## Panloloko

- 1) Itong panloloko ay magandang paksa,  
Tampok television mga halimbawa,  
Sa ganda ng alok tao'y naniwala  
At sa dulo nito, pera ang nawala.
- 2) Sa magandang dilag ay merong nanligaw,  
Todo ang pustura't alahas ay dilaw,  
Sa akalang ginto dalaga'y nasilaw,  
Sumama't naloko kaya nagpalahaw.
- 3) Perang bagong-bago ay pinapalitan,  
Dahil sa marami't lubhang kailangan,  
Itong palitan daw kahit mabawasan,  
Basta't mapuhunan ito'y ayos naman.
- 4) At dahil kikita'y agad pinalitan,  
Kitang-kita ditong nagpalit ay lamang,  
Nguni't lamang nga ba sa pinaglagakan?  
Ang bangko'y tumanggi sa salaping ganyan.
- 5) Mura ang alahas na nagkikislapan,  
Sangla ng nagipit at nangangailangan,  
Mataas ang tubo subalit okey lang,  
Tumbaga ang singsing , bato'y peke naman.
- 6) Malaki ang sahod sa patutunguhan,  
Siyempre malaki rin ang singil sa ganyan,  
Nag-ayos ng papel gusto'y advance naman,  
Itong kukuhaning ganansya sa tanan.
- 7) Maraming araw na ang mga lumipas,  
Ang passport ay hindi pa rin nasisipat,  
Hanggang magsara na ang ahensyang sikat,  
Kaya ang naloko naman umiiyak.
- 8) Mag-iisip mabuti bago pumalaot,  
Baka panloloko pag sobra ang alok,  
Ang danas ng iba'y suriing maayos,  
Upang makaiwas sa taong may imbot.

# DOH - CALABARZON CONTINUES ROLL-OUT OF COVID-19 VACCINATION TRAINING FOR HEALTH WORKERS

The Department of Health (DOH) - CALABARZON (Cavite, Laguna, Batangas, Rizal, Quezon) yesterday concluded another vaccination training for health workers for the forthcoming Covid-19 vaccines which is due to arrive on the last month of the first quarter this year.

Regional Director Eduardo C. Janairo stated that all health workers involved in the implementation of COVID-19 vaccination must have adequate knowledge and skills for them to ensure a safe and efficient vaccine administration once the vaccines will be distributed at the local level.

"Our health workers play critical roles in the proper vaccine storage, handling, preparation, and administration, and they must be prepared to answer vaccine recipients' questions and concerns in the field."

"Kailangang lahat tayo ay handa lalo na ang ating mga local government units pagdating ng mga bakuna upang maiwasan ang pagkakaroon ng misinformation and ma-address natin ang vaccine

hesitancy sa mga target recipients."

"Every health human resource including vaccinators and support staff, logistics, funds, supplies must be prepared and most important yung coordination ng lahat ng LGUs at stakeholders dapat alam ang kanilang gagawin. Everyone involved in the vaccination activity must know how to advocate the vaccination program," he added.

The Short Course Training on Covid-19 Vaccination for health workers which consists of several modules including video lectures and downloadable presentations. Updates and timely information about vaccine selection, evaluation, procurement and deployment were also discussed.

The training also served as a platform to clarify and discuss the questions surrounding vaccines.

The regional office started the scheduled on-line trainings last month which were attended by various provincial and municipal health officers, rural health physicians, national

immunization program coordinators, supply and logistics officers, and local epidemiology and surveillance officers, health promotion officers, information officers including Department of Education personnel.

"We have already directed health workers at the local level to begin profiling the residents of their community to determine those who have health issues, those willing to receive the vaccine and those who are still undecided."

"Sa list na ito tayo magbabase kung sino ang mga bibigyan ng bakuna. At napakaimportante na maibahagi at maipunawa sa ating mga kababayan na ligtas gamitin ang bakuna na ito at ito lamang ang makakapagbigay ng kaligtasan laban sa

Covid-19," he said.

"Our target is to have at least 80% of the target population vaccinated in order to achieve herd immunity against the Covid virus. I encourage everyone to trust our governments efforts in protecting the lives of our people through proper vaccination. We need to end this pandemic and go back to our normal lives again, safe and secure."

"And the only way to protect ourself and our family is to have ourselves vaccinated against Covid-19," Janairo emphasized. (GLEN RAMOS)

saan higit din sa 1,000 puno ng native at fruit trees ang ating itanim.

"Itong ating gagawin ngayon ay parte ng National Greening Program upang maibalik ang ating nawawalang kagubatan. Sana ay maging regular na parte ng buhay natin ang pagtanim ng puno hindi

lang sa mga watersheds kung hindi sa mga likod bahay natin at bakanteng spaces sa ating mga lugar. Hindi lamang ito para sa atin kung hindi para sa mga susunod pang henerasyon", ani DENR CALABARZON Regional Executive Director Nonito M. Tamayo.

Ang PENRO Laguna

naman ay nakiisa rin sa isang tree planting activity na isinagawa ng Suntrust Property Inc. sa Calamba City, Laguna kung saan sila ay nakapagtanim ng 100 na fruit bearing trees.

