PROYEKTONG RECYCLED SOLID WASTE ON WHEELS, INILUSAD SA ALFONSO

Ibinahagi ni Alfonso Mayor Randy Salamat ang proyektong Recycling Solid Waste on Wheels (RS-WOW), na inilunsad sa kanilang bayan upang matugunan ang problema sa mga basurang plastik.

Ayon kay Salamat, ang mga recycled materials ay magagamit muli bilang sangkap sa paggawa ng mga hollow blocks at floor bricks.

"Sa wakas, ang mga basurang plastic sa ating palengke at mga barangay ay magiging sangkap na sa pag gawa ng mga hollow blocks at floor bricks. Ito po ang produkto ng ating Recycling Solid Waste On Wheels o RS WOW," ani Salamat.

"Ito po ang kauna-unahang teknolohiya sa ating bayan upang malutas ang ating usaping basura."

Samantala, ang mga nabubulok na basura ay gagawin naman umanong pataba o fertilizer.

Nagpasalamat ang alkalde sa MENRO ng kanilang bayan para sa naging initial testing ng naturang proyekto.

ANG EHEKUTIBO

1. Ang Mayor, Governor saka ang Pangulo,
Sila'y mga tao na Ehekutibo,
Kasama'y Hukuman, at Lehislatibo,
Tatlo silang sangay ng ating Gobyerno.

2. Ang Ehekutibo'y makapangyarihan
Dahil kontralado ang pondo ng bayan,
At ang sinasabi na Intelligence Funds
Na di binusisi detalyadong account.

3. Ang maraming gastos sa mga halalan,
Sa Intelligence Fund baka pagbawian,
Sabagay hindi na ito malalaman,
Dahil ang Auditor tanggap din ang Lump Sum.

4. Kaya ang kalaban ng naupong Mayor,
Hirap na lumaban, sa pondo'y may trobol,
Ang Intelligence Funds pag ating pinutol,
Sa halalan wala na ang manunuhol.

5. Ang nakikita ko'y ayos na Alkalde
Sa bayang mahirap at dukha'y marami,
Subali't pag yaman dumagsa sa dati,
Makikita mo na ang maraming dumi.

6. Subali't ano ba ang dapat asahan?
Pulitika natin, bukal din ng yaman.
Mga batas natin: Bulag at Bingi daw.
Simula'y mahirap. Nag-retire mayaman.

7. Marami rin naman ang Alkaldeng ayos,
Maraming Governor ayos din sa tuos.
Dahil marami ba mga dukhang pook?
Dahil talaga bang mabuti ang loob?

8. Ang Ehekutibo laluna't Pangulo
Na anim na taon ang takdang serbisyo,
Sana'y wala silang lihis na motibo,
Dahil kung diretso, tayo'y may progreso.

