DTI-CAVITE INTENSIFIES HEALTH PROTOCOL MONITORING AMID COMMUNITY QUARANTINE

The Department of Trade and Industry (DTI) – Cavite increased its presence in various establishments in the province to monitor the implementation of Minimum Health Protocols during the period of Modified Enhanced Community Quarantine (MECQ).

With the help of four Consumer Protection Division staff, four price monitors, 24 Negosyo Center business counselors, and three project coordinators, DTI-Cavite was able to expand its reach. A total of 167 establishments were monitored, 80 of which were dine-in restaurants, salons, and barbershops while 87 were other retail establishments. Said establishments were monitored from March to April 2021.

As for the areas covered, the local government units (LGUs) with large number of establishments monitored were the City of Dasmariñas, followed by City of Imus, City of Bacoor, and Municipality of Indang.

When non-compliance is observed, monitors initially request the establishment to do corrective actions, followed by close monitoring of the establishment for three days before reporting it as non-compliant.

Since the monitoring activities began in March, 100% compliance among Cavite establishments has been reported.

(dti.gov.ph)

Isang karangalan ni Cong. Alex AA Advincula ang makatulong sa pagbubukas ng bagong Land Transportation Office dito sa ating lungsod ng Imus. Hangad niya ay kaginhawaan para sa kapwa Imusenyo na nag-aasikaso ng kanilang license renewal, vehicle registration, atbp.

Lubos ang kanyang pasasalamat sa mga dumalo at nagpaunlak sa inagurasyon na sina Department of Transportation Secretary Arthur Tugade, Assistant Secretary Goddes Hope Libiran, Assistant Secretary Mark Pastor, mga opisyales po ng Land Transportation Office; Assistant Secretary Edgar Galvante, Region 4A Director Attorney Noreen San Luis-Lutey, Region 4A Assistant Director Atty. April Casabuena, LTO Chief Gilda Zubia. Kasama din po ang ating Governor Jonvic Remulla, Congressman Jonjon Ferrer, Councilor Adrian "AJ" Advincula at ang kanyang maybahay na si Neri.

DPWH INSPECTS CALAX PROGRESS

The Department of Public Works and Highways Sec Mark Villar along with executives from MPCALA Holdings Inc. (MCHI) inspects the progress of CALAX Subsection 5, which is slated to be opened to motorists this third quarter of 2021.

CALAX Subsection 5 is a 7.2km, 2x2 lane expressway that will link Sta. Rosa-Tagaytay Road to Silang, Cavite. Once operational, this section of CALAX is expected to serve 5000 vehicles daily, helping decongest traffic along Governor's Drive, Aguinaldo Highway, and Sta. Rosa-Tagaytay Road.

Seen during the drive-through inspection are toll structures of the upcoming Silang East interchange, and other miscellaneous works being conducted to ensure road quality and safety of motorists in the expressway.

"I am very pleased that despite the mobility challenges brought about by the pandemic, construction for CALAX Subsection 5 remains on track and would soon be made available to motorists in the third quarter of 2021. It is a vital portion of CALAX that would help accelerate economic progress of Region IV-A, as it links the two provinces of Cavite and Laguna," stated DPWH Villar.

MPCALA President and General Manager, Robert Bontia further shared that as of date, CALAX Subsection 5 is already 94% completed. Like DPWH, they look forward on the segment helping spur growth to the community and the Region.

Simultaneously, MPCALA and DPWH have started and have reached 18.3% construction progress of the next 2.8km CALAX Subsection 4 which will link Aguinaldo Highway to the upcoming Silang East interchange and this segment is set to be completed by 2022.

"DPWH continues to exert full effort in the acquisition of right-of-way for all the remaining segments to be able to deliver the project by the end of 2022", added Villar.

The currently operational segments of CALAX run from Mamplasan to Sta. Rosa, Laguna and serves around 10,000 vehicles daily.

Upon completion, CALAX will span 45-kilometers with eight (8) interchanges at the following locations: Kawit, Governor's Drive, Open

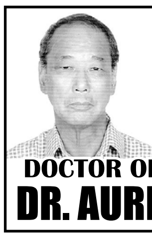
Ang Hanapbuhay



MAKATANG KABITENYO
DLSU-DASMARIÑAS AWARDEE
MAKATANG KABITENYO 1999
F&A.M LINCOLN LODGE # 34
DOCTOR OF HUMANITIES (HONORIS CAUSA)
DR. AURELIO PAREDES BAUTISTA

1. Ang buhay ay kamit na ng isang tao,
At di kailangang hanapin sa mundo,
Itong hanapbuhay na winika dito,
Ay paghanap nitong ikatatawid mo.

2. Sa mga gawain ay may panuntunan,
Ang tumataas lang may pinag-aralan,
Ang hindi nag-aral laging naiiwan,
Maliban siya na rin ang namumuhunan.

