Hinihakayat ni Mayor Emmanuel Maliksi ang mga Imuseño na magpabakuna kontra COVID-19.

Aniya, layunin ng kampaniya ang mawala ang agam-agam ng taong bayan tungkol sa COVID-19 vaccine at maayos na maisagawa ang pagbabakuna sa lungsod. Kabilang sa mga nilalaman nito ang pagpapaigting ng mga protokol sa pagtanggap ng bakuna, paghahanda ng mga pasilidad, at maging ang pamamahagi ng tamang impormasyon tungkol sa COVID-19 para sa publiko.

Pagtalakay sa lifetime validity ng birth certificate at optional retirement age para sa mga nagtatrabaho sa pamahalaan, pinangunahan ni Revilla

Pinangunahan ni Senator Ramon Bong Revilla Jr ang naging virtual hearing para sa mga panukala ukol sa lifetime validity ng birth certificate at pagbaba ng optional retirement age para sa mga manggagawa na nagtatrabaho sa pamahalaan.

Matatandaang si Revilla ang Chairman of the Senate Committee on Civil Service at Government Reorganization and Professional Regulation.

Ayon sa kaniya bagaman ilang beses nang idineklara ng Philippine Statistics Authority (PSA) na ang mga sertipiko ng kapanganakan na inilalabas nila ay walang expiration, maraming ahensya pa rin ng gobyerno at pribadong organisasyon ang nangangailangan o nanghihingi ng mga dokumentong ito sa pinakabagong security paper na nagkakahalaga ng P155 para sa authenticated copy at P365 naman kung personal na ihahatid sa kanilang mga address.

“This requirement costs our people valuable time and money. Lalo na po ngayong panahon ng pandemya ung kailan apektado nang husto ang ating ekonomiya, anumang karagdagang gastusin ay iindahin talaga ng mga kababayan natin. Dagdag pa rito ang panganib o risk na mahawahan ng virus kung sila ay lalabas ng bahay upang kumuha ng birth certificate,” ani Revilla.

Nagpahayag naman ng pagsuporta ang PSA, Civil Service Commission (CSC) at Department of Education (DepEd) sa panukalang ito.

Tinalakay din ng komite ang pagbaba ng edad ng pagreretiro ng mga empleyado ng gobyerno at kumunsulta sa ilang mga ahensya tulad ng Government Service Insurance System (GSIS), Department of Budget and Management (DBM), pati sa mga non-government associations na kinabibilangan ng Philippine Government Employees Association (PGEA), Philippine Public School Teachers Associations (PPSTA), Confederation for Unity, Recognition and Advancement of Government Employees (COURAGE), Teachers Dignity Coalition, Alliance for Concerned Teachers (ACT), Sentro ng Nagkakaisa at Progresibong Manggagawa (SENTRO), Non-Uniformed Personnel Association, Inc. (NUPAI).

“Ang paglilingkod sa bayan bilang isang kawani ng pamahalaan ay isang karangalan. Ang karangalang ito ay tinatapatan naman nila ng sipag at dedikasyon sa kanilang trabaho. Kaya’t ang mga umaabot ng retirement age sa gobyerno ay maituturing na mga haligi at huwaran ng serbisyo publiko,” pahayag ni Revilla.

“Lowering the retirement age will ensure that our senior citizens will be able to enjoy the fruits of their labor and spend more time with their family and friends as well as pursue other endeavours as they approach the twilight of their years,” saad pa ng senador patungkol sa Senate Bill No. 72, na nagmumungkahi ng pagbaba ng sapilitan edad ng pagreretiro ng mga empleyado ng gobyerno mula 65 hanggang 60, at ang opsyonal na edad ng pagreretiro mula 60 hanggang 55.

Nagpahayag ng suporta ang GSIS sa mga hakbang, ngunit nagbigay ng mungkahi ng mga reserbasyon na dapat isinasaalang-alang para sa posibleng epekto nito sa insurance fund life.**(GOCAVITE)**

Ang Kayamanan

1. Unang kayamanan ay uring material,
Lupa at salapi, alahas at yaman,
Ikalawa naman uring spiritual,
Ugaling mabuti na may karangalan.

