DOH CALABARZON WRAPS UP PROVINCIAL NVD TOUR IN 3 ISLAND TOWNS OF QUEZON

DOH officials led by Usec. Charage M. Grande, DOH-CALABARZON Regional Director Ariel I. Valencia, DRRM-H Manager Voltaire Guadalupe and Quezon Provincial Health Team Leader Juvy Paz M. Purino visited the island towns of Alabat, Quezon-Quezon and Perez on December 1, 2021 to conduct monitoring and assessment during the last day of national vaccination day.

A n officer of the Bureau of Fire Protection administers an Aztrazenece vaccine to a resident of Alabat, Quezon. BFP

has been actively supporting health programs and project of the DOH in the province of Quezon.

Department of Health (DOH) - CALABARZON (Cavite, Laguna, Batangas, Rizal, Quezon) today

wrapped-up its provincial tours for the 3-day national vaccination days (NVD) by visiting the main vaccination

sites and observing the conduct of vaccination activities in the island towns of Alabat, Quezon-Quezon and Perez in the province of Quezon.

DOH Undersecretary Charade M. Grande and Regional Director Ariel I. Valencia led the island visits during the last day of NVD. Both personally witness the situation of the vaccination activity including concerns and issues experienced by

establishments in the National Capital Region (NCR) will soon randomly ask the public for vaccination cards as part of efforts to restrict the movement of the unvaccinated in the region.

In a Laging Handa briefing on Tuesday, Metropolitan Manila Development Authority (MMDA) Chair Benjamin “Benhur” Abalos, Jr. urged the public to always bring identification (ID) and their vaccination card whenever they go out in public.

“Magtutulongan po ang national government through the National Police (PNP) and of course ang mga kawani po natin sa LGU [local government unit] at kasama na ang mga private po rito – sa mga malls, etcetera – to make sure na ma-implement po natin ito (The national government, through the PNP, will work together with the LGUs and private establishments, such as malls, to ensure its implementation),” Abalos

said. The Metro Manila Council (MMC)— composed of the 17 NCR mayors and the MMDA— earlier issued a resolution restricting the movement of the unvaccinated within NCR to help address the rising cases of Covid-19 and the threat of the highly-transmissible Omicron variant.

He noted that the resolution will only take effect once LGUs draft and implement an ordinance to enforce the new protocol.

“Ito po ay gagawin ng bawat city o municipal council ng bawat LGU in Metro Manila. Pero mabilis na lang po ito dahil may template na po kami (This will be done by each city or by the municipal council of each LGUs. But it shouldn’t take long because we already have a template),” Abalos said.

Once the restrictions are in place, he said only areas affected by granular lockdowns will be provided with “ayuda”

(assistance) in the form of groceries.

“Tinutulungan po ito ng LGU para naman kasi bawal sila masyadong lumabas baka makahawa, binibigyan po iyan ng mga pagkain, kaunting assistance and, of course, ng ating DSWD [Department of Social Welfare and Development] (They are being assisted by the LGUs because they can’t go outside as they may infect somebody. They are given food, some assistance, and of course, by the DSWD),” Abalos said.

On Monday, the MMC issued MMDA Resolution No. 22-01, series of 2022 urging LGUs to enact ordinances for “enhanced restriction” on unvaccinated individuals.

The resolution bars unvaccinated individuals from going outside their homes, except for the procurement of necessary goods and services such as groceries and work and individual exercise. (PNA)

CALABARZON REMINDS RESIDENTS TO CELEBRATE NEW YEAR SAFELY WITH THE FAMILY

In his message to residents of CALABARZON, Regional Director Ariel I. Valencia emphasizes the importance of celebrating the coming new year safely and with the family. "Gawin po nating makabuluhan ang pagsalubong ng bagong taon ng masaya, ligtas at kasama ang ating pamilya. Siguraduhin din po natin ang ating kaligtasan at kalusugan sa pamamagitan ng pagbabakuna klaban sa Covid-19 virus," he stated.

"Salubungin natin at ipagdiwang ang bagong taon ng ligtas at puno ng pasasalamat sa Poong Maykapal," Department of Health (DOH) - CALABARZON (Cavite, Laguna, Batangas, Rizal, Quezon) Regional Director Ariel I. Valencia today stated.

"Hindi pa po

tapos ang ating laban sa Covid-19. Let us continue to follow health protocols and ensure that everyone in our family is vaccinated as protection to the omicron virus."

Valencia also reminded residents to avoid purchasing illegal fireworks. "Although

there are some fireworks

that are allowed for sale, you should think twice before spending hard earned money on them," Valencia stated.

"Kailangan tayong maging maingat sa pagkakaagastusan ngayong taon dahil hindi pa tapos ang pandemya at maraming importanteng

A ten-year old, Jillianne Reigne C. Amon, plays with one of the alternative noise maker that can be used during the celebration of the new year. It is a plastic horn which can be blown by attaching a small air pump which then emits a loud noise.

bagay na dapat bigyan ng prayoridad kaya mas makabubuting iwasan ang pagbili ng mga paputok upang makaiwas na rin sa disgrasyang dalanito."

Executive Order No. 28, signed by President

Rodrigo Duterte, bans individuals from using firecrackers or setting up their own fireworks displays during "events of personal, religious, cultural, and national importance," especially during New Year's Eve.

The order also prohibits the illegal manufacture, use and sale of the Super Lolo, Atomic Big, Triangulo, Mother Rockets, Lolo Thunder, Five Star, Og, Pla-Pla, Pillbox, Watusi, Piccolo, Giant Whistle Bomb, Big Judah's Belt, Large Bawang, Bosa, Goodbye Earth, Bin Laden, Coke in Can, Kabasi, including overweight firecrackers with more than 0.2 grams or 1/3 teaspoon of explosives, as well as those with short fuses or those that detonate in less than three seconds but no more than six seconds.

Like wise, firecrackers without labels and those which contain sulfur or phosphorous combined with chlorates are also

prohibited.

"We have been promoting "only fireworks community displays", provided of course they have authorization of their local government unit," Valencia added.

He also reiterated the health department's directive discouraging the use of horns and whistles, especially by kids, to prevent the spread of the corona virus which is through airborne or respiratory droplets. "Bantayan po natin ang mga bata dahil madalas ay ipinapagamit sa kanilang kaloro ang kanilang torotot at pito at dito nagkakaroon ng di maiiwasang transmisyon ng mikrobyo."

CALABARZON recorded a total of 5 cases of fireworks-related injury last year.

"Let us continue to live safe and healthy, away from any firework devices. Gawin nating makabuluhan ang pagsalubong ng bagong taon kasama ang ating pamilya," he emphasized. (GLEN RAMOS)

DASMAREÑO, 2ND PLACE SA 2021 PHILIPPINE NATIONAL CHESS WOMEN'S CHAMPIONSHIPS

Isang Dasmareño ang nakapag-uwi ng 2nd place sa katatapos lamang na 2021 Philippine National Chess Women's Championships, na ginanap na noong Disyembre 18 hanggang 23 sa Quezon City. Ayon kay Congressman Pidi Barzaga, si Kylen Joy Mordido ay anim na taon ng miyembro ng Dasma Chess Team at nakakuha ng iba't ibang titulo tulad ng Woman International Master (WIM) at isang Woman Grandmaster Norm (WGM) sa South Korea taong 2018, habang 2nd WGM sa Myanmar noong 2019. Lubos na binabati ni Barzaga ang pagkapanalong ito ni Mordido na nagbigay karangalan hindi lamang sa lungsod ng Dasma pati na rin sa lalawigan ng Cavite.
