## VP Sara urges local execs to implement well-thought-out projects

MANILA - Vice President Sara Duterte has urged each municipal executive to be prudent in their programs to achieve short- to long-term development.

She made the

statement during her speech before local leaders at the general assembly of the League of Municipalities of the Philippines Tuesday.

nine years, shared several ways to ensure that the local programs will continue even beyond a leader's term in office.

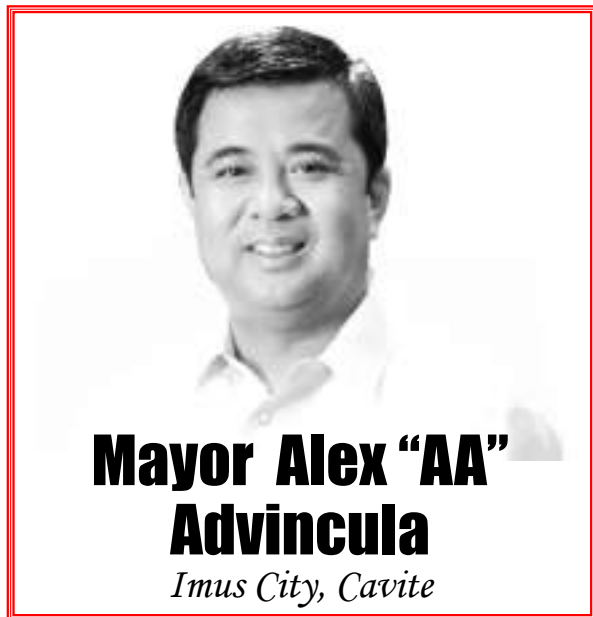

"As a former mayor, I am aware of the amount of responsibility that comes with the opportunity to lead and direct our localities to the path of growth and sustainable development," she said.

Duterte cited tourism and peace and order as two of Davao's strengths during her administration.

## PAGBABAGO SA PAG-UNLAD

1. Sa pagsisimula puhuna'y maliit, Kasangkapang gamit ay luma sa masid,  
Pinagtiyagaan na ito'y magamit, Kahit na mabagal ang trabahong kamit.
2. Kanyang pagawaan ay maliit lamang,  
Subsob sa gawain hanggang sa uwian,  
Ang gamit iniwan sa mesang patungan,  
Kalat ay pinulot tuloy basurahan.
3. Negosyo'y lumaki at may tauhan na,  
Tumulong sa gawa ng bagong kasama,  
Bumili ng bago't mahal na makina,  
Upang pabilisin ang datihang porma.
4. Anak ay nag-aral, tapos sa kolehiyo,  
Hindi nila nais sa shop magtrabaho,  
Ama'y tumatanda, mesa ang ginusto,  
Malinis na ang shop na kanyang negosyo.
5. Kahit na umunlad itong pagawaan,  
Kung ang anak naman di ito ang asam,  
Ang makikita mo'y maayos sa ganyan  
Sapagka't buhay pa ang mga magulang.
6. Bilang ang kompanyang nagpatu-patuloy,  
Ang marami doon tumigil sa daloy,  
At pinaghatian ang dapat makahoy,  
Anak kani-kanya yaong naging langoy.
7. Negosyong ganoon daming naisulat,  
At ginamit lamang sa anak na unlad,  
Pagka't ang totoo, ang trabahong palad,  
Ay iniwasan ng nagmanang anak.
8. Ito'y mabuti rin kung ang anak naman  
Ay nagsisikap din sa ibang larangan,  
Ang masama lamang ay baka lumayaw  
At ang ginawa lang lahat ay nilustay.

aaral. Hindi po pwede na kung ano 'yung gusto ninyo na maging tourism program ng inyong lugar ay pwede na siyang i-roll out (In tourism, you need research. You cannot simply roll out your desired tourism program in your area)," she said.

Duterte said a feasibility study is vital to identify a locality's strength, including the capabilities of the community, its available resources, as well as the execution of the plan and multi-sectoral collaboration.

She cited as an example Davao City which has been strengthened to be a MICE (Meetings, Incentives, Conferences and Exhibitions) destination in the country.

"Napakahalaga po ng continuity ng isang local government unit (LGU) para po hindi nasasayang ang inyong mga investments sa inyong tourism programs (Continuity is very important for a local government unit to ensure that its investment will not be put to waste),"

Duterte said. "I am optimistic that you will steadfastly work with other local chief executives in Luzon, Visayas and Mindanao, in tackling salient concerns faced by LGUs across the areas of peace and order, public health, environmental protection and local tourism, among others," she added.

