Trick or Nutreat

Ginanap nila Mayor Gemma Lubigan sa City Hall Covered Court ang Trick or NuTreat for Batang Treceño Year 2, bilang kick-off activity ng 2025 Children's Month Celebration.

Ang mga opisina ng City Nutrition Committee (CNC) members ay nagsilbing mga NuTreat Stations na namahagi ng iba't ibang nutritious food at healthy snacks para sa mga batang Treceño. Tayo naman sa Office of the City Mayor ang nanguna upang personal ko pong makasama ang ating mga kabataang Treceño.

AM Session: 100 Day Care Children mula sa 13 barangay , PM Session: 100 Children na kamag-anak ng mga empleyado ng City Government

Nag-enjoy ang mga bata sa magic show at face painting, at pagkatapos ay pinarangalan ang mga batang nanalo sa Best in Costume.

Lubos natuwa si Mayor Gemma sa mga batang kalahok na ginayakan ng kanilang mga magulang. Ramdam ko ang effort at suporta nila para maisali ang kanilang mga anak sa ating Trick or NuTreat. ▯

PAGHIHINTAY

1. Maghintay mahirap sa isang nilalang,
Pagka't kaakibat itong agam-agam,
Na hindi matupad yaong inaasam,
Mabigo'y kay sakit ang mararamdaman.

2. Sa buntong –hininga huhugot ng lakas.
Ang dagdag na hangin magbibigay luwag
Sa kanyang damdaming hindi mapanatag,
Sa paghingang ito baka siya tumatag.

3. Merong naghihintay na palakad-lakad,
Adrenaline itong ginastos sa bagtas,
Pagka't walang kilos parang magwawasak
Nitong kanyang dibdib na walang panatag.

4. Maghintay sa hatol parang kakaiba,
Pumapanatag na ang taong may sala,
Sa huli ay kanyang makikitang lisya,
Ang kanyang ginawa at magsisisi siya.

5. Maghihintay sa "oo" ng isang dalaga,
Binatang naghintay ay kakaba-kaba,
Ang hindi mo alam at di mo mabasa,
Damdamin ay puno ng pagkabalisa.

6. Maysakit naghintay ng kanyang paggaling,
Subali't palubha tahak ng sakitin,
Nang una ay dagsa itong panalangin,
At saka nagalit ang kanyang damdamin.

7. Hindi niya matanggap ang kasasapitan,
At ang galit niya'y sumbat sa Lumalang,
Nang maglaon ito'y bumaba na lamang,
At natanggap na rin itong kamatayan.

8. Kaya ang gawa niya ngayon ay maghintay,
Merong pananalig at alay ang buhay
Wala ang pangamba sa kasasapitan,
Payapa sa higa, tahimik ang lagay

A Small Business, A Big Dream

Rexel proudly displays his freshly made puto, a beloved Filipino steamed rice cake, in front of his humble store.

Just as the clock struck 1:00 am, while the rest of the world was fast asleep, Rexel Madalag and his wife were already wide awake, busy in the kitchen, diligently preparing a batch of fluffy steamed rice cakes (puto) that they sell before the sun rises.

Rexel, a resident of Bacolod City, is a father of 11 children, which is a reason enough for him and his wife to work extra hard to make ends meet. He once worked for a well-known soft drinks company for six years but lost his job due to the advancement of technology. He also took jobs as a hospital janitor and cinema operator before starting a small business to support their growing family.

The humble beginnings of their venture

Initially, he started by selling fruits in the neighborhood. A friend later taught him how to make bibingka, which he turned into a small business. Eventually, a church livelihood program trained him to make puto, adding to their growing venture.

The couple started selling the delicacies with just the two of them, but soon some of their neighbors offered to become resellers, which they gladly accepted. As a result, they gained 10 active resellers supporting their business.

More people have expressed their interest in reselling their products. Still, Rexel politely declined, having experienced that accepting more orders than he could handle was too much for his physical health.

"My resellers can easily find another supplier, but it won't be easy for my body to recover if I get sick, and for me, maintaining good health is still the most important thing," he said.

In a single day, they can produce up to 1,000

Steamed with Love

To preserve the siopao business her husband has started, Teodorica Cabales from Calapan City dedicated herself to perfecting a recipe that would win the hearts of many customers.

Originally from San Teodoro, Teodorica later settled in Calapan City with her family. Life was not easy early on. After finishing elementary school, she began working as a household helper for relatives. As she grew older, she continued working as a helper for different families. At 16, she chose to live with her partner, longing for someone she could depend on.

Her husband was a meat butcher, while she became a meat vendor at a local market. The couple spent many years working side by side in the market. Then in 1989, her husband decided to venture into the siopao business.

The story behind the business

Teodorica's husband often delivered meat to a siopao store, which sparked his interest in starting a similar business. Encouraged by the idea, he decided to give it a try. However, just a year later, and for some reason, he decided to drop the venture, which pushed Teodorica to take over. With no prior knowledge of siopao making, the process initially proved difficult for her, but she persevered tirelessly until she developed a siopao recipe she was proud of.

To promote her product, she personally went from place to place, selling at stalls, schools, and neighborhoods. What began with a simple cart eventually evolved into a mobile food cart mounted on a tricycle in 2018.

With the help of her children, they can produce around 300 pieces of siopao each day. One of her children helps her make the siopao, while the other takes charge of selling it. Their production starts at 10:00 am and ends at 2:00 pm, and they sell it from 3:00 pm to 7:00 pm.

Even her other children, now living in Batangas and Laguna, have followed their footsteps and started their own siopao business, carrying on the family legacy.

For over three decades, Teodorica's business has stood the test of time. Through all the years, she has remained committed to maintaining the same quality and taste that keeps customers coming back.

Whenever she falls short on capital, she turns to CARD Bank, a microfinance-oriented rural bank. She became a client in 2007 and has since relied on the institution for business loans to support her siopao business. Currently, she has a loan of PHP 150,000.00, which she uses to purchase raw materials, especially now that prices are continuously increasing.

Teodorica offers her siopao at affordable prices, ranging from PHP 15.00 to PHP 30.00, ensuring that everyone can enjoy and experience the taste of her product.

"For the future of my business, my biggest hope is to have my own store. I am working hard every day, together with my children, to make that dream come true," she concluded.

Teodorica Corables proudly holds out a tray of freshly steamed siopao, a labor of love, perseverance, and hard work.

pieces of puto and bibingka. If their resellers are unable to sell everything, he goes out and sells them door-to-door. Like many small businesses, theirs has ups and downs. There are times when their sales are enough and days when they fall short, but that is the reality of business. With seven kids still at school, Rexel stays motivated. Education means a great deal to him, so that even at the age of 51, he still dreams of completing his studies.

"I, myself, did not finish my studies, and as much as I can, I do not want my children to face the same struggle I did. It is hard to find a good job without an education, and even harder to raise a family that way," Rexel shares his realization in life.

Aside from the hard work and perseverance, he also borrows money from CARD MRI Rizal Bank, Inc. (CARD RBI) to help cover the cost of raw materials needed in making puto and bibingka. He became a client of the institution in 2024.

Over the years, Rexel's hard work has truly paid off. He managed to sustain their business, send his children to school, gradually build their house, and even start a small store, a true testament to what perseverance can achieve.

Today, Rexel is not only selling puto and bibingka; he is building a better life. With unwavering faith and support from CARD MRI Rizal Bank, his story is living proof that success doesn't require riches, only resilience.