3. Marami ang uri nitong hanapbuhay,
Unang halimbawa'y magtanim ng palay,
Isang magsasaka kung sila ay turan,
At sa ating isla'y dukhang naiiwan.

4. Ikalawa naman ay mga obrero,
Trabaho'y pabrika o pribadong tao,
Kumita man dito'y kahig mo, tuka mo,
Walang naiipon sa kanilang mundo.

5. Ikatatlo naman ay ang komersyante,
Bili ay mababa at para mabili,
Maliit na tubo'y salamat ang sabi
Upang mabuhay lang at iwas sa lugi.

6. Mga komersyanteng sapat ang puhunan,
Sila'y umuunlad saka yumayaman,
Komersyante namang puhunan ay utang,
Higit lang ang buhay sa namamasukan.

7. Ang mga may-ari ng mga pabrika,
Pabrikang malaki, marami ang kita,
Pabrikang maliit, kita ay puwede na,
Kaya silang lahat ay gumiginhawa.

8. Ngunit ang pabrika'y napakaseloso,
Kailangan kapit ka sa pagnenegosyo,
Sa mahabang kawang matatampo ito,
Maraming bumagsak sa ganitong trato.

9. At kung ikaapat hari ng pabrika,
Ikalima naman ay merong diploma
Sa lahat ng antas ay naroon sila,
At naroon sila kung saan may pera.

10. Doktor, abogado saka inhinyero,
Narses at accountant, pati na ang maestro,
Kalimitan sila'y may malaking suweldo
Dahil sa sistema'y sila ang may payo.

11. Ikaanim naman ay nasa gobyerno,
Ang lingkod ng bayan sila'y pulitiko,
Mula sa barangay hanggang sa Pangulo
At sa buong bansa, sila ang may mando.

12. At katulong nila'y pulis at sundalo,
Upang ipagtanggol ang tao't estado,
Ito ang pundasyong laging naibando,
Bagama't may konting kumokontra dito.

13. At ang ikapito't kahuli-hulihan,
Ay ang panginoong maylupa ang ngalan,
At landlord sa Inggles kung sila'y turingan
Bagama't lupa lang ang kanilang tangan.

14. Ang salitang landlord ay di na totoo,
Dahil panginoon bumagsak na ditto,
At sa demokrasya'y ordinaryong tao,
Mula nang kolonya'y mawala sa mundo.

15. Pinili ko dito'y maging propesyonal,
Isang inhinyero nang ako'y itanghal,
Nasa likod ako ng gawang kalakal,
At nakikinabang sa ganyang larangan.

16. Bukod sa pagiging isang inhinyero,
Pinili ko'y isang magandang negosyo,
Kayang ipagawa sa mababang presyo,
At mangangasiwa ay ang asawa ko.

17. Apartment ang aking piniling negosyo,
Tugma naman ito sa nais ng tao,
At nang ang negosyo naman ay tumakbo,
Sinikap kong lupa ang pagbalingan ko,

18. Lahat ng gawa ko ay pinagbuti ko,
Tanging kabutihan gabay sa negosyo,
Dahil din sa danas ng maraming tao,
Kabutihan natin sa unlad patungo.

19. Ito ang payo ko sa inyong landasin,
Isang hanapbuhay bago mo piliin,
Ang iyong talento'y dapat na alamin,
Talento ay mula sa Lumikha natin.

20. Talento ay tanda na doon pisanin,
Ang iyong mabuting marapat na gawin,
Biyaya'y malimit na doon dumating,
Maliban di tugma sa Plano sa atin.

21. Dahil kung tumbok mo'y laging may problema,
Kahit talento mo'y nilulubos mo na,
Noon dapat ka nang mag-isip pagdaka,
Baka ang Lumikha ay may planong iba.

22. Sa masasalubong na maraming tao,
Sarili'y tanungin, "ano ang trabaho,
Nitong mga taong kasalamuha ko?"
Alamin din limit sila'y kasama mo.

23. Dahil mga taong malimit kasama,
At nagtatagumpay sa kanilang linya,
Baka makatulong kung ikaw mag-iba,
Sa planong gagawin sa linyang bago na.

24. At sa bagong linya ngayong pinili mo,
Kapag dumadali at merong progreso,
Paspasan at ito'y biyayang totoo,
Bigay ng Lumikhang ampon ka sa mundo.

THE LOUNGE LIFESTYLE AT SURPLUS

Energize your all-white ensemble with a pink hoodie and tote bag made of PVC material which is easy to disinfect after your outdoor errands.

Tie-dye leggings paired with a matching green hoodie.

Hoodies are hot especially when worn with a pair of breezy linen pants

Elevate your loungewear with all-black outfit and a brown hoodie.

