism for the same mentorship modules for our MSMEs to survive and thrive despite of unexpected setbacks such as COVID-19.

The KMME-MME Online is designed to integrate the MME into the regular KMME Program. This will be achieved through the presentation of the Business Improvement Plan (BIP) to an expanded panel of evaluators composed of representatives from banks, online market platforms, and other business support organizations.

According to PCE Representative PocholoSoliven, one of the objectives of the KMME-MME Program is to provide an avenue for business mentorship of the waitlisted MSEs across the regions and enhance their resiliency through a crisis.

"We want to thank DTI for this very wonderful opportunity they gave us. Currently, the way we handle our business is very traditional. Through KMME-MME program, we want to learn new business strategies that would help our company to improve," said Miracle Grace Cadiz, owner of Victoria Cadiz Bakery and Mazapan Products Store in Quezon.

Froilan Plaza, owner of MamaselCremaroons in Cavite, expressed his excitement in being part of the program as he wants to expand his business nationwide.

"Thank you, DTI, for helping small entrepreneurs like us to be part in this MBA-like program in business. I am looking forward to learning more about business and apply those learning afterwards," said Plaza.**(MIA CORTEZ)**

Dalawang Lungsod sa Cavite, nakatanggap ng ambulansya...

(DoH)-Calabarzon sa isinagawang turnover rites dito nitong Agosto 6.

Pormal na itinurn over ni Cavite Sixth District Rep. Luis Ferrer 4th ang isa sa mga bagong ambulansya sa local government unit (LGU) sa pangunguna ni Mayor Ony Ferrer upang magamit ng General Trias City Health Office, samantalang ibinahagi naman ni Bacoor Rep. Edwin Revilla ang isa pang ambulansya sa Southern Tagalog Regional Hospital sa Barangay Panapaan, Bacoor City.

Ang pamamahagi ng mga ambulansya sa mga ospital ay bahagi ng programa ng DOH na Health Facilities Enhancement Program (HFEP) na naglalayong palakasin ang pagbibigay ng mga serbisyong medikal ng LGUs, lalung-lalo na sa panahon ng emergency katulad ng coronavirus pandemic.

Ang iba pang mga benepisyaryo sa ilalim ng HFEP ay ang Rosario at Bauan, na parehong nasa Batangas; San Pablo City, Laguna; Antipolo City; at Tanay, Rizal. **(GoCavite)**

PAGBABAGO SA PAG-UNLAD

1. Sa pagsisimula puhuna'y maliit,
Kasangkapang gamit ay luma sa masid,
Pinagtiyagaan na ito'y magamit,
Kahit na mabagal ang trabahong kamit.

2. Kanyang pagawaan ay maliit lamang,
Subsob sa gawain hanggang sa uwian,
Ang gamit iniwan sa mesang patungan,
Kalat ay pinulot tuloy basurahan.

3. Negosyo'y lumaki at may tauhan na,
Tumulong sa gawa ng bagong kasama,
Bumili ng bago't mahal na makina,
Upang pabilisin ang datihang porma.

4. Anak ay nag-aral, tapos sa kolehiyo,
Hindi nila nais sa shop magtrabaho,
Ama'y tumatanda, mesa ang ginusto,
Malinis na ang shop na kanyang negosyo.

5. Kahit na umunlad itong pagawaan,
Kung ang anak naman di ito ang asam,
Ang makikita mo'y maayos sa ganyan
Sapagka't buhay pa ang mga magulang.

6. Bilang ang kompanyang nagpatu-patuloy,
Ang marami doon tumigil sa daloy,
At pinaghatian ang dapat makahoy,
Anak kani-kanya yaong naging langoy.

7. Negosyong ganoon daming naisulat,
At ginamit lamang sa anak na unlad,
Pagka't ang totoo, ang trabahong palad,
Ay iniiwasan ng nagmanang anak.