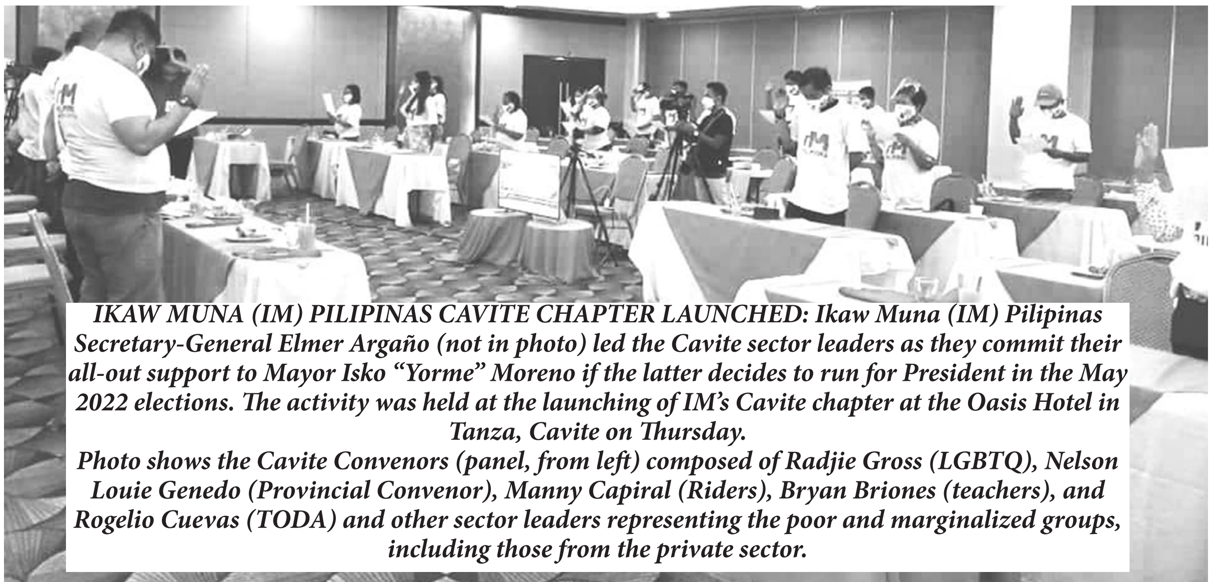
IKAW MUNA (IM) PILIPINAS CAVITE CHAPTER LAUNCHED



IKAW MUNA (IM) PILIPINAS CAVITE CHAPTER LAUNCHED: Ikaw Muna (IM) Pilipinas Secretary-General Elmer Argaño (not in photo) led the Cavite sector leaders as they commit their all-out support to Mayor Isko "Yorme" Moreno if the latter decides to run for President in the May 2022 elections. The activity was held at the launching of IM's Cavite chapter at the Oasis Hotel in Tanza, Cavite on Thursday.
Photo shows the Cavite Convenors (panel, from left) composed of Radjie Gross (LGBTQ), Nelson Louie Genedo (Provincial Convenor), Manny Capiral (Riders), Bryan Briones (teachers), and Rogelio Cuevas (TODA) and other sector leaders representing the poor and marginalized groups, including those from the private sector.

TANZA, Cavite – A multi-sectoral group pushing for Manila Mayor Francisco Moreno Domagoso - more popularly known as Isko "Yorme" Moreno, to run for President in the May 2022 elections launched its Cavite chapter in an event at the Oasis Hotel here.

The group - composed primarily of farmers, workers, tricycle drivers operators association, small-scale business owners, professionals, health workers, public and private school teachers, women, youth, members of the LGBTQ (lesbian, gay, bisexual, transgender, queer/question) community, including the private sector, is rooting for Isko to run for the highest position as "we need a new brand of leader and leadership," said former former Metro Manila Development Authority (MMDA) General Manager who also served as Undersecretary of the Department of Transportation - the coalition's lead convenor, Tim Orbos.

"Nagawa nga niya sa Maynila (ang maayos na pamamalakad), sa buong Pilipinas pa kaya?" (he did a great job with his governance in Manila, what more for the Philippines?), stressed Orbos as he justifies their choice of President in the upcoming elections.

In a joint statement released in Filipino, the group highlights Moreno's unique qualities that endear him to the masses. They said, Moreno or "Yorme" is different from the rest.

He is a rare breed of leader that is very down-to-earth and will reach out to the poor not because he remembers them but cares for them. Thus, it is no wonder why the underprivileged, poor sectors are asking him to run for President, the statement further said.

The group are astonished by how Yorme administers the entire city of Manila despite fallacious accusations from the present administration, like the recent comment of Malacañang on "Yorme's" suggestion to improve the government's pandemic response by purchasing Remdesivir, Tocilizumab, and ventilators, instead of buying more face masks. It was unfortunate that "politicking" is the only know answer of the present administration amidst pandemic.

The vulgar incompetency, corruption, and hunger for power of the present administration make it more tactical and strategic for ordinary people to regain what truthfully belongs to them. The worsening split on the administration-led Super Block, on the other hand, pave more way for the opposition and all its allies to restore pro-people democracy.

Orbos is joined by the movement's national convenors such as Phillip "Dobol P" Piccio, IM-P head for political affairs Bong Mangahas, and Secretary General Elmer Argaño with provincial convenors like Bryan Briones, Nelson Louie Genido, and Manny Capiral.