Laid-back blues: blue hoodie and jogger pants.

There's a lot of grey matter on the loungewear horizon

As we shift into new lifestyles – WFH arrangements, online classes, zoom meetings, binge-watching our favorite series- loungewear has become a defining fashion staple in many of our wardrobes. And after a year, in elevated style, it has found its way in the spring/summer runways – track pants at Celine and sweat suits at Rodarte and Balenciaga.

Cozy, cool, and chill loungewear has been updated with fresh colors and new features at Surplus.

Hoodies are hot, tracksuits are right on track in the new Surplus collection. There are elevated knit sets, including knit polos with a preppie vibe – the ultimate top to make you feel cozy during zoom meetings.

Explore soft fabrics such as fleece, ribbed, knits, sweat shorts, biker shorts or loose-fitting pullovers and oversized tees for a stylish comfort. Elevate your loungewear game easily by mixing and matching colors and styles, creating a chic yet effortless monochromatic look or throwing on some accessories.

And while spending more time at home, Surplus has wellness essentials to help you unwind and make staying indoors much more enjoyable. Get cozy with Japanese Tatami Chairs in fun colors; and breathe healthy with Wooden Humidifiers or Wooden Air Purifiers. Create your own spa at home with the Rest Easy Massager and Rechargeable Hot Compress.

Stay cozy and safe with the loungewear and self-care home essentials from Surplus. These and other versatile fashionable pieces and protective essentials are available in Surplus stores located in most SM Supermalls.

There are many ways to shop at Surplus!

Order To Deliver. Contact your nearest Surplus branch bit.ly/OTDcontacts

DOST-CALABARZON high hopes on commercialization of the 12 technologies presented during StARTT Technology Transfer Day

To cap off its series of activities under DOST's Strategy to Accelerate and Revitalize Technology Transfer (StARTT), DOST-CALABARZON conducted its virtual Technology Transfer Day last 7 May 2021 via Zoom and Facebook Live. This event is in partnership with DOST-TAPI and DOST-PCIEERD in the effort to promote locally-developed technologies pioneered by various Research and Development Institutes (RDIs) and State Universities and Colleges (SUCs) as well as build partnerships with potential technology adopters.

From the 25 technologies assessed in the previous activities under StARTT program, the Technology Transfer Day featured 12 technologies from CALABARZON and NCR regions and was attended

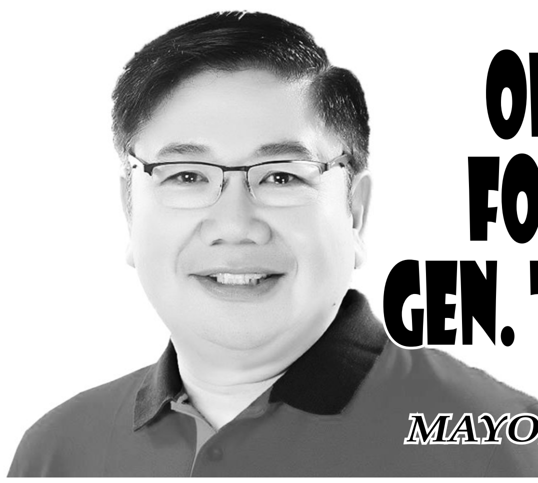
Pinansyal na tulong, ipagkakaloob para sa mga pinauwing Gentriseno OFWs

Kamakailan ay inaprubahan ng Pamahalaang Lungsod ng General Trias ang City Ordinance No. 20-46, na nag-uutos ng pagbibigay tulong pinansyal sa mga pinauwing dokumentadong Gentriseño Overseas Filipino Workers (OFWs) na nawalan ng trabaho dahil sa CoVID-19 pandemya.

Ang mga aplikasyon kasama ang mga kinakailangan ay dapat na isumite gamit ang mga link na ibinahagi sa Facebook page ng lungsod hanggang sa Mayo 14, 2021.

Pinayuhan din ang mga interesadong OFWs na ang mga aplikasyon ay sasailalim sa pagsusuri at pag-apruba.

Ang tulong pinansyal sa mga dokumentadong OFW ay inisyatibo ng pamahalaang lungsod sa pamumuno ni Mayor Antonio 'Ony' Ferrer upang kahit papaano ay makakatulong na maibsan ang epekto ng pagkawala ng kanilang kabuhayan sanhi ng nagpapatuloy na pandemya.



ONWARD FORWARD GEN. TRIAS CITY

MAYOR ONY FERRER

CONSUME MORE FRUITS AND WATER TO AVOID GETTING DEHYDRATED – DOH-CALAABARZON

Department of Health (DOH) – CALABARZON (Cavite, Laguna, Batangas, Rizal, Quezon) today reminded the public to consume more fruits and drink plenty of water to avoid getting dehydrated as the country is continuously experiencing tremendous heat.

