Natanggap na po ng iba pa nating mga kababayan ang financial assistance na ni-request sa tanggapan ni Mayor Jon-Jon Ferrer at nagkaroon ng pagpupulong tungkol sa proposed robotics event, kung saan tinalakay ang mga detalye ng programa, partisipasyon ng mga paaralan, at kung paano ito makatutulong sa pagpapalawak ng kaalaman at interes ng mga estudyante sa larangan ng science, technology, at innovation.

Nagpasalamat din si Mayor Jon-Jon Ferrer kay Tanza Mayor Archangelo "SM" Matro sa pagbisita para talakayin ang mga programang maari nating pagtulungan para sa mas epektibong serbisyo sa mga Caviteño!

TATLONG KATANUNGAN

1. Tatlong katanungan yaong mahalaga,
Sa kahihinatnang gusto mong makuha,
Pagmasdan, limiin ang gustong ibida,
Ang gabay sa buhay doon makikita.
2. Unang katanungan: "Nasaan ba ako?"
Dapat mong mabatid ang kalagayan mo,
Iyan ang simula ng lakbay na gusto,
Diyan susukatin sa iiwang punto.
3. Ikalawang tanong: "Saan ba pupunta?"
Sa kanan? Kaliwa? Papasulong ka ba?
Iyan yaong tanong sa tamang puntirya,
At dapat masagot nang napakaganda.
4. Ang ikatlong tanong pag naglalakbay
na,
At nakalayo na sa dating umpisa,
Sa paulit-ulit dapat magtanong ka:
"Paano malamang ako'y naroon na?"
5. Ang ikatlong tanong dapat na limiin,
At baka di nais ng Diyos ito'y dinggin,
Baka ang balak mo'y iyo lang sa turing,
May nais din ang Diyos na dapat mong
kunin.
6. Nariyan palagi itong kaibahan,
Ng isip ng taong akala'y kanya lang
Yaong mangyayari pag pinagsikapan,
At isip ng taong tadhana ang alam.
7. "May gugustuhin kang masama sa iyo,
May aayawan kang buti pala ito"
Ganyan ang sinabi ng Qur'an sa punto,
Dapat maging gabay ng lahat ng tao.
8. Sa nais makuha isiping palagi,
Pag inilihis ka ng Diyos sa mithi,
Ang ibibigay Niya ay higit sa limi,
Ang pagpapala Niya doon masusuri.

A tangy taste of success

Jennifer Llanera showcases her tamarind jam, now available in various cities and municipalities in Negros Occidental.

In pursuit of a comfortable life, Jennifer Llanera, from Cadiz City, Negros Occidental, and her husband started a tamarind jam business in 1994. Since this was also her in-laws' line of business, entering the venture was easier for them.

At first, they sold their products outside school, where students became their first customers. While it was a good start, sales dropped significantly during school vacations, prompting her to find new ways to reach more customers.

She traveled to neighboring cities and municipalities to personally introduce her jam to different stores. Determined to maintain quality and develop good packaging, she attended a series of workshops and training sessions.

Through her hard work, Jennifer's business began to thrive. However, life comes with unexpected challenges. In 2016, she faced one of the most painful moments in her life when her child passed away due to health complications. The heartbreak was deepened by overwhelming medical expenses.

Income from her business was no longer

sufficient to sustain their needs. Despite the pain in her heart, she worked abroad in 2017 to provide for her family. After two years, she realized that living paycheck to paycheck was not what she envisioned. In 2019, she returned to the Philippines and continued the business she left behind.

The tamarind she uses is sourced from San Carlos City, Negros Occidental.

Since tamarind trees only bear fruit during the first half of the year, Jennifer typically purchases around 100-300 kilos during peak season.

There are instances where their funds are insufficient to cover the cost of raw materials, so she would borrow from CARD, Inc. (A Microfinance NGO) for additional capital. She became a CARD, Inc., client in 2019. Through her loans, she was able to secure enough tamarind to sustain production even during the off-season. At present, she has an active loan of PHP 80,000.00 from the institution.

Shortly after returning home, another unexpected hardship struck her life. At the height of the pandemic, she lost her husband. As if

the pain were not enough, the strict lockdown implementation also prevented them from producing jams. To make

ends meet, she planted vegetables and sold them to buy rice and other daily needs. In the years that followed, the African

Cavite Entrepreneurship Students Caravan sparks young business minds in Amadeo

More than 300 Grade 12 students gathered for an inspiring and knowledge-filled day during the Cavite Entrepreneurship Students Caravan dubbed "ABM BIZ Talks: Igniting the Next Generation of Entrepreneurs" held on February 23 at Amadeo Integrated High School.

The activity was facilitated by the Office of the Provincial Cooperatives Development Officer (OPCDO) headed by

Ms. Myrachel P. Cuadra, as part of its continuing commitment to nurture entrepreneurial awareness among the youth of Cavite.

Dr. Gloria T. Villela, Principal III – Amadeo Integrated High School warmly welcomed the participants and emphasized the importance of equipping students with practical knowledge and skills that will help them become future-ready entrepreneurs. Meanwhile,

Let's grow your business, together.

Swine Fever (AFS) outbreak also affected their pigs.

There were moments when she thought of giving up, but she could not afford to do so, knowing her children relied on her. She worked even harder for them, especially for those who are still studying. Even in her difficult moments, she chose resilience over struggles, continuing to rise every time life tested her strength.

Today, her perseverance is evident in the steady growth of her business. They are able to produce up to 500 packs of jam daily, reaching 12 cities in Negros.

For now, one of her goals is to invest in a delivery van to speed up the distribution of her products. Currently,

they rely on commuting and renting a tricycle to transport orders from Sagay to Bacolod. She also hopes to increase the amount she can borrow from CARD, Inc., so that she can purchase larger quantities of tamarind in the future.