Also seen at the event who are voluntarily extending their commitment of support because they believe Moreno can champion their welfare and rights include President/Founder Phil. Eagles Riders Club and Riders Rights Advocate Manny Capiral; Labor Leader of Cavite Economic Zone Lucky Soliman; Radjie C. Gross - Founder of LGBTQA Cavite Bachelorette; Rosalina Alota - Women Sector; Fiona Celine Cayabyab - Youth Sector; Thelma Alicdan - Vendors Sector; and Daviejane Hementera – TODA (Tricycle Operators and Drivers Association) President.

The "Ikaw Muna" (IM) Pilipinas movement takes on Cavite after its successful national launching held, in the same hybrid fashion, at the University of the Philippines – Diliman last July 2 where some 200 leaders from 16 provinces attended.

The event also served as a venue for the swearing-in of commitment of sectoral leaders of IM Pilipinas- Cavite.

Statements from the Sector Leaders:

From Manny Capiral, President/Founder Phil. Eagles Riders Club. Riders Rights Advocate:

"Nakakalungkot sapagkat hindi man lamang kami maipagtanggol nang maayos ng ating pangulo na isa ring rider, hindi gaya ni Yorme. Walang diskriminasyon kay Yorme. Paano? Tignan na lamang natin ang kampanya sa bakuna sa siyudad ng Maynila. Basta nasa Maynila ka ay entitled ka sa bakuna at iba pang anyo ng ayuda. Hindi usapin sa kaniya kung Manilenyo ka o hindi. Ito ang mga bagay na kapuri-puri sa riders' community. Mayroon siyang political will at good personality dahilan para siya ang mamukod-tangi sa lahat ng mg puwedeng maging presidente. Ito ang tunay na lider. Hindi hipokritong politiko."**(ROSELLE AQUINO)**

Imus and Bacoor that are highly susceptible to rain-induced flash flooding.

The project will help address flooding woes in low-lying areas affected by the confluence of Imus River and Bacoor River, added Secretary Villar.

According to Undersecretary Emil K. Sadain, the design of two (2) retarding basins are based on a comprehensive flood management master plan prepared by JICA.

These constructed retarding basins will temporarily store most, if not all, of the rainwater run-off during very high rainfall to reduce the peak volume of flood flow and later release at regulated rate, said Undersecretary Sadain.

The reservoirs that will also reduce the floodwater going downstream were built under financing of JICA's Official Development Assistance (ODA).

When water level increases during flooding, the floodwater overflows into the retarding basins and will be discharge once the water level in Imus and Bacoor River subsides or at normal rate.

The Imus retarding basin at Barangay Anabu has a water detention area of about 35 hectares with 2 meters by 2 meters one (1) barrel drainage sluice and 84 meters overflow dike.

On the otherhand, Bacoor retarding basin located in Barangay Buhay na Tubig has two (2) basin connected by a 2.7 meters by 2.7 meters one (1) barrel sluiceway for a total pond area of 9 hectares with overflow dike of 42 meters and 1 meter by 1 meter one (1) barrel drainage sluice. **(DPWHPIO)**

DPWH MM1DEO PINABULAANAN ANG ULAT NA MAY 21 BILYON PONDO, DRONES GAMIT UPANG MASIGURO MGA PROYEKTO ON TIME

Pinabulaanan ng Department of Public Works and Highways Metro Manila 1st District Engineering Office (DPWH-MM1DEO) ang napaulat kamakailan na ang kanilang tanggapan ay may 21 Bilyong Pisong pondo sa mga proyekto. Sinabi ni District Engineer MEDEL CHUA na masyadong malisyoso, walang batayan at katotohanan ang nakuhang datus na inilathala ng isang pahayagan.

