ANG HANGIN

1. Hindi mo makita kahit ka dumilat,
Subali't ang sanga't dahon may pagaspas,
Sumipol kang konti sa payapang pugad,
Sa iyong anyaya ay darating agad.

2. Mabuting kaibigan, masamang kaaway,
Ganyan itong hangin kailangan sa buhay,
Ilang sandal lang na hangin mawalay,
Magiging dahilan nitong pagkamatay.

3. Ang hangin ay likha ng walang balanse,
Ang lupa mainit sa araw ang sabi,
Ang lupa'y malamig sa panig ng gabi,
Ang init paakyat, tunguhin parati.

4. Sa init at lamig hangin malilikha,
Mula sa mainit sa lamig ang tugpa,
Ito'y umaakyat akala'y payapa,
Nguni't pag naipon may dalang pinsala.

5. Pag labis ang init hangin ay lalakas,
At singaw ng tubig kasama sa bagtas,
Ito ay bagyo nang kaaway sa watas,
Wawasakin nito mahina sa landas.

6. Nguni't di rin dapat sumpain ang bagyo,
Dahil sa may gamit namang tama ito,
Na babalensehin ang init sa mundo,
Saka isasabog ang tubig na gusto.

7. Merong elemento na dala ang hangin,
Tinatawag ito sa ngalang nitrogen,
Ito'y isang "inert" na ibig sabihin,
Elementong neutral, marami sa piling.

8. Hangin ay kaibigan, hangin nitong buhay
Bagyong nagwawasak ang hanging kaaway,
Hangin ang pagitang kung tawagin space daw,
Mas maraming hangin sa anumang bagay.

Paved Road Supports Agri-Communities in Cauayan, Negros Occidental

Locals especially farmers in Cauayan, Negros Occidental now reap the benefits of a newly-paved farm-to-market road completed by the Department of Public Works and Highways (DPWH).

According to DPWH Secretary Manuel M. Bonoan, the road concreting project was undertaken by DPWH Negros Occidental 3rd District Engineering Office in convergence with the Department of Agriculture in the agricultural community of Sitio Bayabas, Barangay Man-uling.

DPWH Region 6 Director Nerie D. Bueno said that with the improved road, people from remote and far-flung areas now have better access to basic government services such as health and education.

"More significantly, it will allow our farmers to conveniently deliver their products to the market at a lesser hauling cost, making them earn more than they used to," Director Bueno added.

The project involved the implementation of 5-meter wide Portland concrete cement pavement (PCCP) stretching 970-lineal meters, with provision of slope protection and application of thermoplastic pavement markings and metal railings.

The road concreting project will alleviate the worries of residents in times of emergency, as they no longer have to travel through muddy and dusty roads and government aid can easily reach the barangay during calamities.**(DPWH)**

P30M farm-to-market road benefits farmers in Pangasinan

Consistent with its effort to improve mobility and support agricultural production, the Department of Public Works and Highways (DPWH) has completed a new farm-to-market road (FMR) connecting two (2) barangays in Pangasinan.

In his report to Secretary Manuel M. Bonoan and Undersecretary Eugenio R. Pipo, Jr, DPWH Region 1 Director Ronnel M. Tan said that the 3.4-kilometer FMR traversing Barangay Bakit-bakit in the Municipality of Rosales to Barangay San Miguel in Balungao is now being utilized by locals, especially farmers, in transporting corn and rice grains to the neighboring trading center.

Funded with P30-million under the 2022 General Appropriations Act (GAA), the project involved concreting of road aimed to reduce travel time from 25 minutes to ten minutes, benefitting even the nearby municipalities of Rosales, Sta. Maria, and Umingan.

The DPWH Pangasinan Third District Engineering Office have also installed 42 units of solar LED lights along the newly-completed road.

"We are targeting to complete more road projects in Pangasinan this year to support the local government's initiative of attracting more tourists and spurring economic growth," added Director Tan.

potentials of the housing and real estate sector.

He said there are about 80 industries allied to housing construction.

Among the top 10 out of 80 allied industries that will benefit from the housing program once fully implemented include steel and metal manufacturing, cement, veneer and plywood, refined petroleum producers, sawmills and wood and wholesale/ retail businesses.