2. Ang yamang material tataas, bababa,
Minsan maluluging paubos ang bisa,
Minsan ay may tubo’t paakyat sa hanga,
Hindi napipirmi sa titig at badya.

3. Kung gayon ang yamang materyal ay kulang,
Kung pagbabatayan ay kapayapaan,
Malaking panganib haplit sa isipan,
Ang tatamuhin mo sa naturang yaman.

4. Sa ganitong bagay dapat ding isipin,
Na ang ganyang yaman ikaw bubuhayin,
Bigyan ng halaga subali’t limiin,
Na halagang ito’y di dapat sambahin.

5. Ikalawang yaman spiritual naman,
Ugaling mabuti sa lahat ng bagay,
Madadagdag dito’y parangal ng bayan,
Dagdag sa dangal mo nang ikaw isilang.

6. Ugaling mabuti ang magandang yaman,
Kung magnenegosyo’y mapananaligan,
Kung mageempleyo’y pagtitiwalaan,
Sa lahat ng bagay bibigyang katwiran.

7. At dahil sa mundo’y may paniniwala,
Sa isang dakilang tawag ay Bathala,
Sa badyang ganito ay may halimbawa,
Bathala’y may sukli sa mabuting gawa.

8. Aking sasabihin itong pananalig,
Narinig ng una’t tumatak sa isip,
Aking nabasa din sa maraming titik,
At aking nalimi sa gabing tahimik.

CALAX SUBSECTIONS TO SILANG, CAVITE IN FULL SWING

DPWH Secretary Mark A. Villar inspects CALAX Subsection 5 Santa Rosa, Laguna to Silang, Cavite. This 7.7km segment is targeted to open by third quarter of 2021. From L-r DPWH PPP Services Director Alex Bote, MPCALA VP for Tollways Development Engr. Art Monge, DPWH Sec. Mark A. Villar, BBB Committee Chair Ana Mae Lamentillo.

DPWH Sec. Mark A. Villar is joined by Municipality of Silang, Cavite Mayor Corrie Poblete and Vice Mayor Aidel Paul Belamide in the ocular inspection of CALAX Subsection 5- Santa Rosa to Silang. Expected to serve 5,000 vehicles upon its opening targeted on Q3 2021.

The Department of Public Works and Highways (DPWH) Secretary Mark A. Villar, together withMPCALA Holdings Inc Executives, conducted an ocular inspection for the construction development of Cavite-Laguna Expressway (CALAX) Subsection 5S targeted to open to motorists, by 3rd quarter of 2021.

The MPCALA HOLDINGS INC. (MHI), a subsidiary of Metro Pacific Tollways Corporation (MPTC), has already achieved, 83% construction progress on the new Subsection 5 of CALAX.

"As travel restrictions are slowly but surely being lifted, this new subsection of CALAX will help accelerate economic progress in Laguna and Cavite by providing interconnection between the two provinces of Region 4-A. This segment is crucial since it is expected to serve almost 5,000 cars per day, and will ease traffic along Governor's Drive, Aguinaldo Highway, and Sta. Rosa-Tagaytay Road once opened. Right of way acquisition has been a challenge, so we are giving our full effort to deliver and eventually open with as little deviation to the original timeline as possible. The completed and operational segments namely Mamplasan to Santa Rosa are currently servicing about 10,000 vehicles daily. We target to finish the whole 45Km stretch of CALAX and serve 50,000 cars before 2022 ends." said Sec. Villar.

Subsection 5 covers the 7.2-kilometer link from Santa Rosa-Tagaytay Interchange to Silang East Interchange. On-going works include bridge deck and pavement construction, drainage works, road furniture and sound barriers,

CHESS WIZARDS SA CAVITE, NAGMULA SA LUNGSOD NG DASMARINAS

Malugod na ipinakilala ni Congressman Pidi Barzaga sa social media ang tatlong batang chess wizards ng Pilipinas na nagmula sa Lungsod ng Dasmariñas.

Nitong nakaraang araw ay lubos na ipinagmamalaking ibinahagi ni Barzaga ang kwento at mga larawan ng mga pambato ng ating bansa sa larangan ng chess na tubong Cavite.

