Marcos wants to 'rationalize' AFP promotion system

MANILA – President Ferdinand R. Marcos Jr. on Tuesday said he wants to “rationalize” the promotion system in the Armed Forces of the Philippines (AFP).

He made this remark after administering the oath of office to 77 newly

appointed and promoted AFP generals and flag officers at Malacañan Palace on Monday.

This is the first time that happened since the Covid-19 pandemic hit the country in 2020.

“Yung promotion, SOP [standard operating

procedure] na ‘yan (Promotion is already SOP). That’s why we did what we did earlier to normalize and I used the word rationalize ‘yung promotions system na ginawa sa AFP (the promotions system being done at AFP),” he said in

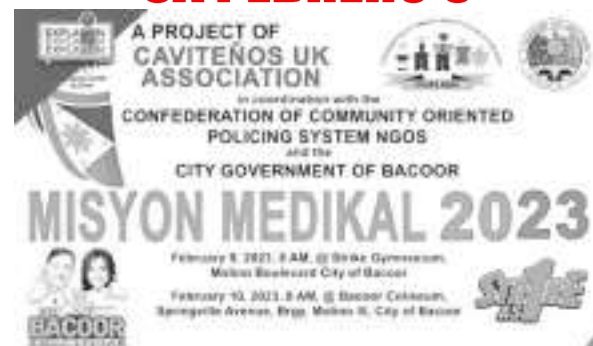

a media interview after the 2023 Tax Campaign kickoff of the Bureau of Internal Revenue at the Philippine International Convention Center in Pasay City.

“So this is just another part of that ongoing

Imus City kicks off the 2023 National Arts Month celebration.

Imus City Tourism and Development Office, headed by Dr. Emanuel R. Paredes launched the 2023 National Arts Month celebration in the City of Imus on February 3, 2023. It will showcase the talents, the artworks and crafts of Imus local artists, with food bazaar and performances.

The month-long Love ARTfair formally opened with a ribbon-cutting ceremony led by City Tourism Officer Dr. Paredes and head of the Provincial Tourism and

Cultural Affairs Office, Ms. Rozelle Sangalang, together with other local officials.

In the opening program, guests and participants were welcomed by Dr. Paredes.

Meanwhile, Mr. Jose Rafael C. Alarcon, Supervising Administrative Officer of the Sangguniang Panlungsod, revealed that it was the first time the City celebrated National Arts Month since its declaration in 1991. He emphasized

that it gives a chance for the local artists to gain recognition not only in their city but also across the province of Cavite. Likewise, he reiterated the city government’s support especially for the new generation of artists, in showcasing their skills and creativity.

Ms. Sangalang expressed her gratitude to the City Government of Imus and City Tourism Office for hosting the Arts Month celebration

and noted that “arts and culture are something unique in a locality, in a city or municipality, in a community, in a province.” Hence, their office greatly appreciates LGUs’ efforts and initiatives to preserve, promote, and develop culture and arts in the communities.

City Councilor Jelyn Maliksi was also present in the event to support the Imus local artists.--- **Jam Elisse M. Reyes, PICAD**

The local government of General Emilio Aguinaldo spearheaded the so-called “Produktong Baiten” Trade Fair to raise awareness of their local products. DTI-Cavite Provincial Director Rev Cortez and Froy Galapon identified and assessed different products such as paminta, coffee, atsara, chips, natural seasoning, fruit powders, shirts, and macrame that could potentially be enrolled in the OTO program and trade fair. The fair will run on Feb. 6-12, 2023 at St. Joseph Parish Church Grounds. (RF/DTI-Cavite),PIA CAVITE

DOG FARM SA CAVITE, NAG-AALAGA NG 30 MALALAKING ASO

Umabot na sa 30 naglalakihang aso ang inaalagaan dog farm ni Melvin Cajigal na matatagpuan sa munisipalidad ng Amadeo. Ang ilan sa kanyang mga alaga ay Alabai, Caucasian Ovcharka, Hungarian Puli, Rottweiler, at Dobermann.

Batay sa naging ulat ng ABS CBN, nagsimula si Cajigal sa pag-aalaga ng Pinoy dogs at naengganyo lamang sa pag-aalaga at pagbibreed ng mga aso noong 2016.

"Ang purpose lang noon ay may

pangbantay sa bahay namin. Lagi akong nasa work and then ang naiwan sa house namin is 'yung aking wife kaya bumili ako ng Rottweiler at Dobermann. Noong naresearcher ko na 'yung about breeding at mayroon pa palang mga aso na mas malaki sa kanila, nakipagsapalaran ako na mag-import ng mga Alabai at tsaka mga Caucasian Ovcharka," aniya.