"The housing and real estate industry is a vital economic pump-primer due to more than 80 allied industries attached to the housing sector," Acuzar said.

"Once tapped, the potential of these industries can contribute to the economic growth of our country," he added.

Funding is key

Acuzar emphasized the need for PHP36 billion in funding to jumpstart the construction of the first one million housing units under the program.

The program is also believed to have a significant contribution to the Marcos administration's eight-point economic agenda specifically on job creation.

Earlier, DHSUD also estimated that 1.7 million jobs would be generated when the national housing program goes full blast with construction.

This is based on the estimate that about eight workers are needed to build a housing unit within a certain period of time.

Marcos' Pambansang Pabahay para sa Pilipino Program aims to build one million housing units every year in the next six years to address the country's housing backlog pegged at more than 6.5 million.

To date, the DHSUD has conducted groundbreaking ceremonies in several areas in Luzon, Visayas and Mindanao and engaged local government units to support the program.

The President has inspected the Bagong Sibol Housing Project in Barangay Nangka, Marikina City which is targeting 10,000 government employees and low-income earners.

The Chief Executive also hosted a dinner to rally the support of government financial institutions and even private banks for the program. (PNA)

New DOJ Satellite Office in Ballesteros, Cagayan underway

The Department of Public Works and Highways (DPWH) is currently constructing a new two (2) storey Department of Justice (DOJ) Building in the Municipality of Ballesteros, Cagayan.

In his report to DPWH Secretary Manuel M. Bonoan, DPWH Region 2 Director Nomer Abel P. Canlas said that the facility will serve as the Satellite Office of the Cagayan Provincial Prosecution Office.

Designed with a total floor area of 1,750 square meters, the satellite office will house the Cagayan Provincial Prosecution Office and serve as a workspace for prosecutors of the Department of Justice catering litigants from the towns of Abulug, Allacapan, Ballesteros, Lasam, and Pamplona as well as barangays in Luna and Apayao.

"DPWH is glad to provide assistance to the Department of Justice in making legal services more accessible and convenient for northern towns of Cagayan," said Director Canlas.

A total of P12-million was allocated under the 2021 General Appropriations Act (GAA) for the construction of the facility implemented by DPWH Cagayan Second District Engineering Office (DEO).

Higit 200 Istruktura sa loob ng Road Right of Way ng mga Pinangangalagaang Pook sa Marikina-Rizal-Laguna-Quezon (Marilaque) Highway Binigyan ng Show Cause Orders

Issuance of SCOs in Rizal

Issuance of SCOs in Laguna

Issuance of SCOs in Quezon

Mahigit na 200 Show Cause Orders ang inisyu ng DENR CALABARZON sa mga istruktura sa kahabaan ng Marilaque Highway na napapaloob sa Road Right of Way na itinalaga ng Department of Public Works and Highways sa loob ng mga Pinangangalagaang Pook ng Rizal na kinabibilangan ng Kaliwa River Forest Reserve, Upper Markina Riverbasin Protected Landscape, at Presidential Proclamation 1636 na may bahagi din na sakop ng Laguna at Quezon noong ika-3 ng Nobyembre ng kasalukuyang taon.

Ani DENR CALABARZON Regional Executive Director Nilo B. Tamoria, "Kapuna-puna po ang mga istruktura sa loob ng mga Pinangangalagaang Pook at isa po sa mandato ng DENR, sa pamamagitan ng Protected Area Management Board (PAMB), ay i-enforce ang E-NIPAS. Malaki po ang implikasyon ng mga istrukturang ito sa biodiversity…hindi na po kaila ang epekto ng climate change, kaya po sinimulan po namin sa araw na ito at itutuloy tuloy ang pagse-serve ng show cause order."

Dagdag pa ni Tamoria "Eventually, ang layunin natin sa Protected Area ay mapanatili ang paglago ng ating kagubatan at ng biodiversity…Ang atin pong ginagawa ay bahagi lamang po ng implementasyon ng pagpapatupad ng ating batas, kung may legal na karapatan pong manatili, ay irerespeto po natin iyon, kaya nanawagan po kami sa ating mga kababayan na sumunod lamang po sa batas nang sa gayon ay wala po tayo maging problema."