Sa ating pagsasaliksik sa nasabing isyu napagalaman natin na ang FY 2021 ANNUAL INFRASTRUCTURE PROGRAM Based on General Appropriations Act ang pondo ng MM1DEO ay nagkakahalaga lamang ng Php 6,255,973,000 at ang Php 10,005,713,000 ay sa DPWH-NCR Office kung saan ang proyekto nito ay nakapaloob sa distrito ng una. Kung kaya't susumahin ang kabuuan ay nagkakahalaga ito ng Php16,261,688,000 na may 450 na proyekto, Ensure Safe and Reliable National Road System Php 497,477,000 na may 16 na proyekto, Asset Preservation - Preventive Maintenance - Primary Roads Php 3,000,000 at Multi-Year Obligational Authority (MYOA) Php 2,441,000 sa kabuuang pondong nabanggit nakapaloob na din ang mga proyekto ng DPWH-NCR Office kung saan ang MM1DEO ang mangangasiwa at magsusuperbise ng mga naturang proyekto nito.

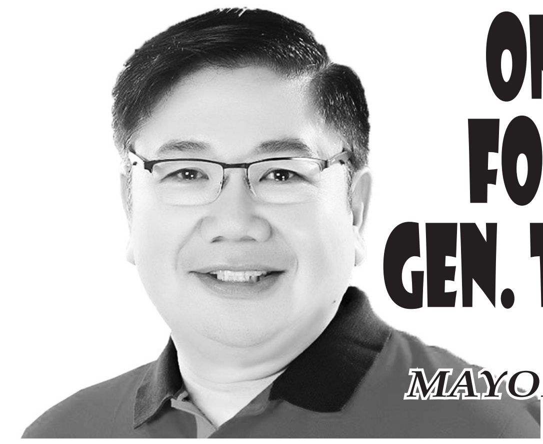
Ikinalungkot ni DE CHUA na hindi inalam ng mabuti ng mga nag-ulat ang mga tamang datus bago ito inilathala bagkus maling impormasyon ang kanilang inilahad sa publiko. Nakakadismaya nasa kawalan ng responsibilidad ay makakasira at makakaligaw ng unawa sa mga mamamayan na makakabasa ang maling panulat, sabi nito.

Sa kabila nito ipinabatid ng nasabing District Engineer na gumagamit sila ngayon ng mga DRONES bilang instrumento para sa mabilis at epektibong pagmonitor sa mga proyekto na kanilang ipinatutupad. Isang paraan upang lubos na malaman kung ang mga nasabing pagawain ay on time at matatapos sa itinakdang panahon.

Ang sistemang ito ay makakatulong na mapataas ang antas ng level sa performance ng nasabing distrito. Bukod dito ay nagtalaga din ng mga project monitors ang pamunuan para lubos na mabantayan at maasistihan kung ang isang proyekto ay may problema.

Nagsasagawa din sila ng regular meetings para malaman ang status accomplishment ng mga konstruksiyon.

Inihayag ni DE CHUA na sinisikap nilang lalo pang mapataas ang antas ng kalagayan ng distrito sa paggawa bagamat ito ay may apat na siyudad na nasasakupan Pasig City, Marikina City, Mandaluyong City, San Juan City at Taguig City-Pateros ay patuloy silang maglilingkod ng may dedikasyon, kasiyahan kaayusan at kasipagan upang lubos na makapaglingkod sa mamamayan. **(RENANTE "ARJAY" JAROBEL/MARJORIE MAHUSAY)**



ONWARD FORWARD GEN. TRIAS CITY

MAYOR ONY FERRER

SERVICE PATROL: Sa kagustuhan ng ating mahal na Punumbayan, Mayor Larry M. Alilio na mas lalong mapanatili ang kaayusan at katahimikan sa loob ng ating barangay at upang mas maipahatid ang serbisyo ng ating Lokal na Pamahalaan , ang ating Punumbayan ay muli na namang nagkaloob ng patrol o "service vehicle" para naman sa Barangay Anak Dagat at Barangay Dayapan. Malaking tulong ang nasabing patrol upang magamit ng ating mga kababayan lalo na ngayong panahon na may kinakaharap tayong pandemya. (RENANTE "ARJAY" JAROBEL/ MARJORIE MAHUSAY/Photo by Mayor Staff)

BFP REGION-4A LAGING NAKAANTABAY SA LAHAT NG PANAHON...

Ang buong puwersa ng Bureau of Fire Protection Region-4A (BFP R-4A) ay laging nakaantabay sa lahat ng panahon upang tumugon sa ano mang insidente at sakuna. Adhikaing makapagbigay ng lubos na sebisyo sa taong bayan.