"We have been experiencing a very hot and humid weather the past few days and it is best to keep the body cool by drinking plenty of fluid, and eating fruits with high water content to stay hydrated. This will help prevent dehydration and will also keep your digestive system working well," Regional Director Eduardo C. Janairo stated.

"Napakaimportante na ang katawan natin ay mabigyan ng sapat na tubig dahil binubuo ito ng 70 porsyento ng tubig at nababawasan ito kung tayo ay lumalabas, naglalaro at nagtatrabaho sa ilalim ng init ng araw sa pamamagitan ng pagpawis at pag-ihi."

"Kaya't kailangan nating mapalitan ang ito sa pamamagitan ng pag-inom ng tubig at pagkain ng mga prutas na sagana sa tubig at bitamina gaya ng pakwan, singkamas at sabaw ng buko na mayroong electrolytes, potassium, magnesium, sodium at calcium. Ito ay marami sa panahon ng tag-init."

"Huwag ding kalilimutan ang pinya na may 87 porsyento ng tubig at may vitamin C na makakatulong magpalakas ng resistensya at makakatulong ding panlaban sa Covid-19," he emphasized.

Janairo also remined nursing mothers to breastfed regularly as it provides 88% percent of water and gives the needed nutrition to a baby.

"Huwag na nating hintayin pang tayo ay mauhaw, ugaliin ang regular na pag-inom ng tubig at pagkain ng prutas upang lumakas ang ating katawan hindi lang panlaban sa dehydration kundi pati na rin sa Covid virus," he concluded.

DPWH...

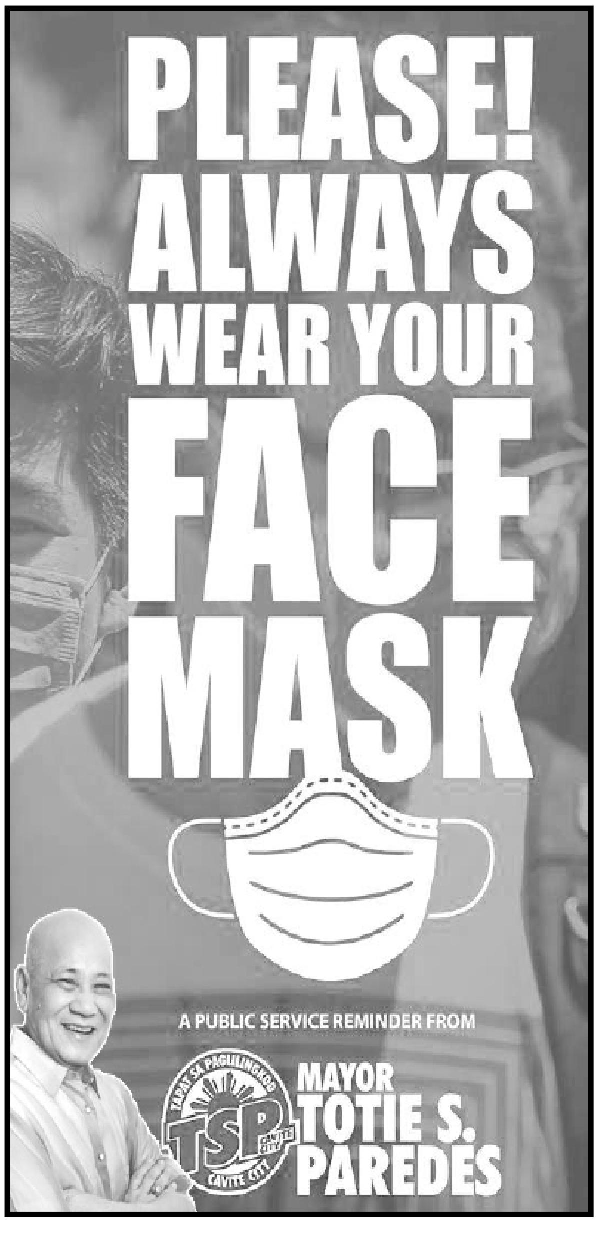
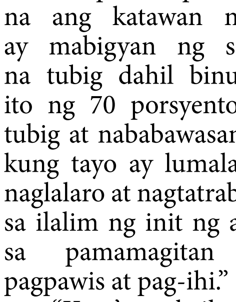
EDITORIAL

Lahat ng mga bansang maunlad ay may mga mamamayang may taglay na edukasyon na kalimitan ay tapos ng high school at may mataas ding porsiyento na tapos sa kolehiyo. Tayo sana ay nasa ganito nang kalagayan nguni't ang populasyon natin ay napakalaki kung ikukumpara sa maliit nating kalupaan. Ang ating impok ay di gaanong mataas na bahagdan kaya ang lokal na puhunan na makukuha sa bangko ay maliit.