8. Ito'y mabuti rin kung ang anak naman
Ay nagsisikap din sa ibang larangan,
Ang masama lamang ay baka lumayaw
At ang ginawa lang lahat ay nilustay.

HONTIVEROS WANTS CLARK RESORT INVESTIGATED FOR CHINESE PROSTITUTION RING

Senator Risa Hontiveros on Thursday demanded Clark Development Corporation (CDC) and the Philippine National Police (PNP) conduct a full investigation on Fontana Leisure Parks and Casino's liability in the alleged Chinese prostitution ring discovered in its premises.

Hontiveros made the call after the police arrested seven Chinese men, six Chinese women, and two Vietnamese women who are alleged to be involved in prostitution and human trafficking inside resort facilities in Clark Freeport Zone, Pampanga.

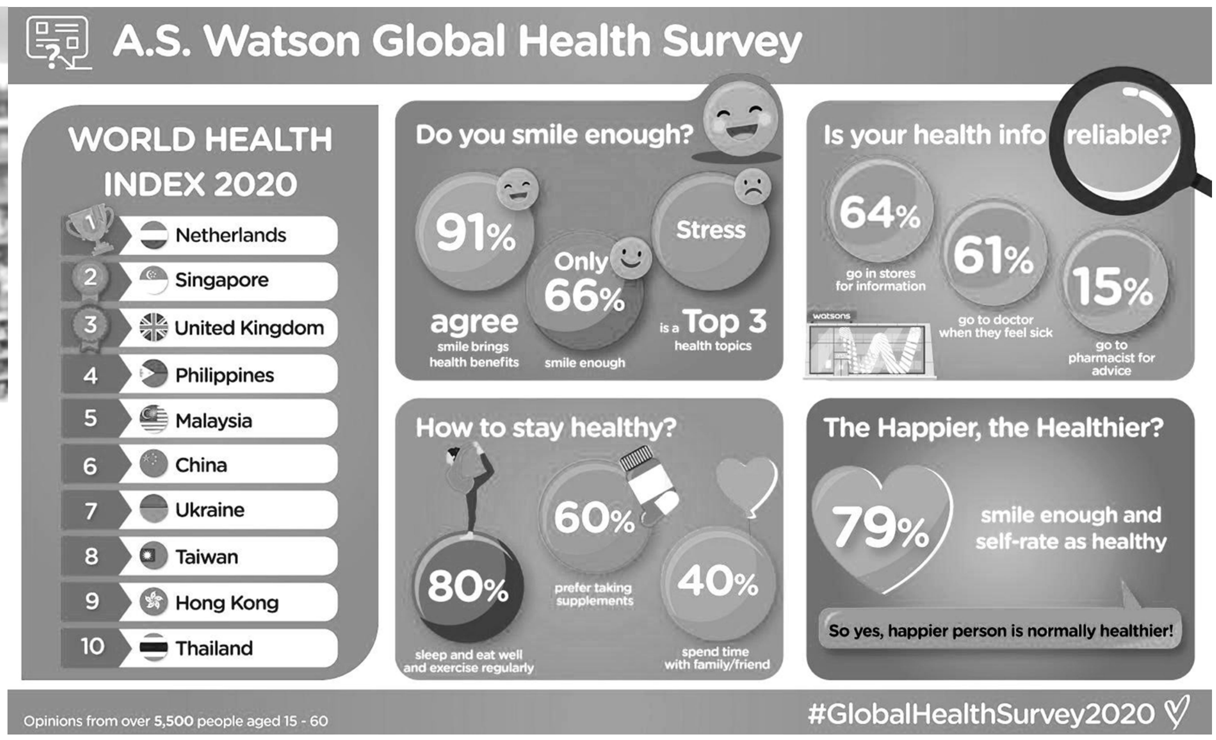
A.S. WATSON GROUP'S GLOBAL SURVEY: SMILING MAKES PEOPLE HAPPIER

Need some health information? Go to your Watsons pharmacist. Watsons Philippines has a strong network of 1,436 pharmacists nationwide. They are professionally trained on healthcare and a reliable source of opinion to alleviate pressure on public health system.