Aniya, "Nag-Queens Gambit ang inyong lingkod sa mga chess wizards ng Dasma at na-checkmate ako."

"Malugod kong ipinakikilala ang tatlong batang International Masters sa larong chess na kinatawan ng ating bansa sa mga international competitions sa Vietnam, Malaysia, Indonesia, China, Thailand, Dubai at Myanmar," dagdag pa niya.

Una niyang binigyang pagkilala si Kylen Joy Mordido, 18, na isang Woman International Master (WIM) mula sa Sampaloc IV, at kasalukuyang nag-aaral National University.

Si Daniel Quizon naman ay isang 16-taong gulang na International Master (IM), mula sa Sampaloc IV at nasa Grade 10 ng Dasmariñas Integrated High School.

Habang si Michael Concio Jr. na pinakabata sa tatlo ay isang 15-taong gulang na International Master (IM), mula sa San Andres 1 at Grade 10 sa parehong paaralan.

"Si Kylen, Daniel at Michael ay mga yaman ng Lungsod ng Dasmariñas," saad ni Barzaga.

"Si Kylen ang pinakabatang Woman International Master sa bansa na nakamit ang WIM title noong 16 years old palang siya. Si Daniel ay naging IM noong 13 years old siya. Si Michael naman ay naging IM ng 14 years old. Si Daniel at Michael ang mga susunod na pinakabata pagkatapos sa kilalang si Wesley So, na naging IM ng 12 years old," pagkukwento pa niya sa kahusayan ng tatlo.

Dahil dito ay naglaan ng budget ang opisyal maging ang lungsod ng Dasmariñas upang patuloy na makasali at makapunta sa ibang bansa ang mga pambato ng Pilipinas.

"Aking pinapangako ang 1M pesos cash na gantimpala para sa unang magiging Chess Grand Master sa lungsod ng Dasmariñas," pahabol ni Barzaga sa kaniyang post.

Covid19".

"Naniniwala ako na ang simula ng ating pagbabakuna sa hanay ng ating mga health care workers ay magiging hudyat ng masigla af ligtas na pagbabakuna sa ating mga kababayan. Uunahin nating matapos ang 2,200 health care workers na nagtatrabaho sa public and private medical institutions habang nagsisimula na din tayo ng ating survey and pre-registration sa ating mga barangay. LIGTAS BACOOR! Bacoor Yes sa Bakuna tayo sa ating lungsod! " dagdag ni Mayor Lani.

Ayon naman kay Cong Strike Revilla,"Mapalad tayo na nandito na sa Bacoor ang bakuna. Alam naman natin na may kakapusan ang supply ng bakuna sa buong bansa kaya maswerteng nakasama ang ating mga health care workers sa mga unang mababakunahan. Kaya naman, gagawin natin ang lahat para magpatuloy ang ating vaccination rollout."

Matapos ang unang batch ng vaccination rollout sa health care workers sa STRH at CHO ngayong araw ay masusundan ito ng susunod na batch sa Biyernes. At sa mga susunod na linggo ay magpapatuloy ang serye ng mga trainings and seminars sa ating mga personnel na involved sa rollout. Gaganapin din ang simulation sa dalawang Mega Vaccine Hubs sa Bacoor, isa sa Bacoor Elementary School sa Brgy. Alima at Bacoor Coliseum sa Molino 3.

Inaasahang matapos na mabakunahan ang 2,200 health care workers sa mabilis na panahon upang makapagsimula na ding makapagbakuna sa iba pang frontliners ng Bacoor.

Nagtapos ang programa na may panawagan sa lahat ng mga Bacooreño na makiisa at makilahok sa inilulunsad nating Covid-19 Vaccine Rollout hanggang sa tuluyang mapuksa ang Covid-19. LIGTAS BACOOR! Bacoor Yes sa Bakuna!

Ang pamahalaan ay nag-aalok ng libreng pag-aaral sa skills. Samantalahin natin ito at mag-aaral nang puspusan. Ang mga bansang mayayaman ay nagkukulang sa mga taong maglilingkod sa pabrika, mag-aalaga sa mga senior citizens at gagawa sa mga lugar na mismong mga mamamayan nila ang tumatanggi dahil sa nabibilang ang gawain sa marumi, mainit, masikip, maliit ang suweldo at laging binabantayan. Iyan ang dahilan kaya marami tayong OFW sa mga bansang may kakayahang magpasuweldo ng mas malaki kaysa ating mga kompanya sa bansa.

