LALAKI MULA SA NAIC, NANALO SA LOTTO MATAPOS ANG 21 TAONG PAGTAYA

Nagbunga rin matapos ang 21 taong pagtaya ng isang lalaki mula sa Naic, Cavite matapos na manalo sa Lotto 6/42 kamakailan.

Nakuha na ng isang 51-anyos na electrician ang kanyang napanalunang jackpot prize na nagkakahalaga ng P5,940,000 sa Philippine Charity Sweepstakes Office (PCSO) Main Office sa Shaw Boulevard Mandaluyong City noong Hulyo 12.

Batay sa website post ng PCSO, ang naturang lalaki ay inabot ng 21 taong pagtaya bago nanalo ng jackpot, sa kombinasyon na 27-18-26-13-02-03 noong Hulyo 9.

"Matagal ko na pong alaga ang mga numero na tumama. Galing po ito sa birthday ng aking mga anak kaya gusto ko pong gamitin ito sa kanilang pag-aaral para magkaroon po sila ng magandang kinabukasan," pagbabahagi niya.

Hinikayat ng bagong milyonaryo ang publiko na subukan ang kanilang kapalaran sa paglalaro sa lotto.

"Tumaya lang po sila ng tumaya sa lotto para manalo po sila dahil totoo pong may nananalo po sa lotto kaya po ako nandito sa PCSO ngayon," saad niya.

Sinabi ng PCSO na ang pagsali sa mga laro sa lotto ay isang paraan para makapagbigay ng pag-asa sa mas maraming Pilipino.

"Your P20.00 bet is not a wager but a contribution for health programs especially for our needy kababayans. That's why I am encouraging every Filipino with legal age to continue patronizing all our games," pahayag ng ahensya.

P37-M BUILDING NA HINDI NATAPOS AAKSYUNAN NI SILANG MAYOR ANARNA

Sa isang post sa social media, ibinahagi ni Silang Mayor Kevin Anarna ang pagkadismaya ukol sa tatlong palapag na paaralan sa kanilang bayan na iniwan na lamang umanong hindi tapos ng dating contractor.

Batay sa alkalde, nagkakahalaga umano ang naturang gusali ng P37-milyon at bayad na ng buo sa dating gumagawa nito.

"Tatlong palapag na paaralan na nagkakahalaga ng 37 Million pesos, iniwanan na ng dating contractor. Nakuha narin ng buo ang bayad, pati ang retention ay tinangay na," ani Anarna.

"Nakakalungkot na makita ang nakatiwangwang na proyekto ng pamahalaang bayan sa Brgy. Lucsuhin. Giniba ang dating mga classrooms para ipatayo ang 3 palapag na gusali. Pero pagkatapos ng election ay iniwanan na ng contractor ang pagawain. Ang mas nakakalungkot pa ay naitakbo na ang pera kahit nasa 20% palang ang natatapos," dagdag niya.

Bagaman siniguro ng mga guro sa nasabing paaralan na may ibang masisilungan ang mga estudyante sa papalapit na pasukan, nangako si Anarna na aaksyunan ang insidente at papapanagutin ang dating contractor.

"Sinisigurado po natin na makakasuhan ang mga taong nasa likod nito para hindi na tularan ng ibang kawani ng gobyerno. Isa lamang po ito sa maraming proyekto na nirereklamo ng taong bayan na hindi na tinapos pero naitangay na ang pera," saad niya.

Kasama ng alkalde ang ilang mga opisyal ng nasabing kompanya. Ito sa pangunguna nina Ms. Arlene Dela Torre - Group Accounts Department Head, Ms. Endrea Fabian - Group Accounts Manager (For Payment Machines and Aggregators) maging ang mga representative ng Pay & Go na sina Mr. Kenneth de Guzman - Sr. Alliance Manager at Ms. Angelica Sayoto ng Meralco.

"Isa itong programa ng lokal na pamahalaan upang mas lalong ilapit sa mga tao ang serbisyo publiko. UNA NA NAMAN ANG DASMA," ani Barzaga.

