Enchanted Kingdom (EK), the first and only world-class theme park in the Philippines, renews its commitment to sustainability and biodiversity as it celebrates its 31st Anniversary with the second set of enhancements of its award-winning flying theater, AGILA The EKsperience: SARIBUHAY this October.

As a highlight of its Fiesta ng Saribuhay anniversary campaign, EK will continue to share more enchanting stories of Saribuhay through the attraction's new and enhanced pre- and post-show experiences that showcase the rich biodiversity of the Philippines and reinforce its call for Filipinos to appreciate and take care of our environment.

Among the enhancements is Kwentong Agila, an immersive walkthrough accessible upon entering the AGILA building. Through immersive visuals and storytelling, the new entry experience takes guests behind the scenes of the attraction, revealing its

inspiration, the symbolism behind its architecture, and its development by an all-Filipino team.

Further along the walkthrough, guests will be introduced to the world of the Agila, or Philippine eagle, through a glimpse of its natural habitat and the various species that thrive within its ecosystem. It also traces the lifecycle of the Agila, highlighting its plight as one of the critically endangered birds in the world.

This builds on EK's steadfast commitment to eagle conservation, earlier demonstrated by its adoption and continued support for the care and breeding of Enchanting Kagitingan, a male Philippine eagle, in partnership with the Philippine Eagle Foundation.

Additionally, the immersive experience extends beyond the atrium lobby, as augmented reality (AR) brings the landing queue leading to the Enchanted Forest to life through the guests' smartphones.

EK has also given PUGAD, the attraction's

corporate an enchanting mix of entertainment and learning to encapsulate the overall AGILA experience.

The attraction's existing facilities remain operational and accessible to all guests, while its newly updated areas will officially launch on October 17. Almost a decade after its launch, AGILA The EKsperience: SARIBUHAY was reimagined in October 2025, placing renewed focus not only on tourism but also on sustainability and appreciation for the country's natural heritage. It was later recognized as the Best ASEAN New Tourism Attraction by the ASEAN Tourism Association (ASEANTA) in January 2026.

EK celebrates its 31st Anniversary with Fiesta ng Saribuhay

EK is all set to celebrate its 31st Anniversary as it releases more updates on its events, shows, and other offerings throughout October.

SSS encourages members to avail of new microloan facility

The Social Security System (SSS) is urging members with at least 12 posted monthly contributions to apply for its new digital microloan facility, the SSS Micro Loan Program, also known as SSS Loan-Lite.

SSS President and Chief Executive Officer Robert Joseph M. de Claro said SSS LoanLite is designed to provide qualified members with accessible, secure, and affordable short-term financial assistance for immediate needs.

De Claro said qualified members may apply for loans ranging from ₱1,000 to ₱20,000, depending on the average of their 12 latest Monthly Salary Credits (MSCs). “Available repayment periods are 15, 30, 60, or 90 days, with an interest rate of 8% per annum, equivalent to approximately 0.67% per month.”

Eligibility

To qualify for SSS LoanLite, el-

igible employed, self-employed, voluntary, and OFW members must:

Be at least 18 years old at the time of application and below 65 years old at the end of the loan term

Have at least 12 posted monthly contributions

Have no past-due Short-Term Member Loan (e.g., Salary, Calamity, or Emergency Loan)

Have no pending or settled final benefit claim (e.g., retirement or permanent total disability), unless previously cancelled due to re-employment, resumption of self-employment, or recovery

Have no active Restructured Loan (or, if fully paid, the required restrictive period must have lapsed)

Have an account enrolled in the on-line facility of a participating financial institution (PFI)

Have no active SSS Micro Loan and have fully paid any prior microloan refinanced by a PFI

Have no record

of fraud against SSS L o a n a b l e amount

De Claro noted that while 12 contributions are enough to be eligible for the SSS LoanLite, members with at least 36 total contributions—including at least six posted within the 12 months immediately before applying—qualify for higher loan amounts up to the ₱20,000 ceiling.

De Claro said that members with at least 12 monthly contributions can borrow a loanable amount equal to 11% of their average MSCs in the last 12 months.

“For example, if a member’s average MSC over the last 12 months is ₱20,000 but the member has only 12 total contributions, the loanable amount is ₱2,200 (11% of ₱20,000),” he said.

Members with at least 36 total contributions, including at least six posted monthly contributions within the 12-month period immediately preceding the application, may qualify for the max-

imum loan amount of up to ₱20,000, depending on their average MSC.

Furthermore, members with existing Short-Term Member Loans (Salary, Calamity, or Emergency Loans) may still apply for SSS LoanLite, provided those loans are not past due and they have no active SSS Micro Loan.

Repayment and renewal

Repayments will be collected according to the agreed schedule through an automatic debit arrangement, which is the default collection mode. Deductions will primarily be made from the account where the loan proceeds were credited.

Loan renewal is allowed after full payment of the current microloan, as reported by the participating financial institutions.

Where to apply

At present, SSS LoanLite is available through the Union-Digital Bank mobile application.

De Claro said SSS is also working with Rizal Commercial Banking Corporation (RCBC), Land Bank of the Philippines (LBP), and Union Bank of the Philippines (UBP) to make LoanLite available through their respective digital platforms.