Kailangang patibayin natin ang ating edukasyon at ang ugali sa pag-iimpok kung nais nating makasunod tayo sa ibang mga bansang umuunlad.



CAVITE HIGHLIGHTS



By:
Yna Palparan Bautista

The fight for supremacy in the Pacific region brought America and Japan into a conflict called the Second World War. America's Base in Sangley Point was badly devastated. Years later, the 11th Airborne of the U.S. Army liberated Cavite.

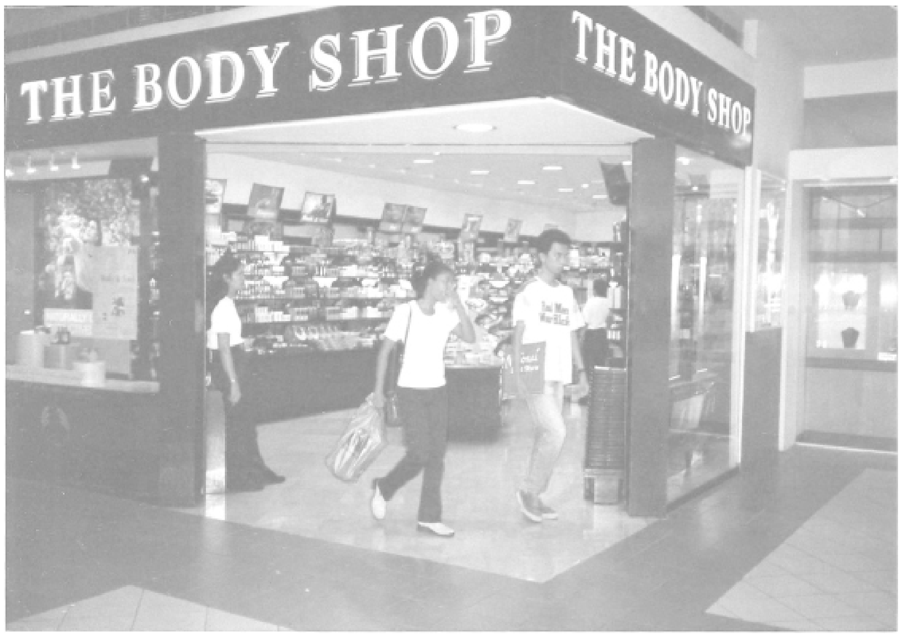
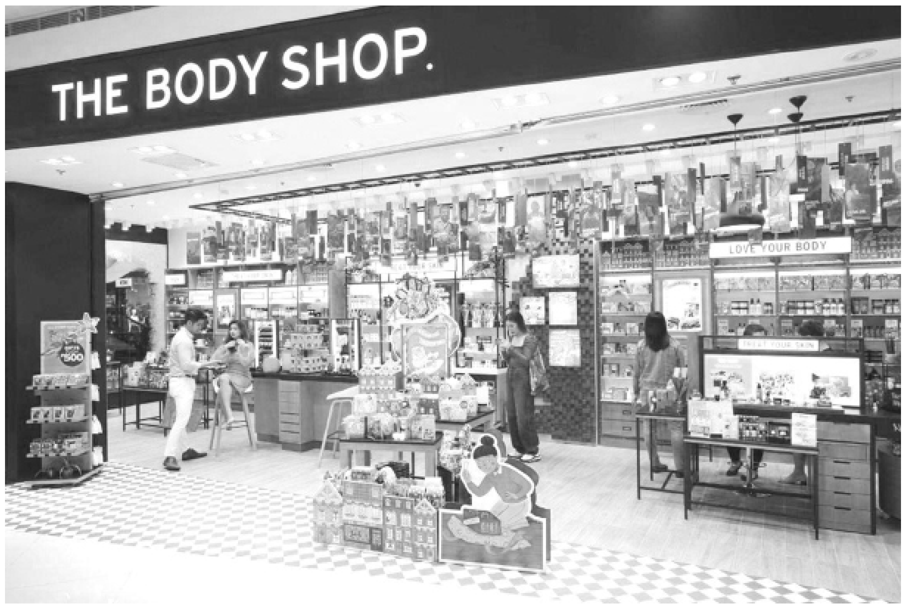
THE BODY SHOP CELEBRATES 25 FEEL GOOD YEARS IN THE PHILIPPINES



The Body Shop's first store in the Philippines opened 25 years ago at SM Southmall.



The Body Shop SM Mall of Asia showcases its latest store concept.

The partnership with Yellow Boat of Hope Foundation last 2019 helped fund boats which the children of Maluso, Basilan use as transportation to school.

Last 2018, The Body Shop partnered with The Philippine Eagle Foundation to help protect our endangered Philippine Eagle and let them thrive and breed again.