AMA AT INA

1) Ang ama at ina ay di magkatulad,
Ang ina'y dinala ang sanggol sa ingat,
Mula ipaglihi hanggang sa manganak
Ay siyam na buwan yaong paghihirap.

2) Matapos iluwal akala mo'y sarap,
Ang ina'y matagal pa ring magpupuyat,
At sa bawat kilos, sa tawa, sa iyak,
Sa gabi at araw, ina ang lumingap.

3) Anak na lalake't babae'y pareho,
Sa ina ang anak, pareho ang trato,
Tungkulin ng ina'y magmahal nang husto,
Walang pasubali sa anak na gusto.

4) Sa ama ang bata'y may tratong kaiba,
Nagpapasubali ang gawi ng ama,
Kailangan sa bata'y mabuti ang ginda,
At kapag di ayos ay magagalit siya.

5) Anak na babae ay magiging ina,
Anak na lalake ay magiging ama,
Ang mga magulang yaong gabay nila,
Sa ina may luwag, sa ama may puna.

6) Kaya itong ama ay iniiwasan,
Lalake't babae'y ingat sa paggampan,
Samantalang ina ay nilalapitan,
Diyan magkaiba pag naging magulang.

will have similar validity functions as physical PhilID cards, which are now being distributed by the PSA's official courier partner, the Philippine Postal Corp. (PHLPost).

The PSA noted that the printable digital ID format would likewise contain security features, such as those in physical cards.

It also has a unique digital signature, embedded in a quick response (QR) code for safe authentication, which can be validated through the PhilSys check.

Registrants' demographic data can also be readable in printed format.

Deputy National Statistician of the PhilSys Registry Office, Fred Solleta, assured that the PhilID, regardless of its format, will be functional and accepted as valid proof of identification.

Acquiring all formats of PhilIDs will be free of charge.

"The PSA is continuously working on the printing and delivery of PhilID cards to close the gap between the number of registered individuals and cards delivered," Solleta said.

PSA Undersecretary Dennis Mapa, also the National Statistician and Civil Registrar General, said the low-income earners would be prioritized in the provision of PhilIDs.

"This will immediately allow better access to more financial and social protection services through the provision of a free valid proof of identity while waiting for their physical ID," Mapa added.

The PSA said the digital PhilID is part of the government's proactive strategy to push for financial inclusivity, through the implementation of the Philippine Identification System (PhilSys).

The government will also prioritize the beneficiaries of the social protection program in the provision of the printed PhilID format.

"Low-income individuals have always been our priority. The PSA will still continue to prioritize these individuals as we roll out the printable version of the digital ID," Mapa said.

The PSA said the digital printed PhilIDs, and the downloadable mobile ID application can be useful to owners while waiting for their physical PhilID cards to be delivered.

The PHLPost will try to send the PhilIDs house-to-house, with the "plaza-type" distribution to be implemented for owners who were not home during the first and second attempts of delivery.

To heed President Ferdinand Marcos Jr.'s directives during his first State of the Nation Address (SONA), the PSA said it would maximize efforts to issue 30 million national IDs by the end of 2022 and reach the target goal of 92 million by the middle of next year.

Marcos cited that the PhilID is crucial to pushing digital transformation in the country.

Former president Rodrigo Duterte signed the Philippine Identification System (PhilSys) Act or Republic Act 11055 in August 2018, allowing Filipinos to acquire a PhilID, which aims to boost seamless government and private services where they will only need to present one ID during transactions.

The PhilID shall be a valid proof of identity and a means of simplifying public and private transactions, enrollment in schools, and opening of bank accounts. (PNA)

LIBRENG BAG, SCHOOL SUPPLIES, IPAMAMAHAGI NG SILANG LGU

Masayang ibinalita ni Silang Mayor Kevin Anarna sa social media na mamamahagi ang kanilang lokal na pamahalaan ng mga libreng bag at school supplies para sa mga mag-aaral mula sa pampublikong paaralan sa kanilang bayan na nasa kindergarten hanggang Grade 6.

"Sa susunod na pasukan ay makakatanggap na ng libreng Bags at School Supplies ang lahat ng magaaral mula sa kindergarten to Grade 6 na mga estudyante sa mga pampublikong paaralan. Lahat po ay mabibigyan. Bukod po dyan ay makakatanggap naman ng school supplies ang mga nag aaral sa mga daycare centers," aniya.