Meanwhile, Davao City is set to host the MICE Conference (MICECON) 2023, the biggest gathering of the MICE industry in the

country, on March 1 to 3.

The conference sets the platform to discuss the rise of the "Bleisure" industry, or the fusion of business and leisure travel experiences.

At least 600 attendees are expected at the MICECON, which will be opened alongside the start of Araw ng Davao.

The Davao City LGU will conduct the MICECON 2023 in collaboration with the Department of Tourism and Tourism Board of the Philippines. (PNA)

## DPWH Sets Standard Design for Solar-Powered Lights along National Roads

The Department of Public Works and Highways (DPWH) has issued its latest guidelines on the standard designs for solar-powered roadway lighting along national roads.

DPWH Secretary Manuel M. Bonoan, through Department Order No. 19, series of 2023, issued the standard design drawings, following the approval on the use of solar-powered street lights on public works projects.

“In future DPWH projects with street light components, we hope to utilize solar-powered roadway lightings considering its stability,

long service life, ease of installation, safety, and of course, energy efficiency, making it ideal for use alongside both new and existing roads,” said Secretary Bonoan.

DO 19 will serve as the reference of DPWH Regional Offices, District Engineering Offices, Unified Project Management Office Clusters, and DPWH consultants in the preparation of design plans on road projects.

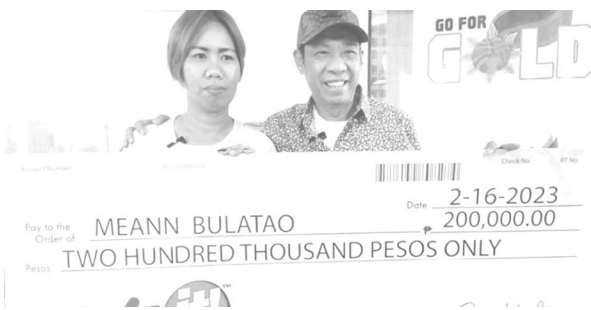

Among the technical requirements of the DO include: street lights must be uniform and free from dark bands or abrupt variations; could be high

pressure sodium (HPS) or light emitting diode (LED) lighting; color temperature can vary between warm white and warm yellow and the use of ultraviolet light is prohibited; suitable for outdoor use and rated as ingress protection (IP) 65 per International Electrotechnical Commission (IEC).

For primary national roads, light arrangement may vary from single, axial, opposite, or staggered; secondary roads may use single, opposite, or staggered lighting arrangement; while tertiary roads may use single or staggered lighting arrangement.

The DO also sets lamp wattage, mounting height, spacing, use of pole arms, depending on road classification, width, number of lanes, and taking into consideration intersections and merging sections that require higher level of illumination to ensure there is enough light sources on the traveled path. ## SINGLE MOM MULA DASMA, NAGWAGI NG 200K SA “PERA O SCRATCHIT”

Isang single mother na may anim na anak mula sa lungsod ng Dasmariñas ang nag-uwi ng tumataginting na 200,000 matapos manalo ng grand prize sa unang episode ng inilunsad na online game show na ‘Pera o ScratchIt.’

Hindi sinayang ni Mean Bulatao, nanalo, ang kanyang pagkakataon na masungkit ang jackpot prize noong nakaraang Miyerkules, Pebrero 15, sa kabila ng mga mapang-akit na alok ng

host na si Master Long Mejia na i-trade ang kanyang scratch cards sa cash, na umabot pa sa 50,000.

“ScratchIt po talaga, laban hanggang dulo,” desididong sagot ni Mean, na pinagsasabay ang pag-online selling at iba pang mga raket upang matustusan ang mga anak.

Ang ScratchIt, isang instant ticket lottery game ng Philippine Charity Sweepstakes Office (PCSO), ay gumagamit ng mga replika ng scratch card

nito na “Go Bananas” at “Go for Gold” sa game show kung saan ang isang contestant ay kailangang magkaroon ng tatlong magkakatugmang halaga sa anumang pagkakasunud-sunod, sa siyam na posibleng halaga sa card.

Nang tanungin si Mean kung ano ang kanyang plano sa napanalunan, “Unang una po, dagdag puhunan. ‘Yung isang namatay ko rin po na anak kailangan alisin sa nitso... Gusto ko po i-cremate na lang at i-uwi sa bahay.”

