770 CAVITE BARANGAYS BENEFIT FROM BAWAT BARANGAY MAKIKINABANG PROGRAM

Seven hundred seventy (770) barangays across the Province of Cavite benefitted from the Bawat Barangay Makikinabang Program (BBMP) as the national government brings its assistance closer to communities during the turnover activity held on September 11, 2026, at the CARSIGMA Gymnasium in the City of Carmona.

Leading the activity was Executive Secretary Ralph Recto, with Cavite provincial and local government officials in highlighting the national government's commitment to strengthening grassroots communities and ensuring that government programs reach every barangay. Executive Secretary Recto was joined by Undersecretary Georgina Ann

Hernandez-Yang, Governor Francisco Gabriel "Abeng" Remulla, Vice Governor Ram Revilla Bautista, 1st District Representative Jolo Revilla, Representative Lani Mercado-Revilla of the 2nd District, 5th District Representative Roy Loyola, 7th District Representative Ping Remulla, AGIMAT Partylist Representative Bryan Revilla, together with Cavite's mayors and presidents of the Liga ng mga Barangay (LNB) headed by Board Member Rafael V. Paterno III.

The BBMP is a nationwide initiative of the national government designed to provide direct assistance to barangays while supporting community development and educational opportunities for residents. Under the program, each barangay is allocat-

ed assistance through the Socio-Civic Projects Fund (SCPF). The program includes support for the Bagong Pilipinas Barangay Scholars, providing educational assistance to qualified students, while another portion of the allocation is intended to support priority development initiatives identified by the barangay.

For Cavite, the inclusion of 770 barangays underscores the province-wide reach of the initiative and reflects the shared commitment of the national and local governments to make public services and development assistance more accessible to communities.

The program also reinforces the importance of collaboration among national government agencies, the

Provincial Government of Cavite, city and municipal governments, and barangay officials in identifying and responding to the needs of local communities.

Governor Abeng Remulla underscored the Provincial Government of Cavite's support for initiatives that directly benefit communities, particularly programs that promote education, empower barangays, and provide resources for local development. With 770 barangays of Cavite included among the recipients, the Bawat Barangay Makikinabang Program highlights a simple but significant message: every barangay matters, and every community deserves to benefit from government programs and services. — OPIO

YAKAP NA HANDOG NG PANGULO: KALINGANG NARARAMDAMAN, KALUSUGANG MAAASAHAN

Bilang bahagi ng patuloy na pagsulong ng Universal Health Care (UHC), sabay-sabay na isinagawa sa buong bansa ang YAKAP na Handog ng Pangulo noong Setyembre 14, 2026 na may temang “Serbisyong Pangkalusugan, Proteksiyong Pangkalahatan” katuwang ang iba’t ibang national at lokal na ahensya tulad ng DILG, PSA, mga Local Government Units (LGUs), DepEd, media partners, at mga piling accredited PhilHealth YAKAP at GA-MOT providers.

Sa pamamagitan ng YAKAP na Handog ng Pangulo, higit na pinatitibay ng pamahalaan ang pangakong maghatid ng dekalidad, abot-kaya, at accessible na serbisyong pangkalusugan para sa bawat Pilipino upang magsiguro na bawat pamilyang Pilipino ay malayo sa sakit.

Bilang bahagi ng implementasyon nito, bawat lalawigan ay inatasang magsagawa ng tig-isang school-based at community-based activity upang mas maraming mamamayan ang mabigyan ng sapat na impormasyon at mas mapalawak ang kanilang akses sa mga serbisyong pangkalusugan.

Nakatakda ang aktibidad sa pamamagitan sa siyam na piling lugar sa rehiyon:

LAGUNA

- Alonte Sports Arena – Biñan, Laguna
- Pedro Guevara Memorial National High School – Santa Cruz, Laguna

CAVITE

- Greenbreeze Elementary School – Dasmariñas, Cavite
- New Provincial Government Center – Trece Martires City, Cavite
- Kangahan Elementary School – Trece Martires City, Cavite
- Tagaytay City Velodrome – Tagaytay City, Cavite

QUEZON

- Philippine Normal University South Luzon – Lopez, Quezon
- Quezon Convention Center – Lucena City, Quezon
- Lucena East 7 Elementary School – Lucena City, Quezon

Bahagi ng aktibidad ang pagbibigay ng mahalagang kaalaman tungkol sa PhilHealth YAKAP at Guaranteed and Accessible Medications for Outpatient Treatment (GAMOT) benefit. Kabilang dito ang impormasyon hinggil sa pag-access ng primary healthcare services, regular na pagpapakonsulta sa mga accredited primary care providers, at availability ng outpatient medicines para sa mas maagap at tuloy-tuloy na pangangalaga sa kalusugan.

Tinatayang may 3,600 total ang nakilahok sa aktibidad kung saan:

- 1,648 ang sumailalim sa First Patient Encounter (FPE);
- 885 ang nabigyan ng konsultasyon mula sa YAKAP doctors;
- 361 ang nakapag-avail ng mga benepisyo sa ilalim ng GAMOT Program; at
- 368 ang matagumpay na nairehistro sa PhilSys.

Ayon sa PhilHealth, mahalagang bahagi ng programa ang paglapit mismo sa mga komunidad ng serbisyo sa ilalim ng YAKAP upang matiyak na ang mga miyembro ay may access sa mga serbisyo ng pamahalaan nang hindi na kinakailangang bumiyahe nang malalayo. Lalo itong mahalaga para sa mga residente ng mga geographically isolated and disadvantaged areas (GIDA), kung saan madalas na limitado ang access sa impormasyon at serbisyong pangkalusugan.