Ayon sa kaniya, ang alaganag Caucasian Ovcharka niya ang pinakamalaki sa kaniyang mga alaga

na aabot umano sa 6 feet ang tangkad kapag nakatayo.

Dahil nagmula pa sa ibang bansa ang mga aso, may kamahalan rin ang presyo ng mga ito kaya naman sinisiguro niya na maaalagaan ang mga ito ng maayos at mapapakain ng kanilang sariling gawang dog food sa Supero Dog Farm.

Para sa kay Cajigal, walang kapantay na kasiyahan ang naibibigay ng kanyang mga aso, na nakapagtatanggal ng kanyang mga pagod. (GO CAVITE)

process. We normalize the process of promotion already and naibalik natin sa dati (brought it back to what it used to be)," he added.

In his speech during the oath-taking ceremony, Marcos urged the military to "keep up with the times" and be more agile in fostering partnerships as the global situation becomes "more and more complicated."

"We, therefore, have to be more agile in our responses not only in the military area but also in diplomacy, also in geopolitical negotiations, and in our partnerships that we foster with our friends and allies around the world," he said.

Marcos, as AFP commander-in-chief, underscored the need to strengthen the country's

collaboration with various government agencies, allies, partners and other stakeholders to safeguard and advance the country's national interest amid tensions and challenges.

He said the role of the AFP and its commanders has changed hence the need to continue to keep up with the times.

"Not only has the situation – the geopolitical situation become more complex, even the method of warfighting has become more complex with the new technologies, with the new capabilities that have become available to us," he added.

NSC priority programs

Meanwhile, Marcos on Tuesday convened the National Security Council (NSC) to discuss its priority programs in a

meeting at the state dining room of Malacañan Palace.

Marcos was joined by Executive Secretary Lucas Bersamin, Special Assistant to the President (SAP) Secretary Antonio Ernesto Lagdameo Jr. and Chief Presidential Legal Counsel Secretary Juan Ponce Enrile.

NSC Director General and National Security Adviser (NSA) Secretary Eduardo Año presented his report to the President.

Año was accompanied by NSC Deputy Director Generals Benjamin Madrigal Jr., Nestor Herico and Marlo Guloy, as well as National Task Force to End Local Communist Armed Conflict (NTF-ELCAC) Executive Director Ernesto Torres Jr. (PNA)

DPWH CONTINUES INFRA DEVELOPMENT MOMENTUM IN MINDANAO

The Department of Public Works and Highways (DPWH) convened a public forum as it continues to engage project stakeholders in the efforts of intensifying infrastructure development in Mindanao towards better economic productivity and boost the sectors of tourism, agriculture and trade to achieve high, inclusive and sustainable growth.

DPWH Senior Undersecretary Emil K. Sadain spearheaded the meeting on February 3, 2023 in Zamboanga City with concerned stakeholders for proper coordination of the proposed 300-kilometer new road development project under Improving Growth Corridors in Mindanao Road Sector Project - Phase 2 funded by Asian Development Bank (ADB) in Zamboanga Peninsula including provinces of Basilan, Sulu and Tawi-Tawi, and Davao City.

According to Senior Undersecretary Sadain, the forum was an opportunity for relevant interested parties to include representatives of government agencies like DBM, NEDA, DENR, NCIP, DAR, DA, DoTR, BFAR, AFP, and PNP;

utility service providers; and local government units to learn more about the upcoming road network projects to improve travel and connectivity in Western Mindanao and in Davao City.

Phase 1 of Improving Growth Corridors in Mindanao Road Sector Project, a flagship project of the national government in partnership with ADB covering 151.9-kilometer in Zamboanga Peninsula, was started under President Rodrigo R. Duterte administration and continued and expanded to Phase 2 to support the economic growth through resilient road infrastructure development under the "Build Better More" infrastructure agenda of President Ferdinand R. Marcos Jr.

The meeting has encouraged discussion and exchange of ideas and allowed the public to express any concerns about the proposed scope and component while the project is under feasibility study and detailed engineering design (DED) stage.