Ang taong bayan ay marapat na isipin ang kanilang kalagayan at kumilos upang baguhin ito.

First District First: Cavite officials join forces...

(from p. 1)

town.

In an interview with The Cavite Rising, Noveleta Mayor Dino Chua said the representatives of each town had a discussion with Presidential Legal Counsel Salvador Panelo to convey their plans and programs to the national government.

"Parang napag-iiwanan na tayo ng ibang lugar sa Cavite province. [We are the] first district pero parang last tayo sa mga programs so gusto namin isulong ang 'First District First'. Dapat unang distrito, una rin tayo sa serbisyo," Chua said.

The newly-formed alliance of the local officials plans to build a public hospital for the first district of Cavite.

According to Chua, it has long been the sentiment of the first district to have a free hospitalization for their constituents.

"Like now, may COVID tayo, ang hirap pumunta sa mga hospitals. Kapag wala kang public hospital, ang mahal ng binabayaran. So yung mahihirap or the poorest of the poor, problema na nila yon. Kapag wala silang pang-down payment, hindi sila matatanggap," the mayor emphasized.

The local governments, moreover, intend to uplift their respective economy by providing assistance to local entrepreneurs and opening more jobs in partnership with the Department of Labor and Employment.

Furthermore, he said: "'Yung mga national government programs like the financial assistance of DSWD, yung mga recovery programs, very seldom makarating sa first district kaya 'yon ang isa rin sa problema natin."

Likewise, Chua also mentioned that the newly-formed alliance eyes to enhance the scholarship program within the first district.

"Educational assistance is a real assistance. Dapat 'yan P5,000 and up depende sa pangangailangan," Chua explained.

Aside from Chua, the other officials who participated were Rosario Mayor Jose Voltaire Ricafrente, Kawit Mayor Angelo Aguinaldo, Cavite City Vice Mayor Denver Chua and Cavite 1st District Board Member Davey Chua.

Meanwhile, during the same event, Ricafrente received a Malacanang recognition for his late father and former Rosario Mayor Jose "Nonong" Ricafrente Jr. who also served in the Presidential Action Center.

The province of Cavite started its COVID-19 vaccination rollout on March 10, 2021 at the Gen. Emilio Aguinaldo Memorial Hospital (GEAMH) in Trece Martires City. GEAMH is one of the official vaccination sites in the province identified by the Department of Health-Regional Office, among others were De La Salle University Medical Center, Southern Tagalog Regional Hospital, Ospital ng Imus and Tagaytay International Convention Center.

Three hundred eighty-nine Sinovac vaccines and ninety-one Astra Zeneca vaccines were delivered on March 9, 2021 which were used in the vaccination rollout scheduled until March 12.

Among the first vaccinees were Dr. Nonie John Dalisay, Officer-in-Charge of the Provincial Health Office, Dr. Romulo Lua, chief of hospitals, Dr. Aldous Angeles, satellite hospitals chief and Dr. Regina B. Salazar, head-GEAMH Dental Department.

They thanked the government for providing vaccines for the medical front liners and encouraged the public to be vaccinated for them to be protected against the virus as well as their families and other people. Around 150 vaccinees is targeted on the first day of vaccination.

The process started at the waiting area where candidates for vaccination took the cue to proceed to the next step at the registration area to fill up and check necessary requirements. They then proceeded to the counselling area. Afterwards, they were endorsed to the screening area where a resident doctor checked and screened if the patient qualified for vaccination. Next stage was the actual administration of vaccine and the final stage was the post vaccination monitoring wherein patients were observed for possible reactions.**(PICAD)**

Binisita ni Vice Mayor Ony Cantimbuhan ang magiging tahanan ng Pamahalaang Lungsod ng Imus sa hinaharap. Sa ngayon ay nasa tamang takdang iskedyul ang pagawain at inaasahang magagamit ito bago matapos ang taon.
