DSWD's 'Walang Gutom 2027' to benefit 1M poor families

MANILA – About 1 million beneficiaries are expected to benefit from the "Walang Gutom 2027" program, an initiative aimed at improving the

access of food-poor families to nutritious foods, Social Welfare Secretary Rex Gatchalian said Tuesday. In a Palace press briefing, Gatchalian said the Department of Social Welfare and Development's (DSWD) new food stamp program aims

to assist the "bottom" 1 million households who belong to the lowest income bracket or those who "do not make beyond PHP8,000" monthly income. Gatchalian said the program seeks to provide electronic benefit

transfers that would be loaded with food credits amounting to PHP3,000 to enable the targeted beneficiaries to purchase a select list of food commodities from DSWD-accredited local retailers. "The 'Walang Gutom 2027' intends to target the bottom 1 million households from Listahanan 3 who belong to the food poor criteria

as defined by the Philippine Statistics Authority," he said. ANG KAMALIAN

1. Ang mali ay lihis sa tamang katwiran,
At puwede rin itong maging kasalanan,
Tandaan na ang Diyos nang ikaw isilang,
Pabaon sa tao'y kanyang karangalan.
2. Ang dangal na ito'y hindi mo nilikha,
Ang dangal na ito'y bigay ng Bathala,
Dapat na ingatan hanggang magagawa,
At muling isoli sa Diyos na dakila.
3. Kaya ang marapat tayo ay bumuti
Umiwas sa mali at gawang marumi,
Malinis na budhi ay mapanatili,
Hanggang maaaring magawa sa muni.
4. Tatlo ang marapat na ating gampanan,
Una ay ang mali't tama ay malaman,
Ikalawa mali ay dapat iwasan,
Sa dalawang ito , buhay ay gagaan.
5. At ikatlo naman kapag merong mali,
At iginigiit mula ibang gawi,
Harapin, tanggihan yaong maling mithi,
Iyan ang marapat at tamang ugali.
6. Di naman mahirap gumawa ng tama,
Pag naging ugali mula pa nang bata,
Subalit kung mali ang dating simula,
Isipang kriminal yaong naipunla.
7. Isipang kriminal nitong isang tao,
Kapag nahuli na't nakulong na ito,
Di nais aminin ang maling nabisto,
Iyan ang malimit na isipang lilo.
8. Samantalang yaong mabuti ang gawa,
Ang isipan nila'y payapang-payapa,
Dumadaloy lagi ang mga biyaya,
Hanggang sa bumalik doon kay Bathala.

contribution to human capitalization and a direct positive impact towards nation-building."

Still in 'design stage' Gatchalian, however, clarified that the food stamp program is still "in the design stage" until June.

He said the DSWD is currently working with the United Nations' World Food Program to seek its "vast technical expertise" when it comes to running food stamp programs worldwide.

"As we speak right now, mayroon na tayong (we already have the) first draft ng (of the) design and we will spend the remaining months of May and June in the design stage," Gatchalian said, noting that multiple consultants in the DSWD have been hired "to take a second look at what is being designed."

Pilot test
The pilot test for five identified areas will be conducted from July to December this year, he said, adding that it would be "fully funded" by the Asian Development Bank (ADB) through grants amounting to USD3 million.

The five pilot sites, Gatchalian said, include the Bangsamoro Autonomous Region in Muslim Mindanao; the geographically isolated regions or provinces; urban poor settings; calamity-stricken areas; and the rural poor.

"We have to make sure that iyong konteksto ng programa (the context of the program) will be designed na

naaangkop sa bawat lugar kasi (to suit each identified area because) what might work for one may not work for the other," he said.

"But the general framework should be the same - access to nutritious, delicious, and affordable food for every single Filipino family. So, the remainder part of the six months fully funded by grants from the ADB that's why the President opened it yesterday in ADB and we are thankful, the DSWD is very thankful to the technical support and grant support that the ADB has extended to us."

A c t u a l
implementation
G a t c h a l i a n said the actual implementation of "Walang Gutom 2027" would begin by the first quarter of 2024.

"Hopefully, next year we get to do the run, the actual run - early part, first quarter of next year. But we have to point out that we will not also do it simultaneous 1 million. That's trouble waiting to happen," he said.

"We have to do it in a progressive manner. We have to do the pilot at 3,000 families; 300,000 hopefully next year sa first run; another 300,000 right after and then hopefully reach the magic number of 1 million on the succeeding year."

G a t c h a l i a n expressed hope that the food stamp program would help the administration of President Ferdinand R. Marcos Jr. attain its goal of combatting hunger

and achieving food security toward the realization of a zero-hunger Philippines.

"We want it to be the President's legacy

that right before he steps out of office, wala nang Pilipinong gutom (no Filipino is hungry)," he said. (PNA)

Biyaheng South Summer Tour 2023: Exploring Cavite's Cultural Richness and Unforgettable Summer Destination

Are you yearning to explore the world but finding yourself constrained by a tight budget and limited time? Let 'Biyaheng South' be the beacon of hope that turns your travel dreams into reality.