Organized by DPWH Unified Project Management Office (UPMO) - Roads

Management Cluster 2 (Multilateral) under the auspices of Project Director Sharif Madsmo H. Hasim and Project Manager Lilibeth B. Rico, the stakeholders meeting was also attended by DPWH Region 9 Director Cayamombao D. Dia; UPMO Project Directors Benjamin A. Bautista, Rodrigo I. Delos Reyes, and Soledad R. Florencio; Stakeholders Relations Service Director Randy R. Del Rosario; OIC-Project Director Najib D. Dilangalen of DPWH BARMM Regional Project Management Office; and Project Managers Emmanuel M. Supe, Olivia M. Baguio, and Evangeline L. Carabal.

Senior Undersecretary Sadain, in behalf of Secretary Manuel M. Bonoan, used the opportunity to thank ADBs consistent assistance in the realization of major infrastructure projects in Mindanao and the stakeholders for their assurance of support in any way possible.

Project consulting firm Oriental Consultants Global presented the overview of project coverage for the Improving Growth Corridors in Mindanao Road Sector Project - Phase 2.

Under DED stage are the 13.6-kilometer Zamboanga City East Diversion Road (with viaduct structure) in Zamboanga City and 2.9-kilometer Isabela City-Malamawi Island Bridge (with approach

Health Benefits...

Kaalaman tungkol sa Mirasol (Sun Flower) bilang halamang gamot

Ang mirasol, o mas kilala sa pangalang sunflower, ay isang namumulaklak na halaman na kilalang-kilala ng halos lahat. Ito ay tumutubo na patayo, at bibihirang may sanga, at kalimitang may iisang bulaklak sa dulo. Ang dilaw na bulaklak ay mistulang araw kung kaya't tinatwag ito na sunflower. Ang mga dahon ay may balahibo malapad at may tusok-tusok na gilid. Sa ibang lugar, ang sunflower ay tinatanim at inaani para sa mga buto nito na maaaring kainin.

Scientific name: *Helianthus annuus*
Common name: Mirasol (Tagalog);
Sun Flower (Ingles)

Ano ang mga sustansya at kemikal na maaaring makuha sa Mirasol (Sun Flower)?

Ang iba't ibang bahagi ng halamang mirasol o sunflower ay maaaring makuhanan ng maraming uri ng kemikal at sustansya na maaaring may benepisyo sa kalusugan:

Ang buong halaman ay maaaring makuhanan ng oleic acid, triacyl glycerol, alkaloids, cyanogenic glycosides, saponins, cardiac glycosides, tannins, langis at phenolics.

Taglay ng langis ng sunflower ang linoleic acid

Ang bulaklak ay mayroong quercimeritrin, anthocyanin, cholin at betain

Anong bahagi ng halaman ang ginagamit bilang gamot, at paano ginagamit ang mga ito?

Maaaring gamitin bilang gamot ang ilang bahagi ng halaman tulad ng:

Bulaklak. Maaaring gamitin sa panggagamot ang pinaglagaan ng bulaklak ng mirasol. Ito'y iniinom na parang tsaa.

Dahon. Ang dahon ay pinakukuluan din at iniinom na parang tsaa.

Buto. Ang buto naman ng sunflower ay ihinahalo sa inumin at iniinom din na parang tsaa.

Ugat. Mabisa rin ang pag-inom sa pinaglagaan ng ugat ng sunflower.

Balat ng kahoy. Maaari ding gamitin ang pinaglagaan ng balat ng kahoy at pag-inom ng dito na parang tsaa.

Ano ang mga sakit at kondisyon na maaaring magamot ng Mirasol (Sun Flower)?

1. **Impeksyon sa бага.** Ang pag-inom sa pinaglagaan ng bulaklak ng sunflower ay mabisa para sa ilang mga kondisyon ng impeksyon sa бага.

2. **Ubo na may makapit na plema.** Mabisang pampalambot ng makapit na plema ang pag-inom sa tsaa o pinaglagaan ng bulaklak at mga dahon ng sunflower. Mabisa rin para sa kondisyong ito ang pinaglagaan ng mga buto ng sunflower.

3. **Hika.** Ang sintomas naman ng hika ay maaaring matulungan ng pag-inom sa tubig na hinaluan ng dahon ng sunflower.

4. **Diabetes.** Maaaring inumin naman ang pinaglagaan ng ugat ng halamang sunflower para sa sakit na diabetes.

5. **Hirap sa pag-ih.** Ang pagkain naman sa mga buto ng sunflower ay makatutulong na palakasin ang pag-ih.

6. **Lagnat.** Pinaghahalo naman ang pinaglagaan ng balat ng kahoy ng sunflower at mismong bulaklak para ipainom sa taong may mataas na lagnat.

7. **Kagat ng insekto.** Maaari ding gamitin ang dahon bilang pantapal sa kagat ng insekto.

