### ANG GAWI NG MUNDO

1. Ang gawi ng mundo'y ating makikita,  
Ito'y paligsahan ng dunong at pera,  
Paligsahan ito ng galaw at puwersa,  
Paramihan ito ng anak, pamilya.
2. Pagka't ang ugali gusto'y magdaigan,  
Gusto ay manguna sa lahat ng bagay,  
At ang bunga nito ay ang kaguluhan,  
Gulo na sisira sa taglay na buhay.
3. Sa maraming dunong nakipagtagisan,  
Ang hangad ay laurel at siya ay putungan,  
Hangad na ganito ay hindi mainam,  
Nawala'y balanse at kapayapaan.
4. Ang hangad sa pera ay hindi natural,  
Ang ibig ay siya pinakamayaman,  
Sa hangad na ito ay nakalimutan,  
Na ang mahalaga pala'y kalusugan.
5. Pera ay kinabig saka nagpalakas,  
Naimpluwensiyahan ang gobyerno't batas,  
Nagtagumpay sana kung di nadupilas,  
Sa huli'y nabisto ang korapsyong lahat.
6. Paligsahan naman sa dami ng anak,  
Sa unang lipunan ito ay laganap,  
Sa ugaling tribo na may mga pangkat,  
Ang maraming anak ay maraming lakas.
7. Subali't ang gawi ng mundong nasabi,  
Unti-unti namang lumitaw sa kubli,  
Dahan-dahan tayo'y namulat sa gabi,  
At ang sama nila'y babaguhing buti.
8. Ang gawi ng mundo ay kaaway natin,  
Bumagal ang unlad na dapat tamuhin,  
Pag may tamang gawi, daigan palisin,  
Tayo'y magtulungan nang biyaya'y kamtin.

## DPWH ACCELERATES CONSTRUCTION OF PH FIRST EVER LONG-DISTANCE MOUNTAIN TUNNEL IN DAVAO

The Department of Public Works and Highways (DPWH) is full speed ahead in the on-going 2.3-kilometer mountain road tunnel at the central portion of Davao City Bypass Construction Project aimed at improving mobility between Davao City and Panabo City.

In his briefing to DPWH Secretary Manuel M. Bonoan, Senior Undersecretary Emil K. Sadain said that an expert tunnelling team from Japan together with Filipino engineers and skilled workers are expediting civil works for the on-going contract package 1 which covers the construction of a twin-tube 10 meter-diameter mountain road tunnel, the longest in the Philippines and an important component of

the 45.5-kilometer Davao City Bypass Construction Project.

Davao City Bypass Construction Project is among the priority large-scale infrastructure project started during the term of former President Rodrigo Roa Duterte and continued as planned under the administration of President Ferdinand Romualdez Marcos Jr.

Senior Undersecretary Sadain reported that progress of the on-going tunnel civil works at the north portal covering tunnel excavation, shotcrete works for excavation face, installation of steel ribs, wiremesh and final shotcrete, drilling and installation of rockbolts simultaneously at the northbound and southbound directions are at 196-meter and

237-meter, respectively.

Secretary Bonoan together with Senior Undersecretary Sadain; Undersecretaries Eugenio R. Pipo Jr. and Carlos G. Mutuc; Project Directors Benjamin A. Bautista, Ramon A. Arriola III, and Rodrigo I. Delos Reyes of the Unified Project Management Office (UPMO) Operations; and DPWH Region XI Director Rey Peter Gille inspected the on-going package 1 particularly the road tunnel's north portal at Barangay Waan.

"I am thrilled to see this project come to fruition, and really amazed to the tunnelling technologies and innovations using state-of-the-art equipment now applied here in the Philippines," Secretary Bonoan said.

Meanwhile, progress of the tunnelling activities from the opposite end at the south portal is at 264-meter for northbound direction and

203-meter at southbound direction.

"People can see that this infrastructure project is making progress and the government is building something that is very exciting," added Senior Undersecretary Sadain.

The project is also expected to develop Filipino engineers and skilled workers with a new technical know-how on tunnelling.

Other than the mountain road tunnel, contract package 1 costing 13.230 Billion awarded to Shimizu - Ulticon - Takenaka joint venture involves the construction of four (4)-lane road with a length of 7.9 kilometers; three (3) bridges including the 200 meters Davao River Bridge; two (2) underpasses and two (2) overpasses; 12 box culverts (waterways); and four (4) at-grade intersection.

Implemented by DPWH UPMO Operations - Roads

Management Cluster I (Bilateral) headed by Project Director Bautista, the on-going project is under the on-site supervision and monitoring by Project Manager Joselito B. Reyes and Engrs. Juan M. Diña Jr. and Earl Nicholas F. Rada with Nippon Koei - Katahira - Nippon Engineering - Philkoei as

Department of Health (DOH) and Department of Education (DepEd) to make sure teachers and learners are protected against Covid-19 and other illnesses.