Metro Pacific Tollways South (MPT South), in partnership with the Department of Tourism (DOT) Region IV-A (-CALABARZON), Department of the Interior and Local Government (DILGIV-A), and Cavite Provincial Tourism and Cultural Affairs Office successfully concluded its Biyaheng South Summer Tour 2023. This activity is a platform for a one-of-a-kind budget-friendly and unforgettable summer experience, where historical and leisure

gems are made accessible through MPT South's expressway network.

For this tour, go-to content creators, Travel with Karla, Darshay Goes To, The Joseph Verallo, All About Cavite, and Hello Eats Nani took part as Ka-Biyaheros who embarked on a thrilling two-day road trip through CAVITEX, leading them to the historical, gastronomic, and leisure treasures of the Province of Cavite.

The team kicked off the day with a tour of the sustainable headquarters of CAVITEX and CALAX – the MPT South HUB, in Imus, Cavite. This 4-storey building proudly holds a LEED (Leadership in Energy and Environmental

Design) Gold certification. Highlighted on the tour are the building's innovative and eco-friendly features, including a solar panel field harnessing renewable energy, the building's biophilic design that seamlessly blends with nature, a dedicated charging station for electric vehicles (EV), and an advanced traffic control room.

Afterwards, in celebration of National Heritage Month, the team visited Museo ni Aguinaldo in Kawit, Cavite. This historic site, where Emilio Aguinaldo proclaimed Philippines

Independence on June 12, 1898, served as an enlightening experience for the team, deepening their appreciation for our

country's heritage.

A sumptuous lunch featuring delicious Caviteño cuisine was served at Malen's Restaurant, just a few minutes' drive from CAVITEX Kawit Exit.

Continuing the adventure, our Ka-Biyaheros discovered the enchanting 'happiest place in Cavite' - Torres Farm & Resort in the picturesque town of Naic. This family-friendly resort delighted the visitors with its adult and kiddie pools and showcased replicas of iconic landmarks from around the world. From the Taj Mahal in India to the Empire State Building in New York and the Merlion Park in Singapore, where our Biyaheros had fun taking snapshots and basking in the wonders of these remarkable destinations, all in a single day.

The team also had the opportunity to participate in a unique pizza-making activity at Amare La Cucina, located within the resort premises. They immersed themselves in the art of preparing brick oven cooked pizzas, savoring the joy of culinary creation in a serene setting.

"As our region continuously commits to sustainable tourism, we regenerate opportunities that are rooted in our provinces' destinations and attractions. We share these hidden gems, culture, and traditions with our domestic and international travelers through paving a way and bridging lands via CALAX and CAVITEX that made it easier to access various places in the south," Department of Tourism Region IV-A Director, Ms. Marites Castro said.

"Our aim is to promote economic growth and development in the south while showcasing the beauty and cultural significance of our destinations. Through our partnerships with the Department of Tourism (DOT), Department of the Interior and Local Government (DILG), and the Province of Cavite, we have successfully gathered a diverse group of online content creators, known as our 'Ka-Biyaheros,' who play a vital role in sharing these remarkable sites with their digital audience and inspiring them to experience the wonders of Cavite firsthand," stated Arlette Capistrano, MPT South's Vice President for Communication and Stakeholder Management.

"Biyaheng South", MPT South's tourism advocacy program, has garnered recognition for its exceptional efforts in promoting its toll road networks CAVITEX and its C5 Link segment, and CALAX, as the gateway to the enchanting destinations and attractions in the South. Leveraging the power of social media platforms like Facebook, TikTok, and Instagram, Biyaheng South has successfully reached and engaged with over 25,000 dedicated followers. With captivating content, Biyaheng South's TikTok videos alone have amassed over 1 million views, while their Facebook presence has reached a remarkable lifetime audience of 430,000. This digital success has not only

contributed to increased vehicle traffic along MPT South's expressways but has also played a crucial role in revitalizing the economic growth of the provinces.

"In addition to ensuring accessible roads and convenient travel for individuals, MPT South is dedicated to enhancing the tourism sector in Region 4-A. Through our 'Biyaheng South' program, our goal is to continuously highlight as many destinations as possible in the region that are conveniently found near Metro Manila and easily accessible via our toll road network. By featuring these fascinating attractions, we aim to promote regional tourism, encourage exploration, and foster economic growth in the area." added Capistrano.

MPT South is a subsidiary of Metro Pacific Tollways Corporation (MPTC), the toll road development arm of Metro Pacific Investments Corporation (MPIC). It is the biggest toll road builder and operator in the country. Aside from the CAVITEX and CALAX, MPTC's domestic portfolio includes the concessions for the North Luzon Expressway (NLEX), the NLEX Connector Road, the Subic-Clark-Tarlac Expressway (SCTEX), and the Cebu-Cordova Link Expressway (CCLEX) in Cebu.