“Nagpapasalamat po ako kay Lord, sa bumubuo ng ScratchIt. Inaanyahan ko po kayo na tangkilikin ang ScratchIt. Gayahin niyo po ako na lumaban hanggang dulo. Wala pong masama magbakasakali,” dagdag niya. (go cavite)

# Final VCM testing, sealing for Cavite special poll 'successful'

**ALL SET.** Commission on Elections Commissioner Nelson Celis (left) and chair George Garcia participate in the final testing and sealing of vote-counting machines at Amaya Elementary School in Tanza, Cavite on Sunday (Feb. 19, 2023). The special election on Feb. 25 will be for the representative of Cavite's 7th District, vacated by Justice Secretary Jesus Crispin Remulla. (Courtesy of the Office of Comelec Chairman)

MANILA – The Commission on Elections (Comelec) said the Final Testing and Sealing (FTS) of the 426 vote-counting machines (VCMs) to be used in the Feb. 25 special election for the representative of Cavite's 7th District was a success.

John Rex Laudiangco, Comelec spokesperson, said the machines functioned well during the FTS on Sunday.

“Based on the general report, all 426 worked well and

counted correctly. No VCMs or SD (secure digital) cards failed. The only observed issue is the paper jam that is immediately remedied simply by correcting the position of the VCM over the ballot box so that the ballot exit slot matches the entry receptacle,” he said in a statement.

“At 11:15 am, FTS was reported to be over in most of the 75 voting centers, while others were just carrying out the corresponding administrative

procedures,” Laudiangco added.

There will be 75 voting centers in 116 villages of Trece Martires City and the towns of Amadeo, Indang and Tanza for Saturday's automated special election.

Former Trece Martires City mayor Melencio de Sagun Jr., Cavite 7th District Board Member Crispin Diego Remulla, Jose Angelito Aguinaldo and Michael Angelo Santos are the candidates to replace Jesus Crispin Remulla,

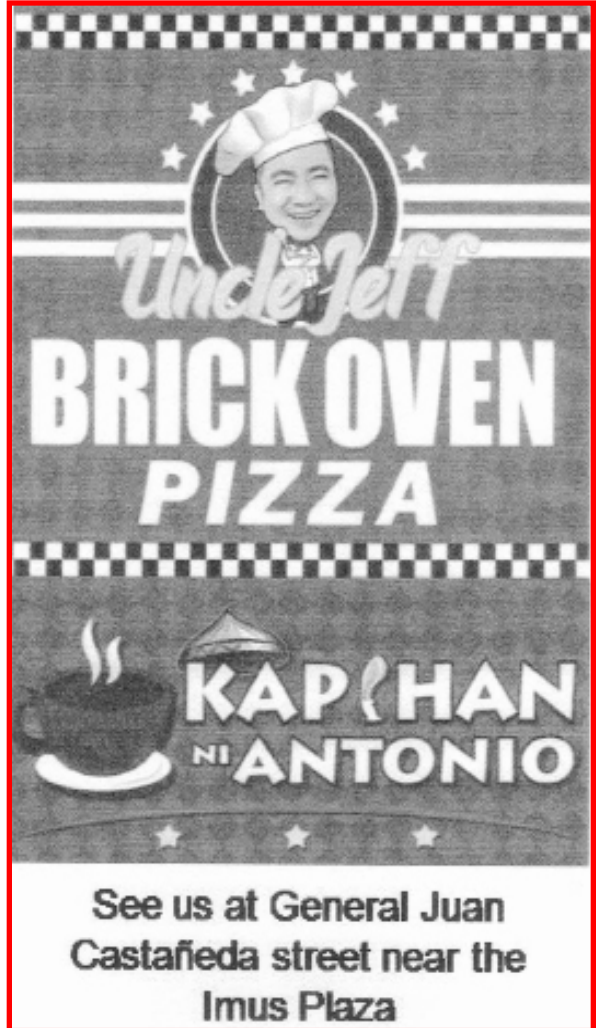

who was appointed Justice Secretary shortly after the May 2022 polls.

Crispin Diego Remulla is the son of the Justice chief.

After the FTS, the final process in the preparation, the VCMs were returned to their boxes and redeposited in the storage rooms of the schools that are part of the special poll.

Each storage room is closely guarded by staff of the Department of Education in collaboration with the Philippine National Police.

Nearly 1,300 members of 426 electoral boards participated and ensured that their kits were complete with the sealed VCM, main and backup SD cards and other paraphernalia, including thermal paper rolls, marking pens and documents and checklists. (PNA)