Data from the DOH National Vaccination Operations Center showed that as of August, only 26.94 percent of children aged 5 to 11 and 76.41 percent in the 12 to 17 group are fully vaccinated.

"Matapos ang mahigit dalawang taon ng paghihintay, sa wakas ay masasaksihan na natin ang pagbabalik ng lahat ng mga mag-aaral sa face-to-face classes. Kasabay nito, dapat nating tiyakin ang kanilang kaligtasan, pati na ng kanilang mga guro (After more than two years of waiting, we will now witness the return to face-to-face classes. We

must ensure the safety of learners and teachers," said Gatchalian, chair of the Committee on Basic Education.

He called on the DOH and DepEd to ensure maximum vaccination coverage among teachers and learners aside from strict health protocols such as the installation of handwashing and adequate sanitation facilities and school-based vaccination.

The lack of face-to-face classes for one year would cost the economy PHP11 trillion in productivity losses in the next 40 years, based on the study of the National Economic and Development Authority.

Private schools still have the option to conduct blended learning. (With a report from Leonel Abasola/PNA)

# HIGIT P71.5-M TULONG, IPINAMAHAGI SA MGA NASALANTA NG BAGYONG PAENG

Naglabas ng situational report ukol sa Tropical Storm 'Paeng' ang National Disaster Risk Reduction and Management Council (NDRRMC) nitong Nobyembre 2 kung saan naitala ang kabuuang

P71,590,264.19 na halaga ng tulong na kinabibilangan ng food packs, hygiene kits, financial aid, at iba pang, ang naipamahagi sa mga naging biktima ng bagyo. Isasamang ceremonial distributions na

isinagawa ng pamahalaan ay ang naging pagbisita pinangunahan ni Pangulong Ferdinand Marcos Jr. sa Barangay San Jose II, Noveleta.

Sa ngayon, may kabuuang 927,822 pamilya o 3,180,132 indibidwal ang naiulat na apektado ng 'Paeng'. Sa mga ito, 49,698 pamilya o 176,337 indibidwal ang nananatili sa loob ng 2,904 evacuation centers at 277,825 na pamilya o 692,941 katao ang nasa labas ng evacuation centers o ibang mga lugar.

Kinumpirma naman ng NDRRMC ang kabuuang 92 na namatay, 65 katao ang nasugatan, at 36 na nawawala dahil sa 'Paeng' sa buong bansa.

Sa ngayon ay nilagdaan na ni Pangulong Marcos Jr. ang Proclamation No. 84 na nagdedeklara ng state of calamity sa CALABARZON (Region IV-A), Bicol Region (Region V), Western Visayas (Region VI), at Bangsamoro Autonomous Region in Muslim Mindanao (BARMM).

Pinangunahan ni Mayor Strike B. Revilla at ng Bacoor City Social Welfare and Development Office (CSWDO) ang Relief Distribution sa mga sumusunod na barangay ngayong araw: Panapaan 1,2,5 at 6; Talaba 1,3,4,5,6, at 7; at Niog 1. Nakibahagi rin sa relief operations ang ilang City Councilors ng lungsod. Napasaya ng ating butihing mayor ang mga naapektuhan ng bagyo sa pagtugon na ito sa kanilang mga pangangailangan. Ito'y pagmamalasakit ng pamahalaang lungsod sa bawat Bacooreño at layuning ibsan ang lungkot na dala ng kalamidad. Isa rin ito sa mga hakbang tungo sa nagkakaisang pagbangon ng Bacoor mula sa pananalasa ng bagyong Paeng.

## FULL FACE-TO-FACE CLASSES SA PUBLIC SCHOOLS, UMARANGKADA NA

Umarangkada na ngayong araw, Nobyembre 2, ang pagsasagawa ng full face-to-face classes sa lahat ng pampublikong paaralan sa buong bansa.

Ayon kay DepEd Spokesperson Michael Poa, hindi kabilang dito ang mga paaralang naapektuhan ng bagyong Paeng at ilan sa mga paaralang ginagamit bilang evacuation center ng mga evacuees.

Dagdag pa nya, ang mga public schools na hindi pa naaayos dahil sa bagyo ay pansamantalang magsasagawa muna ng alternative delivery mode of learning para sa mga estudyante at exempted rin sa full face-to-face classes.

Sa ilalim ng alternative delivery mode of learning, ang mga estudyante ay bibigyan

ng modules na kanilang sasagutan sa kani-kaniyang tahanan. Samantala, nilinaw

naman ni Poa na ang mandatory in person classes ay ipatutupad