Lahat ng puno na naitanim sa mga tree planting activity ay patuloy na pangangalagaan ng mga katuwang na public at

private sector partners ng DENR CALABARZON para sa tiyak na paglaki ng mga itanim na species.

Ilan sa mga benepisyong hatid ng pagtanim ng puno ay ang pagsisilbing carbon sink, nakatutulong upang maiwasan ang pagbaha, at pagsisilbing tahanan ng mga buhay ilang.

bawat manggagawa na may sasalo sa kanila. I understand why we need this measure, but I also want us to be sure that the benefits for the workers in the formal economy will not be jeopardized if the new contribution rates are deferred," she said, during the period of interpellation on Republic Act No. 11199 or the Social Security Act of 2018.

The state-run social insurance program is set to implement its 1 percentage point hike this year, increasing the previous 12% deduction from the members salaries to 13% this year. The proposed amendment, however, seeks to grant power to the president to defer increases in contributions during national emergency or state of calamity.

Hontiveros said that while she supports the measure, there must be funding enough to support benefits and loans that may be given to its members, such as the maternity package, as well as the additional P1,000 for social pension

for retired members.

"Bilang author ng Expanded Maternity Leave Law, gusto kong siguraduhin na hindi masakripisyo ang makukuhang cash benefit ng mga kababaihang nagdadalang-tao. May assurance din po ba tayo na ang maternity benefits ay patuloy pa ring maibibigay ng SSS?," she asked.

"May assurance din ba tayo na matanggap pa rin ang naunang dagdag na P1000 na pension kahit mayroon tayong ganitong deferment ng bagong rates? Kakayanin din bang matupad ang pangako ng administrasyon sa ating mga pensioners na ang second tranch na P1,000 na pension increase ay maiaabot sa kanila bago matapos ang termino ng Presidente?," Hontiveros added.

Hontiveros also highlighted the importance of granting the unemployment cash benefit that will serve as income security for displaced and retrenched employees.

"Around 420,000 workers were laid off

in 2020. If, say, half of them are entitled to unemployment benefit and another 100,000 eligible members will lose their jobs this 2021, will the SSS be able to pay what is due them? Can they assure that they would have no problem settling claims of this magnitude?" Hontiveros asked.

"Iba ang naging projection noong ginagawa pa lang ang Implementing Rules and Regulations ng 2018 SSS Law. Now, a reduction in their projected revenues could really create the fear of a strain on the cash of the SSS, lalo na ngayon at napakaraming nawalan ng trabaho dahil sa pandemya," she added.

"I wish to support the bill, because we all know that our workers are facing rising food and transport costs. But our workers and our pensioners also need the SSS today, perhaps more than ever. At the end of the day, dapat matibay ang safety net na sasalo sa mga manggagawa sa panahong ito," she concluded. #####

## Ternate LGU, nagpataw ng P20 Ecological Fee para sa mga bibisita sa Kaybiang Tunnel

Ang pamahalaang lokal ng Ternate ay nagpataw ng P20 Ecological Fee para sa mga turista, motorista, at riders na bumibisita sa bayan partikular na sa sikat na Kaybiang tunnel.

Umani ng iba't ibang pagpuna at kritisisismo ang naturang koleksyon nitong Pebrero 6 at 7 dahil sa hindi inaasahan at hindi naipahayag sa publiko ang aksyon mula sa mga lokal na awtoridad.

Ipinaliwanag ni Ternate Mayor Lamberto Bambao sa pamamagitan ng kanyang tauhan na si Bryan Novejas na ang pagkolekta ng nasabing bayad ay alinsunod sa Municipal Ordinance No. 5 s. 2014 na isinulat ni dating Kagawad Lorenz Khalil Soberano, Chair of the Committee on Trade, Tourism, Culture, and Arts sa termino ni Dating Alkalde Herminio Lindo.

Kilala rin bilang

"Ternate Tourism Ecological Fee Ordinance," ipinasa ito upang masiguro ang benepisyo at kasiyahan ng mga tao sa lokalidad, at tama ang paggamit, proteksyon, konserbasyon at pamamahala sa isang likas na yaman.

Ipinaliwanag ni Novejas na ang aksyon ay, "to generate funds as a source of revenue to finance the implementation of environmental and tourism plans and projects and to provide the necessary amenities and services out of the collected fee that goes to peace and order, beautification, livelihood, health assistance."

"This is the way we can meet the needs of the local government to provide for the cleaning of garbage left by riders and tourists on the road or in Kaybiang Tunnel and to

be used for the mobility of police for peace and order, rescue by MDRRMO in times of accidents within the vicinity. Saan naman kami kukuha ng funding, we are only a 4th class municipality," dagdag pa niya.

Samantala, binigyang diin ni Municipal Treasurer Brendalyn Olano na ang ecological fee ay kokolektahin tuwing katapusan ng linggo at ang mga residente ng Nasugbu ay exempted basta't magpapakita ng patunay ng paninirahan.

"Kaya po sa mga darating na weekend po, umasa po kayo na ang pamahalaang lokal ng Ternate ay muling maglalagay ng booth para sa nasabing Ecological Fee, ang mga residente ho ng Nasugbu na may kaukulang dokumento na nagpapatunay na sila ay residente dito ay hindi kasali sa fee," ani Olano.