Bukod sa pagbibigay ng impormasyon at serbisyo, binibigyang-diin din ng PhilHealth ang kahalagahan ng opinyon at karanasan ng mga miyembro. Ayon sa PhilHealth, ang feedback mula sa mga miyembro ay mahalagang kasangkapan sa pagtukoy ng mga puwang o kakulangan sa paghahatid ng serbisyo at sa pagtiyak na ang mga programa at benepisyong ipinatutupad ay tunay na tumutugon sa aktuwal na pangangailangan at karanasan ng mga Pilipino. Sa pamamagitan ng aktibong pakikinig sa mga miyembro, mas napabubuti at napapalakas ang mga serbisyo upang maging mas abot-kaya, at kapaki-pakinabang para sa lahat.

Ang YAKAP na Handog ng Pangulo ay isang inter-agency collaboration sa pakikipagtulungan sa mga katuwang na ahensya ng pamahalaan kabilang ang Department of Education (DepEd), Department of the Interior and Local Government (DILG), at Department of Health (DOH), bilang bahagi ng whole-of-government approach sa pagpapalawak ng akses sa serbisyong pangkalusugan.

Sa pamamagitan ng mas pinaigting na koordinasyon sa mga partner agencies at aktibong pakikilahok ng mga komunidad, inaasahan ng PhilHealth na mas maraming mamamayan ang mabibigyan ng pagkakataong makapagparehistro, makapag-empapel sa kanilang napiling YAKAP provider, at makagamit ng mga benepisyong pangkalusugan na kanilang nararapat matanggap.

Patunay ang YAKAP sa patuloy na pangako ng PhilHealth na ilapit ang serbisyong pangkalusugan sa bawat Pilipino at tiyaking walang maiiwan sa pagkamit ng de-kalidad, madaling ma-access, at makataong pangangalagan pangkalusugan para sa lahat. Sa pamamagitan ng YAKAP at GAMOT, mas nagiging abot-kamay ang kalusugan at mas nagkakaroon ng pagkakataon ang bawat Pilipino na magkaroon ng mas malusog na kinabukasan.

Kaya naman, paalala ng PhilHealth na magpa-YAKAP na para malayo sa sakit.### (SMOC)

Realizing dreams in Tinapa’s smoke

In Nanguma, Mabitac, Laguna, one woman is busy preserving fish with flavors to produce products she will later sell in her town.

Sheryl Jamillo, now 46, is a mother of nine children and was a full-time housewife. For her, managing a household is not easy. But relying solely on her husband’s income made it even more challenging.

Faced with limited options, Sheryl took the courage to go beyond balancing the demands of family life to find a source of income. But having only reached her first year of high school, she found it hard to find a job that would also allow her to juggle her responsibilities as a mother. So, from everything she could offer, she tried starting a business. She started buying smoked fish (tinapa) and reselling it in their town.

In 2016, after being invited by her friend, Sheryl became a client of CARD, Inc. (A Micro-finance NGO). Through the financial services she can avail herself of as a client, her business mindset also transforms.

Instead of just reselling smoked fish, Sheryl decided to learn how to process it herself. Using her first loan from CARD, Inc., she began setting up her own tinapa processing business. She embraced the hard work of sourcing good-quality raw fish, cleaning it, and mastering the art of flavoring and smoking. Over time, she was able to produce tinapa on her own.

Because Sheryl now processes her own tinapa, she was also able to elevate its taste, ensuring it’s all perfectly golden and flavorful. Customers have started recognizing her product and coming back for more. Aside from enhancing the flavor, Sheryl also puts effort into improving her tinapa’s appearance so it appeals to the appetite and attracts customers. “Kasi kung masarap nga siya, eh kung mukha namang madungis, hindi rin siya kaagad bibilhin (Because even if it tastes good, customers still won’t buy it if it doesn’t look presentable),” she said. For her, a good product needs to look just as good as it tastes.

For almost ten years, Sheryl has utilized CARD, Inc.’s loan services, including educational loans for her children’s enrollment and studies, especially her fourth child, who is now entering college. She also availed of a housing loan to build their house in Brgy. Nanguma.

Challenges also came to her business, especially when sales were slow and when fish were expensive. In times like these, Sheryl can sustain it by taking additional loans to help her smoked fish business recover. Saving with the microfinance institution also helps her ensure she has something to withdraw in times of scarcity.

Today, loyal customers continue to buy her smoked fish. Some store owners in the market also order wholesale from her. One loyal customer buys from her to resell the product abroad.

For all of this, Sheryl’s advice is simply patience and discipline. “Tiyaga lang (Just stay patient),” she said. “Tapos kapag mahirap ang panahon ng negosyo, e di konting tipid (And when business isn’t doing well, it’s best to cut back some expenses).”

Just like the smoke curling upward from her tinapa, Sheryl started with a simple goal: to earn a living for her family. But more than surviving, she stepped up, thrived despite the market challenges, and learned to dream.

Sheryl plans to keep growing the business she built so one day, she can pass it down to her children.

Sheryl Jamillo from Mabitac, Laguna, stands proudly beside her freshly processed smoked fish (tinapa), ready for the market.
