

Business outlook more optimistic in 2021 as gov't implements recovery programs: Trade Chief

MANILA — Trade Secretary Ramon Lopez expressed confidence in a more optimistic business outlook for 2021 in reaction to the latest Social Weather Stations (SWS) report of the November 2020 Net Economic Optimism, released on 5 January. The report, conducted

from 21 to 25 November, indicated that 42% of Filipinos expect the local economy in better shape in the next 12 months.

“The Duterte administration remains committed in its thrust to assist local businesses build back better. This report shows that

despite the setbacks that our enterprises faced during the height of the pandemic, Filipino resiliency and innovativeness will always prevail,” Sec. Lopez said.

According to the survey, only 18% of Filipinos expects the

economy to worsen this year while 28% said it would stay the same. This resulted in the net economic optimism score of +24, which is classified as “high”. The SWS described the November 2020 report as a “recovery” from the mediocre scores of -9 in July and -5 in September

of last year.

“DTI will continue to implement various programs under the REBUILD PH campaign, or ‘Revitalizing Businesses, Investments, Livelihoods, and Domestic Demand,’ as we have continuously done when we slowly

Kusina ng Kalinga Project launched to enhance Imuseño kids' nutrition level

IMUS City, Cavite -- The City Government here launched a 30-day feeding program for undernourished children aged 3-12 years old in the different barangays in the city to boost their nutrition.

Mayor Emmanuel L. Maliksi with Vice Mayor Ony Cantimbuhan led the launching of the

project dubbed as 'Kusina ng Kalinga' under Gawad Kalinga (GK) on January 10, 2021 at GK Alapan site.

The Barangay Nutrition Services (BNS) in partnership with the LGU and Genesis Corporation is targeting 1,000 children from the 38 barangays for the feeding program. Children will

be provided with food during lunchtime from Mondays thru Fridays.

Mayor Maliksi pointed out that the project is his administration's goal to control the incidence of

malnutrition in the city.

"Nakita natin pag stunted ang growth ng mga bata, ang laki ng epekto sa development nila, pag malnourished ang bata nahihirapan din sa pag-aaral," explained

Maliksi.

(When the children's growth are stunted, it has a tremendous effect on their development, when a kid is malnourished he has difficulty coping up with his studies.)

An intervention at an early age for the proper nutrition is really important said the Mayor.

"Hindi lang basta pagkain, dapat nutritious na pagkain na

Cavite LGUs roll out BOSS for FY 2021 amid COVID-19 pandemic

TRECE MARTIRES CITY, Cavite -- The local government units of the cities and municipalities in the province commenced the processing of the application of new and renewal of business permits and other transactions of government services through their Business One Stop (BOSS).

As directed by the Department of Interior and Local Government (DILG) the BOSS established by the LGUs aims to provide frontline services and assist those who wish to apply for building permits and certificates of occupancy thereby easing bureaucratic red tape.

Starting their operations on Monday, January 4, 2021, the City Government of Trece Martires and the municipalities of Carmona, Indang, and Mendez-Nuñez started facilitating these services for a period of three weeks until January 20.

Other municipalities like the Gen. Mariano Alvarez (GMA), Alfonso, Gen. Emilio Aguinaldo-Bailen started later on January 5 & 6 while the LGU Noveleta starts January 11 with applications accepted until February 15, 2021.

Doing business in this time of pandemic, the number of applications accepted are limited to as many as 150 persons per day for the BPLO (Business Permits and Licensing Office) - Trece Martires, while the satellite BOSS of the Gen. Trias only accepts up to 180 persons on a first

come first served basis with the venue located at the 3rd floor of Robinson's Place in the city that is big and comfortable enough to allow the observance of physical distancing.

Meanwhile, the City Government of Imus started as early as Sunday, January 3, 2021 and requires an online assessment for the renewal of business permits with the Imus BOSS located at the Imus Sports Complex.

The City Government of Bacoor's online registration starts with the creation of an account in the boss.bacoor.gov.ph website to be able to set an appointment.

Also, to help the Bacooreños, the LGU extended the granting of 20% discount on the payment of current Real Property Taxes (RPT) with payment accepted

until March 31, 2021, and had also announced the granting of amnesty to owners of real property for payment of interests and penalties for delinquent payees of RPT for taxable year 2019 and prior years.

