DREAM DESKS FROM OUR HOME

Glass, wood, and metal blend in beautifully in this thismodern contemporary designed white Havana Computer Desk.

Compact drop-leaf Jacob Desk is easy to fold and easy to keep after a day's work. Perfect for smaller rooms or condos.

Double deck Scandinavian designed Janine IIDesk perfect for small spaces and for your kid's online classes.

Create a streamlined workspace with this sleek and polished Gavin Office Desk

Classic Hambu Writing Desk in elegant dark wood finish has both open and pull-out drawers for a more organized work space.

Our Home's Farkins Office / Study Desk has one side for writing and paper work, and another side for storage and décor.

After more than a year of working from home, it's time to indulge yourself by creating a working space that's both decorative and functional. And most likely, the desk will be the centerpiece of one's home office in terms of design and activity.

The good news is that whether you're working from home, having an online class, starting a new business or hobby, or simply browsing the net, Our Home has stylish selections that combine comfort, functionality and designs that you'll love. And it offers some tips when choosing your dream desk.

- Choose a desk that's right for your needs and that suits your space and style. Consider your workflow and activities to make sure that you can use your desk comfortably

and productively.

Also, consider your overall house design in choosing your desk. If your place is more traditional, the classic Hambu Writing Desk would be a perfect fit; while the white Havana Computer Desk will compliment contemporary spaces.

- Size (and Shape) Does Matter. Making the mistake of buying a desk that's either too big for your space or too small for the way you work will not be good for your productivity and comfort.

You'll also discover that apart from size, your desk shape does matter in helping you getting organized. Rectangular desks, like Our Home's Gavin's Office Desk, are the most popular choice, and these are available in a variety of width and depth sizes. Corner desks

for awkward spaces, and wave desks that provide you with the benefits of a rectangular desk while also giving you a larger desk top, are also great alternatives.

- Consider Storage. Without any storage, your home desk can become cluttered and disorganized. Opting for a chest with drawers is an ideal way to keep your workspace organized and to make sure that all your essentials are at your fingertips. Better still, opt for a desk and storage combination.

- Sitting Well. Sitting comfortably at your desk is necessary for making sure that you can be as productive as possible as you work. It will also ensure your back is continuously supported. Our Home has ergonomic

Cusi rallies PDP Laban to help in fight vs. COVID-10

PDP Laban President Alfonso Cusi on Wednesday rallied members of the administration party to help in the country's fight against the resurgent threat of the COVID-19 pandemic.

"Although we are in the midst of our preparations for the 2022 electoral contest, let us not lose sight of the more pressing and urgent fight: the battle against COVID-19," said Cusi, who is also the Secretary of the Department of Energy.

The ruling party is set to hold its national convention on 08 September this year to choose its final roster of candidates for the 2022 elections, including PDP Laban's candidates for President and Vice President.

Early this week, the government placed the National Capital Region under Enhanced Community Quarantine in a bid to drive down

the spike in the number of cases of COVID-19 infections attributed to the highly contagious Delta variant of the virus.

But even with the most stringent health protocols in place, the Department of Health has admitted that active COVID-19 cases in the National Capital Region (NCR) are projected to multiply by the thousands and could even reach 18,000 by the end of September.

"Let us utilize our organization down to the grassroots level to cooperate and assist in implementing the policies and strategy of the government against COVID-19," Cusi said.

He cited the many practical ways PDP Laban members could do to support the war against COVID-19, like helping educate the people about the importance of vaccination in our fight against the pandemic.

Likewise, Cusi said the local party

leaders and members can assist in ensuring proper observance of health protocols in their respective areas, noting they are in a better position to determine the particular needs in their own communities.

"No matter how insignificant it may seem, any contribution we could make in the fight against the coronavirus pandemic would go a long way toward pushing back our invisible enemy," Cusi said.

Noting the inevitable interaction with other political groups in the war against COVID-19, Cusi reminded PDP Laban members to set aside politics.

"Let us not let politics stand in the way of our battle to stem the tide of this pandemic. COVID-19 does not distinguish between people of different political colors. We are all in this together," Cusi declared.