British beauty brand The Body Shop marks another beautiful milestone as it celebrates its 25th anniversary in the Philippines. The brand, which introduced cruelty-free and nature-inspired skincare and bath and body treats to Filipinos when it first opened its doors on May 16, 1996 at SM Southmall, now has over 60 standalone stores, and is in 10 The SM Stores all over the country.

The Body Shop is more than a beauty brand – activism is in its DNA, and like its counterparts all over the world, Body Shop Philippines has participated in many campaigns which promote real change. With the support of its customers, help was extended to The Philippine Eagle Foundation in 2018, Yellow Boat of Hope Foundation in 2019 and to SM Foundation for the typhoon victims in 2020.

To celebrate its 25th anniversary, The Body Shop will be delighting everyone with amazing offers and promotions for the entire month of May. The Filipina's most loved Lip and Cheek Stain which was first launched in the Philippines will be going to its old price at 395 during the anniversary month. On top of that, The Body Shop's most loved products over the years such as Tea Tree range, Drops of Youth™ range and White Musk® fragrance collection will be offered at 25% OFF.

(cont. P.7)

The Body Shop's Tea Tree range, which is perfect for oily and blemish-prone skin, is made with purifying Community Fair Trade tea tree oil from Kenya.

The Drops of Youth™ range is the perfect addition to your skincare routine for a smoother, supple and younger-looking skin.

The iconic White Musk® fragrance collection for Women and Men will give that earthy and sensual notes for an ultra-smooth scent.

Draw out impurities and refine your pores with Himalayan Charcoal Purifying Glow Mask.

The sparkling scent of British Rose Eau de Toilette contains the essence of handpicked roses.

Keep your skin and hair silky soft, hydrated and intensely nourished with Coconut Nourishing Dry Oil and Olive Nourishing Dry Oil.

DOST-CALABARZON high hopes on commercialization of the 12 technologies...

(from p. 4)

by 224 participants including DOST key officials such as Secretary Fortunato T. de la Peña and Mr. Romeo Javate, Chief SRS from DOST-TAPI to represent their director, Engr. Edgar Garcia.

Other esteemed guests, Dr. Rowena Cristina L. Guevara, DOST Undersecretary for R&D; Dr. Renato U. Solidum, DOST OIC-Undersecretary for ROS and Undersecretary for STS; and Dr. Enrico C. Paringit, DOST-PCIEERD Executive Director, extended their support by sending their recorded messages.

In her opening message, DOST-CALABARZON OIC-Regional Director Emelita P. Bagsit remarked, "We hope to provide more platforms in showcasing your technologies and connect you to more networks, partners, and linkages for your technologies." She assured the participants that DOST-CALABARZON will continuously assist them in ensuring the activity's sustainability.

Meanwhile, Mr. Javate relayed Dir. Garcia's message where he emphasized the importance of the previous StARTT activities conducted last February and March, in order to prepare the technology generators in the actual pitching of the fruits of their labor.

"These homegrown technologies are made for the benefit of our local industries and society as a whole," the letter read, "We hope that the participants will use this venue to establish linkages and partnerships with the technology generators."

With DOST-PCIEERD as one of the partner agencies, Dr. Paringit presented the council's innovative programs supporting the technology transfer such as IP Management Program for Academic Institutions Commercializing Technologies, KTTO-IMPACT Program, Funding Assistance for Spinoff and Translation of Research in Advancing Commercialization, Higher Education Institute Readiness for Innovation and Technopreneurship, Technology Business Incubation 4.0 Program, Startup Research Grant Program, i-NEST Program, and WHWise Program.

Highlighting the importance of technology transfer in the R&D process, Usec. Guevara also presented DOST's Technology Transfer Programs. In her video message, she advised the participants that they should not consider their research to be finished until the technology is transferred.

Dr. Guevara further remarked, "This is being done because we want to maximize the impact of your research on the Filipino people."

Furthermore, Usec. Solidum echoed the sentiments of the previous speakers in terms of viewing technology transfer as an integral process aimed at improving the lives of Filipinos.

He acknowledged the importance of the possible technology adopters' role in technology transfer, "Without you, we cannot achieve our goal of a progressive S&T country. Let us work hand-in-hand to determine the needs and address them through the development of proper technologies. This is also a way of supporting our own local technologies. Your presence tells us of your support, trust, and confidence in the skills and capabilities of our technology generators."

Virtually present in the event was DOST Secretary Fortunato T. de la Peña who further encouraged the establishment of partnerships with different potential technology adopters including the entrepreneurs, manufacturers, investors, local government units (LGUs), non-government organizations (NGOs), and other industry players.