8. **Malaria.** Ang pabalikbalik na lagnat dahil sa sakit na malaria ay maaari ding malunasan ng pag-inom sa pinaglagaan ng balat ng kahoy ng halaman at bulaklak mismo ng sunflower.

NO PREMIUM INCREASE IN 2023, PHILHEALTH REITERATES

The Philippine Health Insurance Corporation (PhilHealth) on Thursday reiterated its commitment to provide financial relief to Filipinos in light of socioeconomic challenges brought about by the Covid-19 pandemic as it recognized the need to review the current contribution schedule to make it more affordable to many of its Direct Contributors.

PhilHealth had previously affirmed compliance with President Ferdinand R. Marcos, Jr.'s earlier directive to suspend this year's scheduled premium rate of 4.596 and income ceiling of P90,000.

"Siniseguro pong PhilHealth na patuloy ninyo kaming magiging kabalikat sa pagsulong

ng kalusugan para sa lahat. Ngayong taon at sc mga susunod pa ay makakaasa po kayo sa patulay na pagbuti at paglawak no maa benepisvo para sa mamamayang Filipino". PhilHealth Acting President and Chief Executive Officer Emmanuel R. Ledesma, Jr. said

Ledesma remarked that with the suspension in this year's increase, the premium rate remains at 49 with income ceiling of P80,000. "A separate Advisory will be issued to provide the guidelines implementing the said directive particularly for the direct contributors," he said.

Meanwhile, during the Senate Committee on Health hearing on amending Republic Act No.11223 or the UHC Act, specifically on premium contributions,

Philhealth said it agrees to the to the proposals of setting foxed premium rates for some member categories especially in view of the guiding principles of the National Health Insurance Program on equity and social solidarity -particularly on risk sharing among all income groups.

"These are just some of the provisions that PhilHealth is presently reviewing in support of improving the law," Ledesma

said. "Regardless, we would like to assure the public that PhilHealth wants nothing but to serve the Filipino with benefits that are of quality, responsive, and equitable in support of achieving Universal Health Care in this country We continue to call for the support in Congress and enjoin everyone to help PhilHealth be the program that we aim and envision it to be", the Philhealth chef added.###

Land titling project benefits over 16K farmers: DAR

MANILA - A total of 16,888 agrarian reform beneficiaries (ARBs) nationwide have received their individual electronic land titles and have benefited from the Department of Agrarian Reform's (DAR) Support to Parcelization of Lands for Individual Titling or Project SPLIT.

In a press release on Tuesday, DAR Secretary Conrado Estrella III assures that despite the tedious and rigorous process of subdividing collective certificates of land ownership awards (CCLOAs), the DAR is slowly but steadily making some progress in Project SPLIT. DAR Assistant Secretary for Field Operations Joey Sumatra, concurrent SPLIT national director, said a total of 18,802 e-titles covering 23,898 hectares of agricultural lands nationwide have been distributed.

He said that DAR has already validated around 522,688 hectares out of the 591,572 hectares funded for parcelization.

This is equivalent to 88 percent accomplishment, covering 50,249

previously distributed CCLOAs.

However, Sumatra clarified that the newly validated agricultural lands are still subject to re-documentation.

This is to complete the required documents for each ARB to be submitted to the Registry of Deeds (RODs) for eventual registration.

Meanwhile, Estrella announced that documents for around 38,196 hectares of agricultural lands have been submitted to various RODs (Register of Deeds)

nationwide, and have been cleared for processing and generation of e-titles to be released and distributed to ARBs within this year.

"Subdividing collective CLOAs for each individual ARBs undergoes a very rigid process and we cannot afford to make a mistake," he said. He said that around 107,344 hectares of farmlands have been re-documented and are due for submission to the RODs for final evaluation and assessment.

The RODs will do the validation of data, revisit copies of CCLOAs with annotated ARBs, the approved survey plans, and the actual master lists of ARBs, while the DAR-SPLIT validation team is tasked to establish who among the listed ARBs have already passed away,

abandoned or sold their rights of ownership, are still in possession of their respective shares of farm lots, and those merely squatting in the absence of any proof of transfer of rights of ownership.

"Everything is really done under close scrutiny since we do not want to redo the process. We want to make sure that everything is in order," Estrella said.

The World Bank-funded SPLIT project aims to improve land tenure security and stabilize the property rights of some 1.14 million ARBs nationwide covering 1.37 million hectares of land, by subdividing the previously distributed CCLOAs, and turning them into individual land titles for distribution to qualified ARBs.