Ipinag-utos kamakailan ni BFP R -4A Regional Director SSUPT ROBERTO M. GENAVE sa kanyang mga tauhan na laging maging alerto at handa lalo na sa ngayon na ang kanilang rehiyon ay nahaharap sa maraming pagsubok. Nariyan ang banta sa muling pagsabog ng bulkang Taal at ang mataas na antas ng Covid-19 cases sa mga lalawigan na kanilang nasasakupan.

Sa kasalukuyan nagtalaga na ng mga BFP personnel sa mga Quarantine Control Points (QCP) upang magbigay ng assistance sa ating mga kapulisan para maipatupad ng may kaayusan ang covid-19 protocol.

Mayroon ding mga personnel na itinalaga sa mga vaccination centers upang makatulong sa ating mga Frontliners at gayon din sa mga lugar kung saan maapektuhang ng bulkang Taal kung sakaling magalboroto para sa mabilisang evacuation at agarang pagtulong sa mga mamamayan.

Sinabi ni RD GENAVE na sa kasalukuyan ay halos 75 porsiyento ng 3,500 mahigit na tauhan nito ang nabakunahan na. Umaasa ang nasabing pinuno na bagaman nahaharap ang bansa sa pandemya ng Covid-19 ay patuloy nilang gagampanan ang tungkulin ng may tapang at didikasyon sa lahat ng sandali upang makapagligtas ng buhay at ari-arian gayon din sa pagharap sa anumang sakuna. **(RENANTE "ARJAY" JAROBEL/MARJORIE MAHUSAY)**

EDITORIAL

Ang agrikultura ay nagbibigay sa atin ngayon ng salapi mula sa iniluluwas nating mga raw materials. May isa pang bagay tayo na dapat adhikain na ang mga raw materials na ito ay tayo na ang magdevelop upang magkaroon ng dagdag na halaga. Halimbawa ay ang prutas na puwede nating i-process para maging candy. Isa lamang iyan sa marami nating puwedeng gawin.

Unti-unti ang ating pagsulong at isang araw ay magagawa rin natin ang mga panukalang sinundan ng mga bansang umunlad.

PILOT RUN NG LIMITED FACE-TO-FACE CLASSES, SISIMULAN SA NOBYEMBRE

Nakatakdang masimulan ang pilot implementation ng limited face-to-face classes sa darating na Nobyembre 15 batay sa anunsyo ng Department of Education (DepEd) nitong Miyerkules, Oktubre 6.

"We start on November 15, the face-to-face classes and tinaon po natin doon sa pilot schools, tinaon po 'yan natin sa umpisa ng academic quarter two ng ating school calendar," ayon kay DepEd Usec. Atty. Nepomuceno Malaluan.

Inaasahan na magtatapos ang inisyal na implementasyong ito sa Disyembre 22 matapos ang ihahaing assessment, kung saan matatapos naman ang pilot run sa buwan ng Enero 31 sa susunod na taon.

Mula rito ay susuriin ng DepEd ang mga eskwelahan na sumailalim sa nasabing pilot run upang may mapalawig pa ang proposal ng nasabing system kay Pres. Rodrigo Duterte sa buwan ng Pebrero.

Kung sakaling aprubahan, posibleng mapalawig at maipagpatuloy ang face-to-face classes sa March 7, 2022.

Matatandaan na pumayag ang Pangulong Duterte nitong buwan ng Setyembre na magkaroon ng limited face to face classes sa mga lugar na hindi gaanong nakapagtatala ng COVID-19 cases sa bansa.

Alinsunod sa City Ordinance No. 21-46, isinagawa ang pamamahagi ng honorarium para sa mahigit 300 Barangay Health Workers (BHW) bilang pagkilala sa kanilang mahalagang kontribusyon ngayong pandemya.

Pinangunahan ni Mayor Ony Ferrer ang nasabing pamamahagi katuwang sina Vice-Mayor Morit Sison, Coun. Jonas Labuguen at SP Chairperson ng Committee on Health, Nutrition and Population, Coun. Kristine Perdito-Barison.