"Nakakaproud lang na makita ang aking mga tamarind jam na dati ay mabibili lamang sa labas ng eskwelahan ngayon ay nakadisplay na rin sa mga malls. (It makes me proud to see my tamarind jam, which used to be sold outside the school, is now displayed in malls)," she stated, realizing how far she has come.

Melca's story is just one proof that hard work, combined with dedication and perseverance, can take you far in life.

Amadeo Mayor Jose R. Domingo inspired the students through his message, encouraging them to explore business opportunities, embrace innovation, and contribute to the local economy of Amadeo and the entire province.

Highlighting the programs and services of OPCDO, Ms. Liza Gabatan, OPCDO Entrepreneurial Division Head, presented various initiatives designed to support

aspiring entrepreneurs, including cooperative development assistance, training programs, and business-related services available to Caviteños. Her presentation introduced students to opportunities they may pursue as they transition from school to the business world.

Adding depth to the learning session, Dr. Leo D. Manansala, Vice Dean – College of Professional

PNFPWD National Summit advances unified action for disability-inclusive development

SM CITY CALAMBA 

**Every Drop Counts.
Be A Lifesaver Today.**

March 06 | 10 am to 3pm | SM Cinema Lobby

A powerful convergence of advocates, trailblazers, and changemakers took place during the Philippine National Federations of Persons with Disabilities (PNFPWD) National General Assembly and Summit from February 24–27 at One Tagaytay Place Hotel Suites, Tagaytay City.

The five-day gathering united the nation's strongest voices in the disability sector—leaders and champions committed to shaping a more inclusive and accessible future for all Filipinos. Anchored on solidarity and shared purpose, the summit became a dynamic platform for collaboration, policy discussion, and empowerment.

The program formally opened with welcome remarks from Philippine National Federation Chair Bonifacio Castigador, who underscored the importance of unity and collective action in advancing the rights and welfare of persons with disabilities (PWDs) nationwide.

Delivering the keynote message was Glenda D. Relova, Director of the National Council on Dis-

ability Affairs (NCDA), who highlighted the government's continued commitment to mainstreaming disability-inclusive policies and strengthening partnerships with federations and local government units. She emphasized that inclusion must go beyond compliance—it must be embedded in governance, development planning, and everyday community life.

Representing the host region, REGION IV-A Federation President Danilo Emelo expressed gratitude for the overwhelming participation and reaffirmed CALABARZON's support for national initiatives that uplift the PWD community.

Ms. Marie Shiela Haloc, Provincial Disability Affairs Officer, attended the event on behalf of Governor Francisco Gabriel "Abeng" Remulla, conveying the Provincial Government of Cavite's full support for programs that champion inclusivity and accessibility.

On Day 1 (February 24), participants engaged in an eye-opening learning session entitled

"Katawa-tawa lang ba ang PWD?" facilitated by Mr. Crisaldo Pablo of PWDigitables Channel. The discussion tackled persistent stereotypes, discrimination, and the importance of respectful representation of persons with disabilities in media and society. The session sparked meaningful dialogue among delegates, reinforcing the need to challenge harmful narratives and promote dignity and empowerment.

Meanwhile, the Tagaytay City Persons with Disability Affairs Office (PDAO) shared the city's best practices in implementing disability-friendly initiatives, showcasing local efforts that can serve as models for other LGUs.

In the succeeding days, the summit will delve into critical thematic discussions including Inclusive Tourism, Inclusive Agriculture, and Inclusive Services Industry. These sessions will explore innovative strategies and practical approaches to ensure that PWDs are not merely beneficiaries but active contributors to economic development across various sectors.--- OPIO

CVSU, LUMAGDA SA P2-BILYONG... from p. 1

Upang pang mapatatag ang suplay ng kuryente sa mga komunidad at masuportahan ang paglago ng lokal na ekonomiya at paglikha ng trabaho, lumagda ang Cavite State University (CvSU) ng isang P2-bilyong kasunduan sa Philko Group of Companies para sa paglalagay ng mga solar power system sa 13 kampus nito.

Ang proyekto ay ipatutupad sa pamamagitan ng public-private partnership (PPP) at naglalayong pababain ang gastusin ng unibersidad sa kuryente, kumita mula sa sobrang enerhiyang maibebenta sa national grid, at makatanggap ng bahagi sa kita mula sa carbon

credits. Ayon sa pamunuan ng CvSU, makatutulong din ang dagdag na baseload capacity sa pagsuporta sa target ng bansa na makamit ang 35-porsiyentong green energy mix pagsapit ng 2030, alinsunod sa mga layunin ng Paris Agreement at Kyoto Protocol.

Nilagdaan ni CvSU President Agnes Nuestro ang kontrata bilang bahagi ng proyektong isinulong ni Presidential Adviser for Poverty Alleviation Larry Gadon.

Bahagi ang inisyatibang ito ng mas malawak na programa sa solar power na sumasaklaw din sa mga ospital sa ilalim ng Department of Health.

FIRST EVER HUMAN BILLIARDS IN THE PHILIPPINES, NASA CAVITE CITY

Binuksan na ng City Government of Cavite ang isang bagong atraksyon sa Samonte Park na ang tawag ay Human Billiards, kauna-unahan sa Cavite at sa Pilipinas.

Sa larong ito, tila life-sized ang mga bola at pool table na lalaruan ng mga players. Parehas lang ang rules sa typical billiards game, pero paa ang gamit sa pagtira ng bola.

Layunin ng local government na palawakin ang interest sa park ng lungsod at hikayatin ang mga kabataan na maglaro muli sa labas at makisocialize sa isa't isa.