DENGUE CASES IN CALABARZON 47% CASES LOWER THAN LAST YEAR

The Department of Health (DOH)-CALABARZON (Cavite, Laguna, Batangas, Rizal and Quezon) today reported a decrease in dengue cases in the region from January 1, 2021 to August 7, 2021 with 4,179 or 41% lower compared to the same date last year with 7,933 cases.

According to the Regional Surveillance and Epidemiology Unit (RESU), the age of cases range from 2 years old to 88 years old. There were

15 deaths recorded.

The province of Rizal has the highest reported cases with 1,377; the second is Cavite province with 1,276 cases; and Laguna province with 895 cases.

Regional Director Eduardo C. Janairo advised residents to be wary of mosquito bites especially now that we are still in the middle of the rainy season.

"Karamihan po sa atin sa ngaun ay hindi lumalabas ng bahay kaya't

siguruhin po natin na tayo ay protektado hindi lamang sa Covid kindi pati na rin sa dengue."

"Panatilihin po natin ang kalinisan, sa loob at labas ng ating bahay upang hindi po pamahayan ng mga lamok. Wala pong pinipiling oras ang mga ito upang mangagat at makapagdulot ng sakit na dengue," he emphasized.

Janairo also reminded parents to safeguard their children, especially those who ages 2 -10 years old, as they are more prone from mosquito bites.

"Use insect repellent, wear bright colored long-sleeved shirts and long pants and most important is to control mosquitoes inside and outside your home by destroying their breeding sites," he concluded. (GLEN RAMOS)

General Artemio Ricarte was an Ilocano teacher who involved himself in the fight against the abuses of the Spaniards in Cavite. He was in the Battle of Dalahican where the superior Spanish force was defeated. He fought in Southern Luzon against the Americans but was captured and deported to Guam. He came back to Manila after two years of exile but when he refused to swear the oath of allegiance to America, he was deported to HongKong. He secretly returned to Manila but was re-captured in Bataan. He was imprisoned for six years and was again deported to HongKong. Eventually, he went to Yokohama, Japan with his family. During the Second World War, he joined the Japanese Army when it retreated to the Mountain Province where he died. President Marcos ordered the burial of his remains in the Libingan ng mga Bayani.

Cusi rallies PDP Laban... (from p. 3)

He stressed that PDP Laban should be in the forefront of the fight against COVID-19 as the pandemic's heavy toll has eroded the gains the country has achieved under the administration of President Duterte, who is the party chairman.

He said that the ruling party has shown it can rise above the most difficult of challenges when it secured the electoral victory for President Duterte in 2016 despite a serious lack of resources and few but firm believers in their cause.

"Let us rekindle the same determination we had in 2016 and focus it on protecting our country and our people from the threat of COVID-19," Cusi said.

In 2016, Cusi took on the challenge to support Duterte party and helped reorganize what was then a party of a few with practically empty war chest and transformed it into the formidable political force in the country today.

Meanwhile, in his role as Energy Secretary, Cusi reiterated his call to all industry players from generation, distribution, utilities and transmission services to ensure the country of a stable

and adequate supply of electricity. A stable power supply is crucial to guarantee the efficacy of vaccines at the same time, it is an important component to jumpstart the economy. ###

Thousands of jobs will be up for grabs as the Department of Public Works and Highways (DPWH) launched on Monday, August 9, 2021 its nationwide virtual job fair dubbed "Bigay Trabaho": DPWH Jobs Fair 2021.

Public Works and Highways Secretary Mark A. Villar said that the job fair, in partnership with the Department's contractors nationwide, was conceptualized to provide local employment amid numerous layoffs due to COVID-19 pandemic.

"I am inviting jobseekers to check our website, our official social media sites for job postings starting Monday, or they can directly contact us at: Landline no. (02) 16502, Viber no. 0961-684-7084, or email at markvillar_bigaytrabaho.dpwh.gov.ph," said Secretary Villar.

"Our Build, Build, Build Program will still require millions of local manpower nationwide despite the pandemic. Jobs will allow communities to recover from the economic impact of COVID-19, added Secretary Villar.

This year alone, DPWH estimates around 1.6 Million jobs will be generated from its 2021 budget of P695.7 Billion.

Jobseekers may also directly check Official Facebook pages of specific DPWH Regional Offices for job opportunities in their locality.

Possible employment opportunities include but not limited to construction jobs such as engineers, carpenters, steel man, welder, scaffolder, electrician, painters, and laborers.