The World Health Index 2020 in the A.S. Watson Global Survey shows the Philippines as the fourth healthiest market.

The Philippines ranked 4th in the World Health Index, a ranking of healthiest and least healthy markets across the globe that was revealed during the recent global health survey commissioned by the A.S. Watson Group, the world's largest international health and beauty retailer. Over 5,500 consumers across 10 markets in Asia and Europe aged 15-60 participated in the survey from November to December last year to share their thoughts on a wide range of health topics.

The Netherlands topped the healthiest market list, followed by Singapore, the United Kingdom, the Philippines, Malaysia, Mainland China, Ukraine, Taiwan, Hong Kong, and Thailand.

Other takeaways of the survey:

- Happier People are Healthier. 91% of the respondents believe that smiling and laughing have a lot of health benefits. Yet only 66% smile enough due to stress. By generation, Gen Z smiles more and are happier than the more mature groups including Gen Y, Gen X, and Boomers. And Gen Z tends to consider themselves as healthy.
- Family and Health are by Far the Most Important Aspects of Life. When it comes to ranking the importance of life aspects, Family (87%) and Health (84%) top the list, with Wealth and Love (33% and 32%) in the third and fourth with a wide gap.

Malina Ngai, Group COO of the A.S. Watson Group and CEO of A.S. Watson Asia and Europe believes that "if the survey was being conducted two months later in February this year, I am sure this result will even be more pronounced with people putting family and health at the very top priority in life."

- Credible Information Matters. As fake news and information flood the internet and social media, consumers nowadays tend to seek health information from credible sources. The research revealed 61% still commonly see a doctor when feeling unwell and 43% go in store to get OTC medication. Yet only 15% of respondents turn to pharmacists for advice.

Ang mga Pilipino ay malikhain. Maging sa larangan ng pagkukumpuni ay mahusay din ang Pilipino, subali't ang ating magagandang katangiang ito ay hindi nagagamit sa pagbuo ng isang bansang patungo sa mabilis na industriyalisasyon.

Ang mga kumpanyang dumating sa atin sa mga Export Processing Zone ay ginagamit ang ating labor force upang magawa ang mga produktong iluluwas na muli.

He had Francisco Barzaga as his constant companion and together they ran the affairs of Dasmariñas, restoring peace and order and promoting the well-being of the people. HONTIVEROS... (from p. 3)

tayong mga Pilipino sa COVID-19 pandemic, may mga Chinese prostitution rings naman na patuloy pa rin ang operasyon," said Hontiveros, who chairs the Committee on Women in the Senate. "Hindi natin dapat hinahayaan na nagiging pugad tayo ng prostitusyon at iba pang krimen," she added.

Hontiveros wants the owner and administration of the said leisure park investigated for possible liability. "Hindi ito ang unang beses na may nadiskubreng illegal activity sa loob ng resort," the senator declared. Hontiveros said that in May 2020, an illegal underground hospital for tenants and workers of a Philippine Offshore Gaming Operators (POGO) company was discovered on Fontana's premises.

"Bakit parang nagiging pugad ng underground illegal activities itong Fontana?" the senator asked, also citing that in December 2016, fifteen casino rooms in Fontana were ordered to temporarily close following the Bureau of Immigration's (BI) arrest of around 1,300 illegal Chinese workers inside the leisure park.

"Fontana's license to operate can be suspended and eventually revoked if there's negligence on their part in making sure that crimes do not thrive within their premises. Responsibilidad nilang siguraduhin na sumusunod sa batas ang mga tenants nila," Hontiveros said.

Earlier this year, Hontiveros exposed the 'pastillas' scheme within BI, a system in which Chinese nationals, mostly POGO workers, are allowed seamless entry into the country for a 'service fee.' The investigation also revealed how the POGO industry may contribute to the rise of prostitution and trafficking in the country. #####