Kinilala ng Technical Education and Skills Development Authority (TESDA) Region 4-A ang Pamahalaang Lungsod ng Imus, sa pamamagitan ng City College of Imus, noong Oktubre 8, 2026, sa Lungsod ng Trece Martires para sa Exemplary Compe-

The Philippine Health Insurance Corporation (PhilHealth) and major health maintenance organizations (HMOs) and private health insurers (PHIs) have joined hands to make primary healthcare more affordable and accessible for Filipinos.

PhilHealth, together with Maxicare Healthcare Corporation, MediCard Philippines, Inc., PhilhealthCare, Inc., Health Plan Philippines, Inc., United Coconut Planters Life Assurance Corporation, Asalus Corporation (Intellicare), Medicare Plus, Inc., Avega Managed Care, Inc., Cooperative Health Management Federation, Pacific Cross Health Care, Inc., Insular Health Care, Inc. (iCare), The Manufacturers Life Insurance Co. (Phils.), and InLife Benefits Insurance Company, Inc. sealed a Memorandum of Understanding (MOU) establishing the PhilHealth YAKAP – HMO/PHI Benefit Complementation initiative in support of the Universal Health Care (UHC) law. Under the MOU, PhilHealth will serve as the initial source of coverage for primary care services through its Yaman ng Kalusugan Program (YAKAP), while private insurers complement this coverage by providing additional benefits.

“With PhilHealth YAKAP as the first layer of protection, our private partners can focus their benefits on what lies beyond the program package. That way, every Filipino gets more care for every peso,” said PhilHealth Acting President and CEO Dr. Beverly Lorraine C. Ho. “Together, we can establish a system that builds a healthier, more productive Philippines—where quality healthcare empowers every Filipino to drive the nation forward,” PhilHealth Board Member and Finance Secretary Frederick D. Go

said.

As the secondary payers, HMOs and PHIs can cover costs that exceeded PhilHealth benefit limits or fall outside primary care coverage, such as specialized procedures, branded medications, or hospital room upgrades.

YAKAP covers consultations, 13 laboratory tests, selected outpatient medicines under the GA-MOT package, and outpatient services for six cancer screening tests. Under the PhilHealth primary care program, specialized outpatient benefits such as animal bite treatment, maternal care, Tuberculosis DOTS, HIV/AIDS management, and mental health services are also included, as applicable.

The direct integration of PhilHealth YAKAP with private insurance policies establishes a more seamless healthcare system to prevent duplicate payment and effectively lower patients' out-of-pocket costs of shared beneficiaries. PhilHealth urges all members and policyholders to register for PhilHealth YAKAP via the eGovPH app, PhilHealth Member Portal, or nearest PhilHealth office to instantly maximize their primary care coverage alongside their private HMO benefits.

Additionally, PhilHealth invites other HMOs and private health insurers to join this complementation network to expand financial protection and deliver seamless, affordable primary healthcare to every Filipino family nationwide.

For official announcements, program updates, and participating provider lists, members may call PhilHealth 24/7 Corporate Action Center (02) 8662-2588 or visit www.philhealth.gov.ph, or follow PhilHealth's verified social media channels on Facebook (@PhilHealthofficial) and X (@teamphilhealth).

CALAX Nears Completion, Advancing Connectivity Between Cavite and Laguna

CALAX is now approaching full completion

MPCALA Holdings, Inc. is nearing completion of the Cavite-Laguna Expressway (CALAX), marking substantial progress toward the full operation of the 45-kilometer, four-lane expressway with two lanes in each direction, connecting Cavite and Laguna. Construction continues on the remaining 18.5 kilometers of CALAX, covering Subsections 1 and 2, with active works focused on mainline road pavements, bridge superstructures, drainage systems, interchange ramps, and other associated infrastructure. CALAX currently operates continuously from Mamplasan, Binan to Governors Drive in General Trias. Completion of Subsections 1 and 2 will extend the expressway through Open Canal to Kawit, completing the CALAX corridor and connecting it to CAVITEX through the CAVITEX-CALAX Link (CCLink).

This will give motorists a more direct route across the Cavite-Laguna corridor and toward Metro Manila, providing an alternative route to major local roads and improving access to residential, commercial, industrial, and economic centers across the region. The interconnected network will also provide a more seamless expressway connection, supporting the movement of people and goods and strengthening access to key destinations across the region. The completed CALAX will further support logistics and business activity by strengthening connections between industrial areas, warehouses, distribution hubs, commercial centers, and major markets in Cavite, Laguna, and Metro Manila. Improved expressway connectivity can provide logistics and delivery operators with more efficient routes for transporting cargo, raw

materials, finished products, and other goods across key economic centers and supply networks. For businesses, improved accessibility can facilitate the movement of workers, goods, and supplies while supporting stronger links to industrial and commercial areas. More broadly, the integrated expressway network is expected to contribute to regional mobility, logistics connectivity, and economic activity across Cavite and Laguna. The Cavite-Laguna Expressway (CALAX) is a Public-Private Partnership (PPP) project with the Department of Public Works and Highways (DPWH) serving as the government grantor, and MPCALA Holdings, Inc., a subsidiary of Metro Pacific Tollways Corporation, acting as the private concessionaire. ###