The officials of the LGUs encourage all their resident constituents to be prompt with their payments to avoid incurring penalties and

to avail of the discounts extended by the LGU as incentive for their cooperation, as well as for the processing of business permits and licenses to legalize their business operations to contribute to the economic recovery of the province and the whole country as well. Kalooban

- 1) Ang sabi'y bata pa itong kalooban,
Kahit may edad na't mahina ang laman,
Nang ako'y bata pa, ito'y di ko alam,
Ngayong may edad na'y aking natuklasan.
- 2) Itong kalooban nanatiling bata,
Di saklaw ng taon yaong kanyang bisa,
Pagka't di materyal na tungo'y pagtanda,
Akin ngayon itong ipapaunawa.
- 3) Katawan, isipan at saka damdamin,
Lahat sila'y merong yugtong tatahakin,
Katawan lalakas, hihina sa turing,
Isip tatalino't naging malimutin.
- 4) Kahit ang damdamin natin nagbabago,
Ang dating mainit, lumalamig ito.
Katawan, isipan, at damdaming tatlo,
Sila'y may katumbas na tatlo sa mundo.
- 5) Kaluluwa, Konsensya, Kaloobang tatlo,
Sila ang katimbang na sinasabi ko,
Galing sa Lumikha, tanim pagparito
Gamit sa pag-ugit sa buhay ng tao.
- 6) Kaluluwa'y uugit sa tibok ng puso,
At ating panunaw kahit di magkuro,
Konsensiya'y uugit sa tama at liko,
Kalooban ugat ang lakas at hapo.
- 7) Kaluluwa konsensya saka kalooban,
Sila'y nasa "loob" tanim ng Lumalang,
Doon magmumula ang ating ugnayan,
Sa ating Lumikhang laging may patnubay.
- 8) Dalawa ang atin ngayong katauhan,
Saklaw ng panahon saka ang di saklaw,
Ang damdamin natin ay di kalooban,
At ang konsensiya natin ay di ang isipan.

Business outlook more optimistic in 2021... (from p. 1)

eased into reopening the economy," he added.

"With 99.5% of our businesses being micro, small, and medium enterprises (MSMEs), DTI shall further strengthen its programs to support MSMEs, such as in training, mentorships, microfinancing and equipment support and market development for enterprises to become COVID-proof. This will save companies that will save jobs. These jobs, in turn, will sustain the incomes that will create demand, which would help to revive the economy," the trade chief explained.

Sec. Lopez further expressed optimism with the government's forecast that the Philippines will have a 6.5% GDP recovery for 2021. Likewise, he highlighted the signs of economic recovery, which started to be apparent during the latter half of 2020. These range from the continued improvements in GDP growth from -16.5% in Q2 to -11.5% in Q3, and

lowered unemployment rate of 8.7% in October from a record-low 17.7% in April.

He also noted the Purchasing Managers' Index (PMI), which reached 50.1 in September, indicating stable conditions in the manufacturing sector, and only slightly dropped to 49.2 in December. There was also the positive growth in exports reaching 2.9% in September but facing -2.2% in October, which the Trade Secretary described as a "minor bump on the road to recovery."

Additionally, Sec. Lopez said that he looked forward to the passage of the Corporate Recovery and Tax Incentives for Enterprises Act (CREATE), calling it a "game-changer" aimed at lowering corporate income tax down to 20% (from the current 30%) for MSMEs or domestic corporations with total assets, excluding land, of not more than P100M and net taxable income of P5M and below. The

bill is currently at the bicameral conference committee in Congress and is expected to be passed for President Rodrigo Duterte's signature soon.

"As we promote our country in the face of the expected global recovery, we can tap the emerging opportunities and challenges from shifting trade and investment preferences and changing forms of international production," the trade chief said.

He added, "This will be made possible as we continue to fast-track our industrial strategies with re-skilling and upskilling of our workforce along with adapting new technologies. With the aggressive Build Build Build infrastructure development program of the Duterte administration, economic infrastructure will further drive down cost and improve efficiencies in business operations. With a more resilient, inclusive and sustainable effort, we are gearing up for a dramatic recovery for the year ahead."

Sec. Lopez assured that for this year, the Department has laid down targeted programs and projects on investment and exports promotion as well as enhanced livelihood support programs in order to achieve a v-shaped economic recovery, as well as ensuring that not only businesses are supported to bring back more jobs but also the consumer welfare is prioritized.
