EMPOWERING BARANGAYS FOR BETTER GOVERNANCE

Career Fest 2025: bridging education to employment for future graduates

On May 28-29, 2025, the Provincial Government of Cavite thru the Office of the Provincial Public Employment Service Manager (OPPEM) held the Career Fest 2025 at De La Salle University – Dasmariñas (DLSU-D) High School Complex. In partnership with the DLSU-D administration, the event brought together graduating college students and alumni of the school for a two-day event focused on career preparation, employment opportunities, and government support.

Aimed at guiding students as they transition from campus to career, the event featured keynote addresses, career coaching, labor market insights, and job matching activities. DOLE Provincial Director Marivic B. Martinez graced the event, emphasizing the importance of career coaching for graduating students. She also encouraged participating employers to provide on-the-spot hiring to help jumpstart the careers of qualified applicants.

Cavite PESO Manager Rizalie Pinpin-Enero formally opened the program with welcome remarks, while Dr. Jeff S. Buenviaje, DLSU-D Director for Advancement and Alumni Relations, gave a message of

encouragement, motivating students to embrace the next chapter of their professional journey with confidence and purpose.

A key component of the event was the presentation of Labor Market Information (LMI) by DOLE staff. LMI provides critical data and projections on employment trends, helping students make informed career and education decisions. Career coaching sessions led by OPPEM further enhanced student readiness, offering guidance on resume writing, interview strategies, and workplace expectations.

The event also featured a strong presence from various national government agencies including NBI, SSS, TESDA, DOLE, PSA, PhilHealth, Pag-IBIG, and PhilPost, providing essential pre-employment services and support for attendees.

A total of 1,773 students and alumni participated in Career Fest 2025, making it a successful initiative in preparing young professionals for the competitive labor market. With the combined efforts of educational institutions, government partners, and the private sector, the event served as a vital stepping stone for many as they begin their careers.

PAGLAGO AT PAGHINA

1. Tatlo itong sector ng ating lipunan,
Una'y pagsasaka sa bukid at linang,
Ikalawa'y sector nating industriyal,
At ikatlo'y service, sari-saring
gampan.

2. Itong pagsasaka'y para sa pagkain,
Bigas, mais, gulay ay doon kukunin,
Mataas ang bilang ng farmer sa atin,
Maliit ang lupa, at kita'y kapos din.

3. Industriyal naman may likhang
produkto,
At sariling gamit yaong likha dito,
Ang luwas kokonti nating Pilipino,
Tayo'y nahuhuli sa galaw ng mundo.

4. Itong service sector bigay ay
serbisyo,
At alaga nito'y ang nais ng tao,
Restawran, sinehan, sasakyan,
merkado,
Para sa local at dayuhang turismo.

5. Lumalago tayo sa dami ng luwas,
Humihina tayo pag tao'y umiwas
Sa gawaing bukid at sa aking watas
Nagtungo sa lunsod at yaman ang
hanap.

6. Humihina tayo pag ang graduate
natin
Hindi makakuha ng tamang gawain
At kahit na D.H. ay nais na kunin,
Kulang lagi tayo sa trabahong angkin.

7. Nagluluwas tayo ng ating produkto,
Mga raw material sa bansang
modern,
Maliit ang kita sa gawaing ganito,
Mataas sana kung finished product
ito.

8. Paglago'y mahirap pag bansang
mayaman,
Tayo'y dinadaig kung may pagalingan,
Paghina'y palagi nating agam-agam,
Tayo'y sinisiklot nitong pamilihan.

Healthcare services for PDL of BJMP Naic

The provincial government of Cavite's medical and dental mission was successfully conducted at the Bureau of Jail Management and Penology (BJMP) facility in Naic, Cavite on May 30, 2025, extending much-needed healthcare services to a total of 347 Persons Deprived of Liberty (PDLs).

The initiative was made possible through the request of the Vicarial Coordination Prison Ministry and San Isidro Labrador Parish, which actively support the well-being and rehabilitation of PDLs.

The activity aimed not only to address their physical health needs but also to promote compassion and dignity for those currently behind bars.

With the unwavering dedication of medical professionals and volunteers, the activity became an opportunity to extend public service to one of society's often-overlooked sectors. It also reinforced the commitment of both church-based and government institutions to uphold inclusive health services and restorative justice.

2025 OTOB Next Gen Program
kicks off...

(from p. 1)

The 2025 OTOB (One Town, One Product) Next Gen program officially commenced on May 28, 2025, with the Assessment, Consultation, and Triage (ACT) facilitated by the Office of the Provincial Cooperatives Development Officer (OPCDO), at the Sangguniang Panlalawigan Session Hall, Trece Martires City. The activity marked the beginning of a comprehensive product development journey for 20 selected entrepreneur-beneficiaries from the province of Cavite.

The ACT session served as a vital platform for participating entrepreneurs to engage in one-on-one consultations with representatives from key government agencies, including the Food and Drug Administration (FDA), Department of Science and Technology (DOST), Intellectual Property Office of the Philippines (IPOPHL), and the Office of the Provincial Agriculturist (OPA). In addition, they had the opportunity to work with a professional outsourced designer who will guide them in enhancing their product branding and packaging.

A seminar on Design Trends was also conducted, where participants learned about the stages of creating impactful logos, labels, and packaging—essential elements for making their products market-ready and globally competitive.

The OTOB Next Gen Program, scheduled to run from May to September 2025, is a flagship initiative of the Department of Trade and Industry (DTI) aimed at supporting and

scaling up micro, small, and medium enterprises (MSMEs) through capacity-building, product development, and market access.

Present during the opening activity were Ms. Llibeth R. Chavez, OIC-Provincial Director of DTI Cavite, and Ms. Rizalie P. Enero, Officer-in-Charge of OPCDO, who both delivered inspiring messages of support and encouragement to the participating entrepreneurs.

With the continuous support from various government agencies and the provincial government, the 2025 OTOB Next Gen Program is expected to significantly uplift the quality and marketability of local products from Cavite, paving the way for broader economic opportunities and inclusive growth.---