Sec. de la Peña said, "We are here to establish sustainable partnerships and linkages that would enable us to better showcase the Filipino ingenuity and support their continuous growth and development all for the benefit of our stakeholders and of our country."

Afterwards, Ms. Gilda S. de Jesus, SRS II of DOST-PSTC Cavite, together with the members of the Fairness Opinion Board, recognized the RDIs and SUCs and their commercialized technologies in the awarding of certificates. The following technologies were recognized: Production of Kaong Brown Sugar, Meat Detection Test Kit, Water Hyacinth Dryer, Cacao Bean Roaster, Cacao Desheller/ Winnower, and Cacao Grinder.

A Virtual Presser was also conducted to facilitate and address questions from the local and national media, directed at the VIPs.

With submissions from various RDIs and SUCs including the University of the Philippines Manila, Southern Luzon State University, DOST-ITDI, Cavite State University, and Batangas State University, the video presentations of the 12 technologies were divided into four categories: Health and Wellness Technologies, Food Products and Processing, Industrial Technologies, and Disaster Risk Reduction and Management. After each presentation, an open forum was conducted to enable the discussion between both Zoom and Facebook Live attendees and the technology generators themselves with regards to their products.

After all the technology pitches, Engr. Francisco Barquilla III, OIC-Assistant Regional Director for Technical Operations of DOST-CALABARZON, delivered the closing remarks. He said that the Technology Transfer Day, despite being the last of StARTT's series of activities, is just the beginning of a larger vision in fast tracking the commercialization of local technologies in CALABARZON. With this, he called for more support for DOST-CALABARZON's initiatives for R&D.

"We hope that with our concerted efforts to enable research and development to generate new and innovative products, we'll eventually make an impact in our economy and to continuously contribute to the increase in the country's innovation index," Engr. Barquilla said.

In case you missed it, you may still watch the Facebook Live Replay of the Technology Transfer Day on our Facebook account: https://tinyurl.com/StARRT-TTD-replay. Got any questions about one of the technology pitches? Let us know by filling out this form for consultation and/or negotiation: https://tinyurl.com/TTD-negotiationform!

The Body Shop Celebrates 25 Feel Good Years...

(from p. 6)

There will also be weekly offers to watch out for so you can stock up on your favorite skincare and bath and body treats.

Don't miss out on the grand 25th anniversary sale and explore cruelty-free beauty. Visit their online store 24/7, add to cart, and check out anytime of the day at thebodyshop.com.ph. The Body Shop's cruelty-free and vegan products are also available in The Body Shop stores, Call & Deliver, Lazada, Shopee and ShopSM. The Body Shop now accepts SM Advantage Card for points earning and redemption, SM and Sodexo premium pass in all The Body Shop stores nationwide.

————

About The Body Shop

The Body Shop was founded in 1976 by Dame Anita Roddick in Little Hampton, England. The beauty brand pioneered corporate activism and was built on a philosophy that business can be a force for good. With its brand expression, Beauty with Heart, the company continues to be focused on five core values: Against Animal Testing, Support Community Fair Trade, Activate Self Esteem, Defend Human Rights and Protect The Planet.

All products are created using the finest ingredients sourced from the four corners of the globe, which are not tested on animals and are 100% vegetarian. The Body Shop has been in the Philippine market for twenty-five years with over 60 strategically located stores nationwide.**(KCHT)**

Health Benefits...

Kaalaman tungkol sa Bataw bilang halamang gamot

Ang bataw ay isang gumagapang na halaman na kilala dahil sa bunga nito na ginagawang gulay. Ang mga dahon at bunga ay bahagyang mamula-mula, habang ang bulaklak naman ay maputi at bahagyang kulay lila o pink. Karaniwang pananim sa mababababang lugar sa Pilipinas.

Scientific name: Dolichos lablab Linn.; Dolichos purpureus L.
Common name: Bataw (Tagalog); Hyacinth Bean, Lablab bean (Ingles)

Ano ang mga sustansya at kemikal na maaaring makuha sa Bataw?

Ang iba't ibang bahagi ng bataw ay maaaring makuhanan ng maraming uri ng kemikal at sustansya na maaaring may benepisyo sa kalusugan:

Ang murang bunga ng bataw ay makukunan ng calcium, phosphorus at iron.

Ang mga buto ay mayroong protein, fat, ash, hydrocyanic acid, emulsin, allantoinase, at vitamin C

Ang bulaklak ay mayroon namang luteolin, cosmosiin, leteolin-4^-0-beta-D-glucopyranoside, luteolin-7-0-beta-D-glucopyranoside, rhoifolin, at D-mannitol

Anong bahagi ng halaman ang ginagamit bilang gamot, at paano ginagamit ang mga ito?

Maaaring gamitin bilang gamot ang ilang bahagi ng halaman tulad ng:

Dahon. Ang dahon ng bataw ay maaaring gamitin bilang pantapal o kaya ay nilalaga upang mainom.