Ipinaliwanag ng alkalde na ang proyekto ay bunga ng mga natitipid na pondo ng kanilang LGU dahil sa mga bagong polisiya.

"Dahil po sa kampanya natin na no SOP at no corruption policy sa ating administrasyon ay malaki po ang ating natitipid sa mga presyo ng mga kontrata at supplies," saad ni Anarna.

"Unang una po nating sinasabi sa lahat ng suppliers at contractors na lumalapit sa munispyo na hindi tumatanggap si mayor at sino man sa munispyo. Wala pong SOP kaya pababain nalang po nila ang presyo para mas maraming serbisyo ang maibigay natin sa ating mga kababaya," dagdag niya.

"Ang mga matitipid natin dahil walang corruption ay mapupunta sa taong bayan."

Marami namang mga mag-aaral at magulang ang natuwa sa proyektong ito ng lokal na pamahalaan ng Silang. (**GO CAVITE**)

DENR CALABARZON forges partnerships for the development of 10-hectare Bamboo Plantation in Upper Marikina River Basin Protected Landscape

Calamba City, Laguna - A quadripartite Memorandum of Agreement among the Department of Environment and Natural Resources CALABARZON Region, Tribal Council Association of Puray Inc. "There is a need to address the root causes of the flooding, which is climate change and the denudation of the country's watersheds" Director Madarang added. He also explained that bamboo has proven climate change mitigation properties such as soil stabilization, and carbon capture that cleans the air according to the research or studies of international and local experts.

Director Madarang ended his presentation with "kung sama sama, tulong tulong ay kayang kaya. May kasabihanna 'if coconut is a tree of life, bamboo is a green grass of hope".

Completed Road Widening Improves Mobility in Siargao

The Department of Public Works and Highways (DPWH) has completed the off-carriageway improvement along Jct. National Road – Antipolo – Tuboran – Quezon – Mabini Road in Siargao Island, Surigao del Norte.

DPWH Region 13 Director Pol M. Delos Santos said that the widening involved the concreting of the road shoulder and line canal which will help accommodate a larger volume of traffic and ensure the safety and vehicle maneuverability of motorists by clearing the right-of-way (ROW) farther.

"We experienced first-hand the difficulty of reaching our kababayans during relief operations because the roads were narrow and blocked with debris after the onslaught of Typhoon Odette," said Director Delos Santos.

"The recent completion of the road widening project will definitely ensure ease in mobility of people and goods especially during emergency," added Director Delos Santos.

The 1.16-kilometer road widening project was completed in June 2022 with a total allocation of ₱16-million pesos and was implemented by Surigao del Norte 1st District Engineering Office.

Siargao is one of the most visited tourist destinations in the country because of the variety of attractions on the island aside from surfing and fishing competitions.**(DPWH)**

SPECIAL ELECTIONS PARA SA BAKANTENG PWESTO SA IKA-7 DISTRITO, IPINANAWAGAN SA KAMARA

Pinagtibay ng House of Representatives ang House Resolution 100, na nananawagan sa Commission on Elections na magdaos ng Special Elections para sa ika-7 Distrito ng Cavite.

Ang posisyon para sa kinatawan ng nasabing distrito ay naiwang bakante matapos italaga si dating Congressman Jesus Crispin "Boying" Remulla bilang Department of Justice Secretary sa ilalim ng administrasyong Marcos Jr.

Nakasaad sa Section 9, Article 6 ng 1987 Constitution na kung sakaling may bakante sa Senado o sa Kapulungan ng mga Kinatawan, maaaring magkaroon ng isang espesyal na halalan upang punan ang pagkakabakante sa paraang itinakda ng batas, ngunit ang Senador o Kagawad ng Kapulungan ng mga Kinatawan na nahalal sa gayon ay magsisilbi lamang para sa hindi pa natatapos na termino.

Matatandaan na nauna nang itinalaga ng Kamara si Speaker Martin Romualdez bilang caretaker ng distrito ni Remulla.