Ayon sa Section (n) at (o) ng Batas NIPAS (RA 7586, as amended), kailangan ng permiso mula sa Protected Area Management Board (PAMB) at sa DENR bago manatili o magtayo ng kahit anong istruktura sa loob ng Pinangangalagaang Pook.

Ang Show Cause Order ay isang paraan upang mabatid kung ang isang okupante ay may legal na karapatang okupahan ang isang lugar. "Ito po ay proseso para mabigyan natin ng pagkakataon ang mga kababayan nating naninirahan o nag-o-operate ng establishment sa loob ng Protected Area na makapagpaliwanag kung bakit sila naroon", ani RED Tamoria.

Noong ika-27 ng Oktubre ay nagsagawa ng pagpupulong ang DENR CALABARZON kasama ang mga katuwang na ahensya kabilang ang DILG4A, PRO4A, DPWH4A, PIA4A, NICA4A, PA at LGUs bilang paghahanda para sa Sabayang Pag-Isyu ng Show Cause Orders (SCOs) sa mga istruktura sa mga Pinangangalagaan Pook at Timberland sa Rehiyon. Bago ang aktibidad ay pinulong rin ng mga Provincial Environment and Natural Resources Officers at Community Environment and Natural Resources Officers ang mga LGUs, Barangays, at counterparts nito sa mga katuwang na ahensya para bigyang linaw ang mga hakbangin at ikasa ang detalye ng aktibidad.

Patuloy ang pag-isyu ng SCOs sa tatlong probinsya. Susuriin ng DENR CALABARZON ang mga paliwang at kalakip na dokumentong ipinresenta ng mga may-ari ng mga istruktura. Sakaling ang pananatili o/at pagtatayo ng istruktura ng isang okupante ay iligal, papatawan ang may-ari ng kaukulang Notice to Vacate o/at Cease and Desist Order. Ang may ari ng istruktura ay maaaring pagmultahin o sampahan ng kaso.

Ayon sa Section 24 ng DAO 2019-05, ang Protected Area Management Office (PAMO) ay kailangang magsagawa ng imbentaryo ng mga pasilidad sa loob ng Pinangangalagaang Pook. Sa tulong ng DENR, ang PAMB ay maaaring magpatupad ng mga kondisyon hinggil sa operasyon ng mga pasilidad na maaaring magdulot ng masamang epekto sa Pinangangalagaang Pook hanggang sa matalaga ang relokasyon nito. Ang may-ari ng pasilidad ang siyang mananagot mangyaring malabag ang mga kondisyong itinakda.###**(DENR)**

P50 REBATE, HANDOG NG MAYNILAD SA MGA LUGAR NA TINAMAAN NG BAGYONG PAENG

Magbibigay ng P50 rebate ang Maynilad Water Services Inc. sa mga customer na lubhang naapektuhan ng Tropical Storm Paeng mula sa National Capital Region at lalawigan ng Cavite.

Nasa 35,000 customer ng Maynilad na binaha ang mga bahay ay makakatanggap ng refund sa kanilang water bill sa darating na Disyembre.

Ang rebate ay ipamamahagi matapos ang P1.7-milyong tulong ng Maynilad para mabayaran ang average na halaga ng two-cubic-meter consumption ng mga customer nito sa mga bahagi ng Muntinlupa at Pasay gayundin sa mga lungsod at bayan ng Bacoor, Imus, Kawit at Noveleta sa Cavite.

Ibabawas ang nasabing rebate sa kabuuang halaga ng tubig na nakonsumo ng mga customer nito para sa paglilinis pagkatapos na baha ang kanilang mga tahanan.

"We hope that this assistance, however small, will be of some help to our customers as they recover and rebuild their homes," mensahe ni Maynilad president and chief executive officer Ramoncito Fernandez.

Ang hakbang na ito ng Maynilad na magbigay ng rebate ay pinuri ng Metropolitan Waterworks and Sewerage System.**(GO CAVITE)**

Tuloy tuloy ang Pamahalaang Lungsod ng Imus sa pagtulong sa 3,016 na Imuseñong naapektuhan ng Bagyong #PaengPH nitong Biyernes, Nobyembre 4.