Bunga. Ang bunga o pods ng bataw ay maaari ding katasan upang magamit sa panggagamot.

Buto. Ang mga buto ay maaaring kainin bilang gulay pagkatapos ilaga.

Ano ang mga sakit na maaaring magamot ng Bataw?

Tulo. Ang pinaglagaan ng dahon ng bataw ay mabisa para sa tulo o gonorrhea kung iinumin.

Tuklaw ng ahas. Ginagamit ng ilan ang dinikdik na dahon ng bataw bilang pantapal sa sugat mula sa tuklaw ng ahas.

Sugat. Ang katas naman ng dahon na hinaluan pa ng dayap ay mabisa na panghilom sa sugat.

Sore throat. Ang katas mula sa bunga ng bataw na nilagyan ng kaunting asin ay mabisang panlunas din sa sore throat.

Eczema. Maaari namang gamitin para sa kondisyon ng eczema ang pagtatapal ng dinikdik **na sariwang dahon ng bataw.**

Pananakit ng sikmura. Ang mga buto ay dapat kainin kung sakaling nakararanas ng pananakit ng sikmura.

VOL.VI NO. 24

Lungsod ng Bacoor hinirang bilang pilot run city para sa LHEARN

Malugod at taos-pusong nagpapasalamat si Mayor Lani Mercado- Revilla sa pagkakahirang sa Lungsod ng Bacoor bilang pilot run city para sa Learning Hub for Enhanced and Revitalized Nutrition (LHEARN), sa pagbibigay-daan ng City of Tagaytay sa pamumuno ni Mayor Agnes Tolentino, at ng National Nutrition Council Calabarzon Regional Office sa pangunguna ni Nutrition Program Coordinator Carina Santiago.

Malaki ang maiaambag at maitutulong ng natatanging programang ito sa mga inisyatiba at programang itinaguyod ng City of Bacoor para harapin at sugpuin ang problema ng malnutrition sa kanilang komunidad.

Ayon sa facebook post ni Mayor Lani,"Bilang isang punong lungsod, naniniwala ako na ang pag-alaga at pagtaguyod sa kalusugan ng mga mamamayan, partikular ng mga kabataan, mula sa sinapupunan pa lamang hanggang sa kanilang paglaki, ay isa sa most essential and indispensable elements sa pagpanday ng isang maunlad na kunabukasan para sa lahat.

Hayaan niyo po na aking maipabatid muli sa lahat ang aking galak at pasasamalat sa pagkapili ng aming mahal na Lungsod ng Bacoor sa pagkahirang bilang pilot run city para sa LHEARN. Alam ko na marami pa tayong pagdadaanan para tuloyang nating masasabi na ganap nang na-eradicate ang malnutrition sa ating kanya-kanyang tahanan. Meron na tayong nagawa, kasulukuyang ginagawa at gagawin pa sa hinaharap para sa malusog na pangangatwan ng ating mga constituents alinsabay ang pagbabakuna laban sa Covid 19. Kasi di lang malnutrition ang ating kalaban ngayonandiyan ang Covid 19. Alam natin na kailangan ang isang matibay na immune system para mapagtagumpayan ang salot ng pandemya.

Bilang isang Ina sa aking mga anak at sa buong Lungsod ng Bacoor, aking sinisiguro na ligtas ang lahat ng mga Bacooreno lalu ang mga kabataan sa mga sakit na pwedeng dumapo sa kanila. Ang pagiging nanay ay pagsiguro na may maayos na tahanan ang aking mga anak. Gayun din ako bilang Punong Lungsod o Nanay ng mga Bacooreño. Pusposan ang ating mga programa kaagapay ang City Nutrition Council, DOH Region 4A at National government. Congratulations muli at Maraming Salamat po."

3 bukyo, handog ng JVR Foundation sa mga frontliner ng Silang LGU

Tumanggap ang lokal na pamahalaan ng Silang ng tatlong bagong three wheelers o bukyo mula sa JVR Foundation kamakailan.

Ang mga naturang bukyo ito ay ilalaan ng bayan para sa ligtas at mabilis na sasakyan ng mga frontliner ng kanilang bayan.

Nagpaabot naman ng pasasalamat si Mayor Corie Poblete sa natanggap na donasyon.

"Masaya akong ang aming bayan ang napili ninyo para makatanggap nito dahil malaking tulong po ito para mapabilis ang pareresponde namin sa sambayanan. Basta tulong-tulong, sabay-sabay po tayong susulong at makakabangon sa sakunang ating kinakaharap ngayon," saad ng alkalde.

DO YOU KNOW ?

The caffeine from the coffee will serve as a good pain reliever for people who are not normally coffee - drinkers.
